VISION:

Be amongst the most admired centers of management education, committed to helping individuals and organizations enhance their management effectiveness, by achieving excellence in teaching and research through balance in theory and practice and thereby strengthen our rich heritage in development of human qualities towards the betterment of society.

MISSION:

To create an environment that shall foster the growth of intellectually capable, innovative and entrepreneurial professionals, who shall contribute to the growth of Science and Technology in partnership with industry to develop and harness it for the nation as well as mankind.

Message from Head of Department

It gives me immense pleasure in inviting your organization for 2016 Executive Placement at the Department of Management Studies, **Indian Institute of Technology Roorkee**.

In this of age of globalization and surging business environment, the industry needs a well equipped pool of high quality management personnel. The department has a very programmatic approach to cater to the needs of the ever changing face of the industrial world.

Increasing recognition and constant support from the industry bears testimony to the fact that the department has been successful in achieving this goal.

Frequent conferences and industry interaction not only facilitate exchange of ideas but also simulate research. The education pattern gives students a chance to choose from a vast set of courses that equip them with the knowledge of every field. A rich alumni base of **IIT Roorkee** provides a chance to students to interact with the eminent personality of industry. The environment at this department is highly conducive for preparing management professionals well trained to handle the rigors of the job and society by virtue of their talent, sincerity, commitment, skill-attributes that are meticulously nurtured during their stay at the Department of Management Studies.

The two year intensive MBA program is designed to produce a skill-set that has optimal compatibility with the competency set by employers and are suited for today's business world. I am sure that the students selected from this department will perform to the satisfaction of the employers.

Dr. Santosh Rangnekar
Head, Department of Management Studies
IIT Roorkee

EVENTS AT DOMS IIT ROORKEE

CONFLUENCIA

Confluencia is a National level Symposium hosted by Department of management Studies (DoMS), IIT Roorkee. It aims at bringing together the ideas and opinions from eminent speakers and Avant garde from government, academia and industry on a common platform. It makes an earnest attempt at not only defining the problem statements but also at evolving sustainable solutions. The event intends to provide an absorbing learning environment for all the participants.

REGALIA

REGALIA is the annual alumni meet of DOMS IIT Roorkee. Regalia gives a chance to the previous batches to relive their memories, while being back again. As alumni share their moments of joy with the hosting batches they make sure that along with it they guide all the students on how to get the best out of the place in terms of education, learning, experience, fun & free times at DOMS.

THOMSO

THOMSO is the cultural festival held annually at IIT Roorkee. It is not only the largest youth festival of Uttarakhand but also one of the largest youth festivals of India. It has about 5000-6000 college students from all over India in attendance apart from around 5000 students of IIT Roorkee itself.

COGNIZANCE

COGNIZANCE is a vibrant technical festival was initiated in 2003, with an aim of providing opportunities to the student community to exercise its academic acumen and ingenuity and become a hub for ground-breaking ideas and solutions. Various managerial events are organised by DOMS.

EXUBERANCE

Exuberance is Annual Sports Fest of DoMS IIT Roorkee. The event gives a chance to students from both first and second year to show off their skills and prowess in every sport.

REMINISCENCE

Reminiscence is the annual event where three batches (first year, second year and recently passed out) of the department come together. It is one of the most awaited events for the students. The passed out students come to collect their degrees and they are given a chance for reunion whereas second year student have an opportunity to meet their seniors again and revisit the good times. Even first year students show their enthusiasm about meeting their seniors.

AVENIR

Avenir is the annual Business Conclave that serves as the knowledge-sharing platform for the business heads of various organizations and helps in developing not just the right skills and abilities that will enable the budding managers of DoMS, IIT Roorkee to capitalize on the strengths of the growing Indian economy; but will also contribute in developing a responsible business mind-set that will help sustain this growth story. The event provides an absorbing learning environment for all the participants.

SUMMER PLACEMENTS 2015

Summer Internship

The students of DoMS IIT Roorkee do their summer internships at the end of their first year. The duration of the internship is for a period of 8-10 weeks during which the students are exposed to the real life scenarios of the dynamic corporate world. This enriching exposure provides students with a perspective as to what they would face in their careers once they step out of the school portal.

Summer placement

Companies are invited to offer summer internships at the end of the first year. The summer placement process takes place in the month of November. Confidential feedbacks are sought from the companies on the students' performance at their organizations and the value added to their organizations.

Placement Calendar

July - Aug : Invite Companies for the Placement Process
 Aug - Sep : Corporate Interaction and Discussion on Profiles
 Sep - Oct : Companies Organize Pre-placement Talk
 Oct - Nov : Companies Roll-Out Pre-Placement Offers
 December : Companies arrive for Executive Placement
