

**Excel With Quality**

## **MBA - Blended Learning**

**TÜV Rheinland collaborates with RDI (Resource Development International) to provide global MBA in India**

The program is aimed at intelligent highly motivated managers who wish to equip themselves with the essential business and management skills required in the increasingly competitive diverse and dynamic business environment. You will also develop a range of techniques, personal qualities and attitudes essential for successful performance in the management sector.

## Program Details

### Stage 1:

#### Diploma/Extended Diploma in Strategic Management & Leadership (DMS)

The DMS is designed for those working in Business Management and for the students who aspire for the field of management and leadership. You'll develop a range of skills and techniques, personal qualities and attitudes for the successful performance in the management sector.

### Stage 2:

**Top-Up MBA:** The students can have progression path way to top – up MBA in University of Wales or University of Bradford or University of Sunderland either in India or in UK.

**Duration of the study:** In the Diploma/Extended Diploma in Strategic Management & Leadership you are taken through 11 modules for a period of 9 months.

Duration of the Top up MBA is for 6 months.

#### Qualification Acquired:

Students on the completion of DMS are awarded with an Edexcel accreditation certificate.

## Benefits of the Course

- Experimental learning
- Flexible learning hours and contact classes at various locations in India
- Student hand book, tutor guidance and assessments are given through a web portal named ilearn which is unique
- Guided by experienced tutors with industrial exposure
