

# Where the Schools Rank

Results for the three categories of business schools in The Wall Street Journal/Harris Interactive annual survey of corporate recruiters

## NATIONAL RANKING

This ranking is based on how recruiters rated each school on 21 attributes, their future plans to recruit at the school, and the number of survey respondents who said they had recruited recently at the school. These schools enjoy a national reputation and tend to draw recruiters from many of the same companies, usually large national and multinational firms that pay high starting salaries.
