

**INDIAN INSTITUTE OF TECHNOLOGY  
KHARAGPUR**

**INFORMATION BROCHURE  
Ph.D ADMISSIONS 2018**

# CONTENTS

## **I. GENERAL**

- 1) Guidelines for Ph.D. Application.
- 2) Important Dates.
- 3) Instructions to fill online Application form.

## **II. THE INSTITUTE**

## **III. Ph.D DEGREE PROGRAMME**

1. Programme.
2. Research Areas.
3. Eligibility criteria for Admission.
4. Selection and Admission.
5. Payment of fees and deposits.
6. Enrolment and course work.
7. Registration.
8. Seminar and Synopsys of Research Work.
9. Thesis and Defence
10. Award of Degree.

## 1. GENERAL

### 1. Important Guidelines for Ph.D. Application

Applications are invited for admission to the Ph.D. Programme (Regular, Sponsored and Individual Fellowship (i.e. CSIR/UGC/DBT/ICMR/INSPIRE categories) of the Institute in the Autumn Semester of 2018-2019 in all disciplines of Engineering, Technology, Science, Architecture & Regional Planning, Humanities & Social Sciences, Rural Development, Law and Management. Admission to reserved category candidates will be done as per the Government of India notification.

Applicants are required to apply online at [www.iitkgp.ac.in](http://www.iitkgp.ac.in)

Application fee is Rs.1000/- for Unreserved/OBC/Transgender candidates and Rs.500/- for SC/ST/PwD/ Women candidates.

### 2. Important Dates:

Commencement of Online application form submission	19.03.2018
Website closure for submission of online application form	18.04.2018
Last date for receipt of hard copy of completed application ( <b>for project sponsored category</b> ) at the Academic(PGS&R) Section)	27.04.2018
<b>Test &amp; Interview to be conducted in the respective Departments/Centers/Schools (for shortlisted candidates)</b>	
Agricultural & Food Engineering , Aerospace Engineering, Civil Engineering, Computer Science & Engineering, Energy Science & Engineering, Humanities & Social Sciences, Physics	28.05.2018 at 9.00 A.M.
Architecture & Regional Planning , Chemistry, Electrical Engineering, Educational Technology, G.S. Sanyal School of Telecommunications, Materials Science, Rajiv Gandhi School of Intellectual Property Law, Vinod Gupta School of Management	29.05.2018 at 9.00 A.M.
Advanced Technology Development, Cryogenic Engineering, Centre for Oceans, Rivers, Atmosphere & Land Sciences, Environmental Science & Engineering, Mathematics, Metallurgical & Materials Engineering, Industrial & Systems Engineering, Rural Development, Deysarkar Centre for Excellence in Petroleum Engineering	30.05.2018 at 9.00 A.M.
Electronics & Electrical Communication Engineering, Biotechnology, Theoretical Studies, Mining Engineering, Rajendra Mishra School of Engineering Entrepreneurship, Geology & Geophysics, Rubber Technology, Subir Chowdhury School of Quality & Reliability	31.05.2018 at 9.00 A.M.
Bioscience, Chemical Engineering, Medical Science & Technology, Ocean Engineering & Naval Architecture, Ranbir & Chitra Gupta School of Infrastructure Design & Management, Mechanical Engineering, Nano-Science & Technology, Water Resources	01.06.2018 at 9.00 A.M.
Issue Offer letters to the Selected Candidates	11.06.2018 ( <b>Tentative</b> )
<b>Date of Admission</b>	<b>10.07.2018 ( Tentative)</b>

### 3. Instructions to fill online Application form.

#### **STEP-I : Fill in the ONLINE application form**

Register with Your Email Id and Login. FILL in the appropriate data. Please note that you have to upload your testimonials wherever it is required to validate your information along with your digital photograph and signature.

#### **STEP-II : Make PAYMENT and SUBMIT Application**

Payment of application fee has to be made through online payment gateway only.

#### **STEP-III : Take PRINT**

After final submission of your online application, you will be able to generate your online application print with your specific details/data. This application print may be retained with you for future requirement.

Please note that you NEED NOT SEND the application by post. Your application will be considered on the basis of your final submission through online. You can check submission, shortlisting, selection and other application related status from Application Status menu. You should remember your login id and password for the same.

The candidates shortlisted for test & interview will be informed through email only. Their names will also be notified in the webpage. However, candidates can see their status through login and download the interview letter, if shortlisted.

## II. THE INSTITUTE

Indian Institutes of Technology (IITs) were established to cater to the country's growing need for trained manpower with higher learning in science and technology. The Indian Institute of Technology Kharagpur, first of the chain of IITs, was established in 1951 in the idyllic and sylvan settings at Hijli in West Bengal. From a modest start in the dilapidated Hijli jail building, IIT Kharagpur has grown into one of the largest and most well-known technological institutes of the country. The handsome main building with its majestic tower was inaugurated in 1956. Pandit Jawaharlal Nehru in the first convocation in the same year said "here in the place of that Hijli detention camp stands this fine monument of India, representing India's urges, India's future in the making. This picture seems to me symbolic of changes that are coming to India".

Today, IIT Kharagpur has come a long way to its present position of pre-eminence with 19 academic departments, 8 multidisciplinary centres, School of Management, School of Telecommunications, School of Medical Science and Technology and School of Intellectual Property Law, School of Water Resources, School of Infrastructure Design and Management, School of Engineering Entrepreneurship, School of Energy Science, a School of Environmental Science and Technology, School of Nano-Science and Technology and several sophisticated central facilities. It is the largest and the most diversified among all the IITs and continuously strives to produce scientists and technologists of the highest calibre and integrity to help the nation become self-reliant in its technological needs and to provide leadership in the field of technical education and research. Some of the distinctive features of the programmes at IIT Kharagpur are science based engineering education, emphasis on complete education, continuous internal evaluation and flexibility for experimentation, upgradation and innovation in curriculum design. IIT Kharagpur has a number of distinctions to its credit among all the IITs, such as the first Master's programme on Management, first Master's Programme on Medical Science and Technology for practicing Medical Doctors. In a study, sponsored by the Department of Science and Technology, Government of India, IIT Kharagpur is found to have the highest relative employment productivity index among the IITs and is the top supplier of fresh engineers/technologists to the public and private sector industries. It also ranked first among the IITs in the production of science and engineering Ph.Ds.

### i. LIBRARY

Central Library, IIT Kharagpur is one of the largest libraries in science, technology, medical science and management in Asia, having an excellent collection of over 3.8 lakh documents, and subscribing to 1250 print journals, 40000 e-books, and providing online full-text access to 10000 e-journals of the major publishers like Elsevier, Science, Springer, IEEE, IEE, ACM, ASME, ADCE etc. Beside that the Central Library also provides access to major bibliographical databases like Compendex, INSPEC, SciFinder, Scholar, Web of Science, Scopus and MathScience Net. All regular library services have been automated using library software package "LibSys". Central Library has an excellent digital library section to facilitate seamless access to various subscribed IINDEST-AICTE Consortium e-resources as well as provide access to Institutional Repository Server, installed for faculty, research scholars and others to post their intellectual output. The library has installed CCTV cameras in each of the reading halls and at strategic locations of Central Library buildings for auto-surveillance and security. Recently, 5000 selected text books have been made RFID enabled through an RFID pilot project sponsored by MHRD. The Central Library has access to all Springer e-books published during the years 2005 to 2013 and CRCnetBASE e-books published during the years 2004 to 2013

## **ii. TECHNOLOGY STUDENTS GYMKHANA**

The concept of the Technology Students' Gymkhana as a forum of Sports and Games, Social and Cultural and Technology activities, in which the students, the faculty, staff and their families can take deep interest is unique, and was introduced at IIT Kharagpur for the first time way back in the fifties. The Technology Students' Gymkhana is an organization for fostering and developing extra-curricular activities among the students. Through sports, games and cultural activities it helps to cultivate the spirit of constructive co-operation, leadership qualities and organizational abilities among the students. The Gymkhana is the nerve-centre of this residential campus and has enriched the quality of student life. Gymkhana has a large number of facilities that include a well-equipped modern Gymnasium, a standard swimming pool and two stadia, namely, Jnan Ghosh Stadium and Tata Sports Complex. Besides these, there are also floodlit Basketball, Volleyball and Tennis Courts. Club activities are also encouraged where students can display and develop their talents in various fields, e.g. photography, dramatics, social service, Yoga, etc. The Gymkhana also organizes annual social and cultural festival "Spring Festival", and Techno-Management festival "Kshitij", which are considered to be the largest of their kind in Asia in terms of student participation.

## **iii. ACCOMMODATION AND AMENITIES**

The Institute is fully residential. Students are accommodated in 22 Halls of Residence, 14 for boys and 06 for girls and 02 with family accommodation for the Research Scholars/ Defence Personnel (M. Tech.). The halls have 24-hour internet connectivity. All the Halls of Residence also have regular catering facilities. Some additional food outlets are also located within the campus; a few late evening canteens are available as well in some of the Halls of Residence. Several restaurants including few air-conditioned ones are located in the campus, mainly in the hostel area. For daily necessities and groceries, one can walk down to the Technology Market (Tech. Market) within the Campus. A larger market, Golebazar, is about 5 kms. and Bigbazar is about 6 kms. from the Campus. Three banks with ATM facility are located inside the Campus. The State Bank of India branch with core banking services is in the campus close to the Institute Main building and it provides foreign exchange facilities as well. An extension counter of Syndicate Bank is situated on the first floor of the Institute main building. A branch of Punjab National Bank is situated in the Tech. Market where business transactions are carried out in the afternoon. In addition, an Axis Bank ATM is available as well inside the Gymkhana premises. Post Office is located close to the State Bank branch. Outlets of a few courier services are also available within the campus. South Eastern Railway has been operating a reservation counter in the Institute Main Building area extending Railway ticket booking facilities, especially to the students and the campus residents. There are also a few privately run outlets in the campus to provide services for railway ticket booking, air ticket booking, car rental and STD / ISD phone calls.

## **iv. RECREATIONAL/EXTRA-CURRICULAR ACTIVITIES**

IIT Kharagpur aims at the all round development of personality, with emphasis on physical, socio-cultural and value-oriented education. In the rich tapestry of culture that is the hallmark of this IIT, students play a vital role. They are an integral part of almost all decision-making bodies of the Institute, starting from hostel administration to Senate. They organize cultural and techno-management activities throughout the year, culminating in the Spring Fest and Kshitij. Technology Students' Gymkhana, the nerve centre for sports, cultural and social activities. It helps to cultivate the spirit of constructive co-operation, leadership qualities and organizational abilities among the students. It has a number of outdoor and indoor stadia for sports and games, a modern

swimming pool and a gymnasium. Photography Club, Fine Arts Club, Publicity Club, Music Club, Yoga Club, Film Society, Dramatics Society, Aquatics Society, Astronomy Club and many more special interest groups are supported by the Gymkhana. Lately a large number of technology and social service focused student societies have been formed, quite often as local chapters of reputed international bodies or societies. The halls of residence also offer a few in-house sports facilities in addition to the central facilities.

#### **v. HEALTH CARE**

The B. C. Roy Technology Hospital is located at the center of the Campus. It provides indoor and outdoor medical facilities for common ailments. However, a few specialized visiting medical practitioners regularly attend the outdoor chambers. The Hospital has its round the clock emergency medical attendance arrangement, and a 24x7 medicine counter. Complicated cases are referred for treatment to the State Hospital or to the Railway Hospital or to Hospitals in Kolkata. The Institute has Students' Medical Insurance Coverage which is obligatory on the part of the students and which usually covers a part of medical expenses for such referred cases. 24 hours Institute ambulance service is also available for the purpose of shifting the patients to other hospitals for better management. A few specialized medical practitioners are also available around the IIT campus for private consultation; this list of neighbourhood medical facilities is posted at <http://noticeboard.iitkgp.ernet.in/hospi.htm>.

#### **vi. COUNSELLING CENTRE**

The Counselling Centre offers a broad range of services including psychological assessment, individual therapy, group therapy, as well as medication and management to promote mental health, life skills training, emotional resilience and overall wellbeing of the student community. Full-time clinical psychologists and a visiting psychiatrist are available for consultation. The centre has also initiated an outreach program that involves building up a team of sensitized wing representatives from each Hall of Residence to help reach students in need.\

### **III. Ph.D PROGRAMME**

#### **1. Programme**

The Institute provides facilities for research leading to the Degree of Doctor of Philosophy (Ph.D.).

The award of the Ph.D. degree is made on the basis of satisfactory performance of a registered candidate in

- i. prescribed course work, comprehensive examination & seminar
- ii. publication of original research work in reputed journals/conferences or award of patents/technology transfer etc.
- iii. the thesis submitted by the candidate and a final viva voce. The thesis shall be the report of research work characterized by either discovery of new facts or a new interpretation of known facts and theory, or an independent design and development, or development of new instrument/technology

#### **2. Research Areas:**

Areas of research available in the different departments/centres/schools are listed on website, at link given against each Department/Centre/School in below table.

<b>A. Department</b>	URL
Aerospace Engineering	<a href="http://www.iitkgp.ac.in/department/AE">http://www.iitkgp.ac.in/department/AE</a>
Agricultural and Food Engineering	<a href="http://www.iitkgp.ac.in/department/AG">http://www.iitkgp.ac.in/department/AG</a>
Architecture and Regional Planning	<a href="http://www.iitkgp.ac.in/department/AR">http://www.iitkgp.ac.in/department/AR</a>
Biotechnology	<a href="http://www.iitkgp.ac.in/department/BT">http://www.iitkgp.ac.in/department/BT</a>
Chemical Engineering	<a href="http://www.iitkgp.ac.in/department/CH">http://www.iitkgp.ac.in/department/CH</a>
Chemistry	<a href="http://www.iitkgp.ac.in/department/CY">http://www.iitkgp.ac.in/department/CY</a>
Civil Engineering	<a href="http://www.iitkgp.ac.in/department/CE">http://www.iitkgp.ac.in/department/CE</a>
Computer Science and Engineering	<a href="http://www.iitkgp.ac.in/department/CS">http://www.iitkgp.ac.in/department/CS</a>
Electrical Engineering	<a href="http://www.iitkgp.ac.in/department/EE">http://www.iitkgp.ac.in/department/EE</a>
Electronics and Electrical Communication Engineering	<a href="http://www.iitkgp.ac.in/department/EC">http://www.iitkgp.ac.in/department/EC</a>
Geology and Geophysics	<a href="http://www.iitkgp.ac.in/department/GG">http://www.iitkgp.ac.in/department/GG</a>
Humanities and Social Sciences	<a href="http://www.iitkgp.ac.in/department/HS">http://www.iitkgp.ac.in/department/HS</a>
Industrial and Systems Engineering	<a href="http://www.iitkgp.ac.in/department/IM">http://www.iitkgp.ac.in/department/IM</a>
Mathematics	<a href="http://www.iitkgp.ac.in/department/MA">http://www.iitkgp.ac.in/department/MA</a>
Mechanical Engineering	<a href="http://www.iitkgp.ac.in/department/ME">http://www.iitkgp.ac.in/department/ME</a>
Metallurgical and Materials Engineering	<a href="http://www.iitkgp.ac.in/department/MT">http://www.iitkgp.ac.in/department/MT</a>
Mining Engineering	<a href="http://www.iitkgp.ac.in/department/MI">http://www.iitkgp.ac.in/department/MI</a>
Ocean Engineering and Naval Architecture	<a href="http://www.iitkgp.ac.in/department/NA">http://www.iitkgp.ac.in/department/NA</a>
Physics	<a href="http://www.iitkgp.ac.in/department/PH">http://www.iitkgp.ac.in/department/PH</a>
<b>B. Centre</b>	URL
Advanced Technology Development	<a href="http://www.iitkgp.ac.in/department/AT">http://www.iitkgp.ac.in/department/AT</a>
Centre for Educational Technology	<a href="http://www.iitkgp.ac.in/department/ET">http://www.iitkgp.ac.in/department/ET</a>
Centre for Oceans, Rivers, Atmosphere and Land Science	<a href="http://www.iitkgp.ac.in/department/CL">http://www.iitkgp.ac.in/department/CL</a>
Centre for Theoretical Studies	<a href="http://www.iitkgp.ac.in/department/TS">http://www.iitkgp.ac.in/department/TS</a>
Cryogenic Engineering	<a href="http://www.iitkgp.ac.in/department/CR">http://www.iitkgp.ac.in/department/CR</a>
Deysarkar Centre for Excellence in Petroleum Engineering	<a href="http://www.iitkgp.ac.in/department/DE">http://www.iitkgp.ac.in/department/DE</a>
Materials Science	<a href="http://www.iitkgp.ac.in/department/MS">http://www.iitkgp.ac.in/department/MS</a>
Rubber Technology	<a href="http://www.iitkgp.ac.in/department/RT">http://www.iitkgp.ac.in/department/RT</a>
Rural Development	<a href="http://www.iitkgp.ac.in/department/RD">http://www.iitkgp.ac.in/department/RD</a>
<b>C. School</b>	URL
Bio Science	<a href="http://www.iitkgp.ac.in/department/BS">http://www.iitkgp.ac.in/department/BS</a>
Energy Science and Engineering	<a href="http://www.iitkgp.ac.in/department/ES">http://www.iitkgp.ac.in/department/ES</a>

Rajiv Gandhi School of Intellectual Property Law	<a href="http://www.iitkgp.ac.in/department/IP">http://www.iitkgp.ac.in/department/IP</a>
Ranbir and Chitra Gupta School of Infrastructure Design and Management	<a href="http://www.iitkgp.ac.in/department/ID">http://www.iitkgp.ac.in/department/ID</a>
School of Medical Science and Technology	<a href="http://www.iitkgp.ac.in/department/MM">http://www.iitkgp.ac.in/department/MM</a>
School of Water Resources	<a href="http://www.iitkgp.ac.in/department/WM">http://www.iitkgp.ac.in/department/WM</a>
Subir Chowdhury School of Quality and Reliability	<a href="http://www.iitkgp.ac.in/department/RE">http://www.iitkgp.ac.in/department/RE</a>
Vinod Gupta School of Management	<a href="http://www.iitkgp.ac.in/department/BM">http://www.iitkgp.ac.in/department/BM</a>

### 3. Eligibility Criteria for Admission:

3.1. All candidates seeking admission to the Ph.D. program under the categories mentioned below shall have to possess requisite marks/grades in the qualifying degree as shown below:

a) Minimum 60% marks or a CGPA of 6.5 in 10 point scale in the qualifying examination (3.2.a and/or 3.2.b) in Engineering /Science /Commerce /Management/ Law and/or equivalent

OR

b) Minimum 55% marks or a CGPA of 6.0 in 10 point scale in the qualifying examination (3.2.a and/or 3.2.b) in Humanities/Social Science/MBBS degree and/or equivalent

#### 3.2. a) Minimum qualifying degree required for seeking admission to the Ph.D. program

- a) M.Tech (Master of Technology) / MS / ME (Master of Engineering)/ M.Sc.(Engg.)
- b) M. Arch./ MCP (Master of City planning) /MRP (Master of Regional Planning)
- c) M. Phil. (2 years programme)
- d) MBA / PG Diploma in Management of 2-year duration (after completion of B.Tech/M.Sc/MA/M.Com)
- e) LLM (2 years programme) after EITHER at least 5 years of integrated LLB degree after 10+2 examination OR 3 years LLB degree after 10+2+3 examination
- f) An equivalent of the aforesaid degree

OR

#### 3.2. b) Minimum qualifying degree required for seeking admission to the Ph.D. program

- a) B.Tech. (Bachelor of Technology)/ BE (Bachelor of Engineering)/ B.Sc (Engg.)
- b) B.Arch. (Bachelor of Architecture)
- c) M.Sc. (Master of Science) / MA (Master of Arts) / M. Phil. (1 year program)
- d) MBA / PG Diploma in Management of 2-year duration (after completion of BA/B.Sc/B.Com)
- e) MBBS degree with compulsory one-year internship completed
- f) 5 years (minimum) of integrated LLB degree after 10+2 examination OR 3 years LLB degree after 10+2+3 examination OR LLM (1 year programme) after LLB degree (minimum 5 years)
- g) A degree equivalent to any of the above

#### 3.3. Additional Requirements for different Admission category

##### a) Regular with Institute Assistantship

- 1) Candidates who is having minimum qualifying degree as mentioned in **3.2(b) above should have to possess a valid GATE score** that is above the cut off level (accepted for M.Tech./MCP admission in a particular year) as decided by the Senate from time to time or **NET qualification with FELLOWSHIP** for award of Institute Research Assistantship. Candidates who have merely qualified in NET examination but have not got a fellowship will not qualify for Institute Research Scholarship.

- 2) A person who is in employment and is applying for Institute Assistantship and selected for admission, he/she must resign and produce the acceptance of resignation by the employer at the time of joining.
- 3) The value of the Institute Research Assistantship shall be as per MHRD norms.
- 4) No Research Student shall be permitted to receive any emoluments, salary, stipend or any other scholarship/assistantship during the tenure of award.

**b) Individual Fellowship (CSIR/UGC/DBT/ICAR/INSPIRE etc.)**

- 1) All candidates applying for Individual Fellowship category must have valid award letter with fellowship issued by the respective fellowship agency (i.e. CSIR/UGC/DST/DBT/ICMR etc.).
- 2) Candidates admitted under Individual Fellowship category shall not be entitled to award of Institute Assistantship.

**c) Sponsored**

- 1) Persons who possess the minimum prescribed qualifications as mentioned in 3.2.(a) & 3.2.(b) (without GATE/NET) and are in service in any of the following establishments with **Minimum of two-year job experience** shall be eligible for admission to the Ph.D. program as sponsored candidates:
  - a) defence or other ministries of the Government of India or any other government organizations;
  - b) established industrial research and development organizations;
  - c) autonomous bodies and public undertakings;
  - d) universities/colleges;
  - e) reputed industries as may be recognized by the Institute.
- 2) An intending sponsored candidate must submit his/her application in prescribed form along with No objection cum sponsorship certificate( **Appendix I, page 14**) for admission through his/her employer, who will forward the same to the Institute with suitable endorsement.
- 3) A sponsored candidate selected for admission shall be required, at the time of joining the Institute, to produce certificate in the prescribed form from the employers to the effect : (i) that he/she has been officially released from his duties for purpose of joining the program and has been granted leave for the required period; (ii) that his services shall be retained with the employer.
- 4) In the case of a sponsored candidate admitted as such to the Ph.D. program, the minimum residential requirement is one year at a stretch subject to successful completion of course work.
- 5) A candidate sponsored by an industry, an R&D organization, educational institution or a Government organization having adequate research facilities may be allowed to work externally subject to his/her fulfilling all such conditions prescribed in the Regulations.

**d) PH.D. through Project**

- 1) **Persons who possess the minimum prescribed qualifications as mentioned in 3.2.(a) & 3.2.(b) and are working in a sponsored project of the Institute (i.e. under auspices of SRIC of the Institute) shall be eligible for admission to the Ph.D. program under project category.**

- 2) An intending candidate must submit his/her application in prescribed form for admission through Principal Investigator, Head of the Department/Centre/School and Dean (SRIC) with suitable endorsement.
- 3) The minimum remaining period of the project as well as tenure of the project employee should be at least 2 years from the date of joining the Ph.D. program.

#### **3.4. B.Tech. from IIT**

- 1) B.Tech. degree holders having final CGPA  $\geq 8.00$  from Indian Institutes of Technology (IITs) will be given direct admission in Ph.D. programme with Institute Research Assistantship.

#### **3.5. Special Notes**

- 1) Department/Centre/School may fix additional admission criteria without compromising the eligibility criteria mentioned here.
- 2) Mere fulfillment of eligibility criteria does not give guarantee for admission to the PhD programme.

### **4. Selection and Admission:**

The admission of a candidate to the Ph.D. program is recommended by the Departmental Academic Committee (Post-Graduate and Research), abbreviated as DAC (PG&R), of the Department/Centre concerned on the basis of-

- a. Overall Academic Performance
- b. Written/Computer Test
- c. Interview

### **5. Payment of fees and deposits:**

Every Research Scholar shall be required to pay at the time of joining the following items of fees, at rates as in force for the time being:

#### **(a) Non-refundable**

##### **One time fee:**

- i. Hostel Admission, Medical Examination, Student Welfare fund, Alumni Subscription and Modernisation.

##### **Semester Fee:**

- i. Tuition fee\*, Registration Fee, Examination Fee, Student Amenities, and Medical Registration.
- ii. Laboratory Fee, Hostel Seat Rent, Electricity and Water Charges etc., Mess Charges, Hall Establishment Charges, Hostel Overhead Charges.

#### **(b) Refundable**

- (i) Institution Caution Money
- (ii) Hall Caution Money

\* 100% tuition fees waiver for SC/ST/PwD students.

\* **The above fees are subjected to revision from time to time.**

## 6. Enrolment and course work:

A candidate is required to enrol for the Ph.D. program within 1 month of joining on payment of prescribed fees and to carry out research work under a supervisor from amongst the faculty of the Institute. A Research Scholar, including a Faculty member enrolled for Ph.D programme, must have a Supervisor, though he/she may be from exceptionally good academic background having research exposure.

All candidates enrolled for the Ph.D. program are required to complete the course work as prescribed below:

- a) English for Technical Writing (compulsory)
- b) A set of subjects to be recommended by the DSC considering the student's skill requirements for the research work to be under taken by the student and his(or her) academic background to have a credit loading as under.
  - i. For students admitted on the basis of M.Tech. or equivalent degree:  
Lower limit: 10, Upper Limit: 20
  - ii. For students admitted on the basis on M.Tech. or equivalent degree, who had done their qualifying degree 8 years before the admission:  
Lower limit: 20 , Upper Limit: 40.
  - iii. For students admitted on the basis of B.Tech., M.Sc. or equivalent degree:  
Lower Limit: 20, Upper Limit: 40.
  - iv. For students admitted on the basis on B.Tech., M.Sc. or equivalent degree, who had done their qualifying degree 8 years before the admission:  
Lower Limit: 40.

Candidates assigned course work must obtain, in the 7-scale grading system, a grade not lower than 'C' in each of the subjects. If the grade obtained by a candidate in any subject is below 'C', the candidate is required to repeat that subject and clear it with a grade not lower than 'C'. Should the candidate fail to clear the course work within 1 year of enrolment, the DSC may review the performance of the student and recommend a change of course work.

In addition to the assigned course work requirement a candidate is also required to show, before he/she submits the synopsis, proficiency in one of the subjects offered by the Department of Humanities and Social Sciences, or IEM or VGSOM as approved by the Senate.

## 7. Registration:

- a. A candidate is required to give a seminar talk on the topic of his research within three years of enrolment or within one year of completion of the course work as the case may be. The seminar talk will be delivered to an open audience with members of the D.S.C. and D.A.C. (PG&R) present. If the seminar is satisfactory the candidate will be allowed to register for the degree. However, if the D.S.C. and D.A.C.(PG&R) is not satisfied by the seminar talk, the candidate will be required to deliver another talk with suitable modification or improvement within the next 3 months. The registration seminar should normally be held within three (3) calendar years of enrolment of a student. Should the candidate fail to clear the registration seminar even on second attempt the enrolment

shall be cancelled and the student shall be asked to leave.

- b. Registration of a candidate for the Ph.D. degree shall be effective, normally, from the date of enrolment and shall remain valid for a period of 08 (eight) years. The registration of a candidate may be deferred by the D.S.C. and D.A.C.(PG&R) on account of unsatisfactory progress. A candidate will be required to submit the thesis before the expiry of the registration period. In the event of a candidate failing to submit his thesis within the period, the registration shall lapse automatically.

## **8. Seminar and Synopsys of Research Work:**

Prior to submission of the thesis the candidate will submit the synopsis of the thesis and present a seminar to an open audience in which besides others the D.S.C. and D.A.C. (PG&R) members will be present. The seminar lecture will test the candidate's depth of knowledge and progress in his/her research. The candidate shall be allowed to submit his/her thesis for the Ph.D. degree only when the D.S.C. is satisfied about the work. If the D.S.C. is not satisfied with the quality of the work or the general preparation of the candidate, the candidate will have to appear again for the seminar within a maximum period of six months. The thesis must be submitted within one month after the D.S.C. approves the submission on the basis of this seminar.

## **9. Thesis and Defence :**

On successful completion of the seminar the D.S.C. will recommend to the Senate a panel of ten experts, from India and/or abroad, to examine the thesis (not more than 5 persons in the list shall be from India). The thesis shall be forwarded to two experts from the panel who shall submit report separately on the thesis and forward their recommendation to the Registry.

Once the reports of the examiners have been accepted as satisfactory the candidate will have to defend his/her thesis before a viva voce board consisting of all D.S.C. members and the Indian 'external' examiner.

## **10.Award of Degree:**

A student who has completed satisfactorily all prescribed requirements and has cleared all fees and dues payable to the Institute and the Hall of Residence shall be eligible for the award of Ph. D. degree of the Institute by the Board of Governors on the recommendation of the Senate. The degree shall be awarded at the annual convocation for the academic session in which the student completes the requirements satisfactorily.
