

From the Vice Chancellor's Desk

The Central University of Jammu was established through the Central Universities Act, 2009 and is fully funded by the Central Government. In about five years of establishment, it has sprouted into a vibrant and an enthusiastic institution, determined to take on the challenges emanating from rapidly changing academic diaspora across the globe.

The higher education in the country has navigated itself on to liberal path accommodating diverse needs and aspirations of the learners' community. Being strategically located, the Central University of Jammu has to become a focal point for wider academic, intellectual, lingual and cultural interactions with nearly 15 divergent regions of the country.

The University now offers 5-year integrated (UG/PG) programmes, various P.G. and Ph.D. programmes in almost all its schools. It has adopted Choice Based Credit System besides introducing Vocational Courses like B.Voc. in Tourism Management, Retail Management and Diploma in Beauty & Wellness based on National Skill Qualification Framework (NSQF). The sector skill councils are partners in sharing professional knowledge with our students. Experts from Corporate Sector and Entrepreneurs regularly visit for interactions with the students for strengthening industry - academia interface.

The University has well established computer labs and a rich automated library containing diverse online journals. Wi-Fi facility is being provided to the students.

The classrooms are e-friendly and evaluation of students by teachers is a continuous process so as to enable the students to know their academic progression.

The CUJ has made a significant progress in terms of national and international networking by signing Memorandum of Understanding (MoUs) some of which include MoUs with Melbourne University, Institute of Chinese Studies, Central Universities of Himachal Pradesh and Kashmir, Administrative Staff college of India, NASSCOM Foundation for student and faculty mobility. The CUJ faculty has been awarded prestigious National Fellowships, project funding and recognition and is constantly contributing to various governmental and non- governmental sectors through research, consultancy and outreach activities. The students have also won accolades in national level academic and extramural events. The University strictly adheres to an academic calendar for ensuring smooth completion of programmes in stipulated time. I feel encouraged in sharing that the contemporary pedagogical transactions are given priority so that students can constantly enrich their talent and aptitude through variety of multifaceted activities.

The University has started 8 new programmes from academic session i.e. 2016-17 viz., Botany, Zoology, Molecular Biology, Chemistry, Physics, Material Sciences and Technology, Marketing Management and Comparative Religions and Civilizations. These new programmes should enable the students to seek admission into emerging field of specializations offering challenging job opportunities and career prospects.

The new campus is coming up on fast track with modern state of the art facilities on sprawling 610 acres of land. Ten departments are already working from main campus and three more are likely to be shifted in coming academic session besides offering an eco-friendly environment for academic and research pursuits. Ten departments viz., Department of Environmental Sciences, Department of Educational Studies, Department of Computer Science & Information Technology, Department of Social Work, Department of English, Department of Mass Communication and New Media, Department of National Security Studies, Department of Public Policy and Public Administration, Department of Hindi & other Indian Languages and one centre viz., Centre for Comparative Religion and Civilizations are already working from the main campus.

It is my pleasure to invite you to join us in creating an institution of excellence for promoting learning that would enable students and scholars to pursue their academic and career pursuits which should prepare them to contribute in enduring peace and prosperity of our nation.

Prof. Ashok Aima
