SPONSORED RESEARCH & INDUSTRIAL CONSULTANCY

RULES FOR SPONSORED RESEARCH AND INDUSTRIAL CONSULTANCY

1. PREAMBLE

In the light of changing economic scenario, government policies and Institute priorities, the Institute considers sponsored research and industrial consultancy projects as an important means for extending benefit of scientific research work at the Institute to the sponsoring agencies broadening the experience base of the Institute community and as a tool for contributing to the country's and economic growth. Therefore, as a matter of policy, the Institute encourages its faculty members to undertake research and consultancy work as a measure of scientific/technical collaboration with outside agencies. Appropriate Research and consultancy projects, in addition, for providing much needed service to the government and industry, also benefit the concerned faculty members and the Institute in several ways. They enrich the professional experience and knowledge of faculty members and thus make them better educators. Research and consultancy projects provide a firsthand knowledge of the current problems of industry and the emerging area which is very helpful in tuning the curriculum to the national needs. The faculty members get an opportunity to apply their ideas for finding out the solutions to the problems in emerging areas. Furthermore, the consultancy work also provides incentives for their contributions to all categories of staff.

2. DEFINITIONS

- 2.1 **Institute** means Indian Institute of Technology Roorkee, Roorkee
- 2.2 **Department** means all the academic departments, academic centres, centres of excellence and academic service centres at the Institute.
- 2.3 **Director** means Director, Indian Institute of Technology Roorkee, Roorkee.
- 2.4 **Dean of Sponsored Research & Industrial Research (Dean, SRIC)** means Dean of Sponsored Research & Industrial Consultancy (Dean SRIC), Indian Institute of Technology Roorkee, Roorkee.
- 2.5 **SRIC Advisory Committee** means committee for Sponsored Research & Industrial Consultancy, Indian Institute of Technology Roorkee, Roorkee, constituted in accordance with Institute Senate manual.
- 2.6 **Project** implies sponsored research projects or industrial consultancy projects or routine testing projects
- 2.7 **Sponsored Research Projects** means Research Projects sponsored by Government, public, private, national/international agencies and autonomous bodies. Generally the project cost including expenditure towards manpower, equipments, consumables and supporting services of the Institute is borne by the sponsor.
- 2.8 **Consultancy Project** means consultancy assignment/job given by outside agency to a faculty of the Institute for work within mutually agreed scope. It will also include a consultancy assignment/job referred to the Head of the Department or a functionary of the Institute (i.e. Director or Dean(s) or Registrar) which may be taken up as a Consultancy Project by faculty.
- 2.9 **Routine Testing project** implies those testing works where the rates are fixed by the department. The concerned Head of the Department will be the PI.

- 2.10 Sponsor** means the organization that offers a Project to the Institute and provides necessary financial support for successful completion of the project in time.
- 2.11 Principal Investigator (P.I.)** is a member of the faculty/scientist of the Institute with necessary expertise and competence to conduct a Research and consultancy work. Normally, the faculty/scientist who submits the project proposal and negotiates with the sponsor and is instrumental in getting the project funding is the Principal Investigator (PI). In case of research project, emeritus fellow/chair professor/ visiting professor may also be the PI.
- 2.12 Investigator (I)** means a person from amongst the faculty/scientist (including Emeritus Fellow, chair faculty, visiting professor) co-opted by the Principal Investigator to work jointly with him/her on the project or any other Group 'A' staff so permitted by the Director.
- 2.13 Consultant:** Consultant is an individual or government/ public sector undertaking/ government company engaged for a specific period to carry out specific job.
- 2.14 Project Staff** means a person appointed in conformity with the guidelines to work on a project.
- 2.15 Research Development Fund (RDF)** means a part of the Institutional Overhead Charges (IOC)/share received for sponsored research and Industrial consultancy project credited to a separate fund operated by Dean (SRIC).

The budget for utilizing DDF may be recommended by the Professorial Committee of the Department and approved by the Dean, SRIC. For any special requirements not covered above a proposal may be sent by the DPC of the Department for consideration of the Dean SRIC.

8. Admission of Project Staff to Academic Programmes

8.1 A project staff is eligible to register for Ph.D. or Master's Programme of the Institute as per Institute norms subject to his/her satisfying the admission requirements of the Institute.

8.2 The concerned project staff will be required to give an undertaking that he/she will not be automatically eligible for award of Institute fellowship and shall finance himself/ herself beyond the tenure of the appointment if Institute fellowship is not awarded.

8.3 The project staff admitted to Ph.D./ Master's programme will be governed by the relevant ordinances and fulfil his/her obligations towards the PI & the project in which he/she is appointed.

9. Sponsors Specific Conditions

Specific conditions of sponsor (e.g. DST, DAE, CSIR) for designation(s), qualifications and employment condition(s) for manpower and other expenditure related shall be followed.

10. Exception Clause

These guidelines shall normally be applicable to all Projects. However, any changes required which does not constitute to policy change may be approved by Director on the recommendations of Dean (SRIC).

11. REVIEW

These rules may be reviewed normally in three years or as per needs.

1. PROJECT INITIATION AND MANAGEMENT

- 1.1 Each project will have a Principal Investigator (P.I.) who will be a faculty member /Scientist in the service of the Institute and who will be responsible for :
- (i) Formulating the project proposal which may include
 - (a) planning of the work to be done,
 - (b) estimating costs according to the guidelines provided in the later section, and
 - (c) if necessary, identifying other Investigators, who shall also be faculty member(s)/Scientist(s) in the service of the Institute,
 - (ii) Co-ordination and execution of work,
 - (iii) Handling all communications with the sponsor,
 - (iv) Writing of intermediate and final reports according to the project proposal
 - (v) Ensuring that all reports bear the name of the Principal Investigator and his/her signatures and the name(s) of the Investigator(s) who participated in the project,
 - (vi) Signing the Memorandum of Understanding (MoU) or Agreement with the sponsor, if required. Guidelines for MoU/Agreement are given at Annexure 4.
- 1.2 The PI will, at his discretion, co-opt the names of other faculty members as Investigators. Any other Group 'A' employee so permitted by the Director can be co-opted as Investigator.
- 1.3 The PI will prepare research project proposal in conformity with:
- (i) permitted designation and emolument/fellowship rates for project staff, with qualification and experience as specified by the sponsor otherwise of the institute
 - (ii) provision for Institution overhead charges as per the rules of the Institute,
 - (iii) other guidelines for Sponsored Research Projects, and
 - (iv) Rules, Regulations & Statutes of the Institute
- 1.4 All research project proposals shall be submitted to the sponsors through the concerned Head of the Department and Dean (SRIC).
- 1.5 It shall be the responsibility of the PI to get project work completed satisfactorily within the sanctioned grant and duration.
- 1.6 The PI shall ensure that the head-wise expenditure does not exceed the budgetary allocation as applicable.
- 1.7 The PI shall maintain the details of equipment purchased out of research project funds separately for each project and send a copy of the record to Dean (SRIC) for placing the same before the Govt. of Audit, for verification or as and when required for any other purpose.
- 1.8 The PI shall be responsible for maintenance of Laboratory Record Book (LRB) as required for IPR submission, periodical and/or final technical report(s) of the research project work to the sponsor as required. He/she will also send a copy of the final technical report to Dean (SRIC).
- 1.9 The PI shall write to the sponsor for timely release of funds with a copy to the Dean (SRIC) for follow up, if necessary.

1.10 For Research Project: The sponsor which assigns the research project usually are approached by an individual or a functionary of the Institute (i.e. Head of the Department, Dean (SRIC) or Director).

For Consultancy project: The sponsor which assigns the consultancy project usually approaches the Institute for Consultancy work through an individual or a functionary of the Institute (i.e. Head of the Department, Dean (SRIC) or Director).

When an individual is approached for the work, he/she will be normally the Principal Investigator. If the project is referred to a functionary, the Principal Investigator would be identified by the Head of the Department to whom Dean SRIC refers the project.

1.11 No retiring faculty member be allowed to submit a consultancy project proposal as Principal Investigator (PI), if its duration extends to one year or more beyond his/her date of retirement, or if more than half of the proposed duration of the project falls beyond the date of retirement of the PI.

1.12 The Emeritus Fellows, Chair Faculty, Visiting Faculty, etc. can be appointed/ nominated/ continued as principal investigator for research projects if the sponsors do not have any objection.

The retired faculty/scientist working under Emeritus Fellowship be allowed to continue as Principal Investigators in the ongoing consultancy projects, if the sponsors do not have any objection.

Emeritus Fellows, Chair Faculty, Visiting Faculty, etc. can only be investigator(s) for the new consultancy projects.

1.13 If the PI leave the institute, retires or proceeds on leave or not available for some reason, Dean SRIC, on the recommendation of the P.I. (if he/she is available) appointing a new PI, who will assume the powers and responsibilities of the PI. The new PI should be agreeable to become PI. The new PI will also give an undertaking to complete the project in the remaining funds and time period, to the Dean (SRIC) through H.O.D. However, in exceptional circumstances, a retired faculty member may continue to work as P.I. with the approval of the Director, if he/she continues to serve the institute in some other capacity.

1.14 Normally the agreed charges of the consultancy project are to be deposited by the sponsor, in full, before the work commences. However, this stipulation is negotiable. In cases where the work is started with only partial charges deposited in advance, the arrangements of subsequent receipt of funds from the client have to be clearly spelled out in advance.

1.15 Project file will be closed with the submission of final project report and final settlement of accounts etc.

2. BUDGETARY NORMS

A. FOR RESEARCH PROJECTS

The total agreed charges of a Research project will consist of the Institute share, actual expenses of the project covering following.

- (i) Permanent equipment to be procured / fabrication of equipment or models.
- (ii) Consumable materials.
- (iii) Travel expenses in connection with the project work (domestic and foreign if budgeted/ allowed by sponsor)
- (iv) Computational or other charges payable to any other outside agency.

- (v) All contingency expenses for report preparation of report and literature (books, journals) and any other item budgeted under the proposal and approved by the sponsor.
- (vi) Expenses for work to be carried out on payment basis, remuneration to student assistants.
- (vii) Insurance on equipment and manpower during travel

B. FOR CONSULTANCY PROJECTS

The total agreed charges of a Consultancy project will consist of the Institute share, actual expenses and the remuneration to be distributed to the faculty and staff. The actual expenses should cover the following costs related to the project. The service tax will be applicable as per government rules.

- (i) Permanent equipment to be procured / fabrication of equipment or models.
- (ii) Consumable materials.
- (iii) Travel expenses in connection with the project work.
- (iv) Computational or other charges the Principal Investigator may have to pay to the Institute or any other outside agency in the course of the execution of the work.
- (v) Charges to be paid for the use of specific equipment in the departments or central facilities.
- (vi) Contingency expenses to cover cost of supplies, preparation of report, typing, word processing, drawing, drafting, stationery, reproduction, literature (books, journals, membership fee for professional societies), postage, courier, FAX and telephone (including rental and STD/ ISD call bills of telephone at residence or mobile phones), cost of insurance of personnel/ equipment being used for the project and medical reimbursement on duty (excluding major ailments) for staff etc.
- (vii) Expenses for work to be carried out on payment basis, remuneration to student assistants.
- (viii) Insurance on equipment and manpower during travel
- (ix) Any other costs considered appropriate.

The approval of the Dean SRIC to make any expenditure from the project funds assumes that funds are available in the project for the purpose.

3. Collaboration with Outside Organizations

If collaboration with other Govt./Public Sector organizations is envisaged, the nature scope and financial budget of the proposed arrangements will also be specified at the time of submitting the project proposal for approval.

4. LIABILITY

In case any legal dispute arises between the Investigator(s) and the sponsor such that the Investigator(s) are in any way, held responsible to make good the losses incurred by the sponsor, such liability will be restricted to a maximum limit which will be calculated as follows:

Maximum Liability = The total amount charged for the project – the expenditure / liabilities on the project. It is in the interest of the Investigators to bring this fact to the notice of the sponsors. The expenditure / liabilities as determined by the Institute will be calculated as the expenditure / liability till such date on which the sponsors inform the Investigator in writing to stop work on the project for on going projects, or till the end of the project for completed projects. This amount does not include the remuneration paid to the Investigator(s) and staff of the Institute. The Institute may take a suitable insurance for this purpose on a rolling basis. The expenditure on this account may be charged to the IRDF.

The amount charged by the Institute is on lump sum basis. Submission of the requisite report on the work itself shall constitute the Utilization Certificate / final bill.

5. DISAGREEMENTS / DISPUTES

- 7.1 Any disagreement within the Institute arising at any stage of a Consultancy project will be resolved in consultation with Dean (SRIC) / Director to ensure an expeditious removal of bottlenecks and smooth functioning of the project.
- 7.2 In case of any dispute arising at any stage of Consultancy project between Investigator(s) and the sponsor(s), the Investigator(s) will be responsible for settlement of the dispute.
- 7.3 All legal action will be subject to jurisdiction at Civil Courts at Roorkee/ Haridwar/ High Court at Nainital.

6. ARBITRATION

In the event of any dispute or difference at any time arising between the parties relating to Consultancy project or any other clause(s) or any content of the right and liabilities of the parties or other matters specified therein or with reference to anything arising out of the Consultancy or otherwise in relation to the terms, whether during the Consultancy or thereafter, such disputes or differences shall be endeavoured to be resolved by mutual negotiations. If, however, such negotiations are infructuous, the dispute should be finally settled through Arbitration and Conciliation Act, 1996 by three arbitrators appointed in accordance with the said Act. The arbitrators shall give reasoned and speaking award.

7. PUBLICATION OF RESULTS

PI will have the right to publish the work carried out by him/her unless the sponsors have an agreement under which their prior permission is required. In such cases the draft paper before publication will be submitted to sponsors and if no objections are raised within one month of the submission of the proposal to publish the result, it will be assumed that the sponsors have no objection to the publication.

8. PROJECT MONITORING COMMITTEE

For large projects the Project Monitoring Committee with the following composition shall review and assess the progress periodically (at least once a year) for timely completion of the projects. The committee may also advise Dean (SRIC) in any other matter on the project.

GUIDELINES FOR MoU/AGREEMENT

If a MoU/Agreement is required to be signed with the sponsor of a Consultancy Project, it should generally include the following clauses. Additional clauses may be added if considered necessary:

1. General

This section should include the reference to the proposed Consultancy and identify the parties concerned pertaining to the MoU.

2. Scope

This section should spell out briefly the nature of work, its limitations and the expected end results.

3. Time Frame

This clause must indicate the expected duration of the project and should also indicate the schedule of review of progress, submission of reports etc., if any.

4. Consultancy Charges and payment terms

The document must clearly indicate the charges to be paid including applicable service tax along with payment terms.

5. Responsibilities

This clause should define clearly the responsibilities of the various parties with regard to making the data and / or material available for the work as also for the return of the same, as and if applicable.

6. Patents/Publications

The MoU should clearly spell out the arrangements proposed to be made with regard to any patents or publications arising out of the proposed Consultancy project.

7. Force Majeure

This is an important clause and must be included to safeguard the interest of the various parties due to one or more of the unforeseen force majeure events

8. Arbitration

The document shall provide for a suitable channel to settle any disputes or differences related to the execution of the Consultancy project, which shall conform to clause given earlier

9. Liability

This clause should indicate the maximum liability which is to be accepted in the event of the project being terminated without completion at any stage and shall be in conformity with clause given earlier

10. Amendment to the MoU

The clause should specify a provision for amendments to any one or more clauses of the MoU through mutual consent, at any stage during work of the project, due to any reason whatsoever.

Two model formats of MoU, format 'A' and format 'B' are available on the Intranet of the Institute and may be used as such or with minor modifications conforming to the above guidelines. Format 'B' is concise and is recommended for smaller projects. Format 'A' is much more elaborate. If a different format is used, its legal vetting by the Institute's Advocate will be the responsibility of the PI concerned.
