The number of candidates called for Main Written Test is over and above the number of vacancies. Merely calling a candidate for Main Written Test does not, in any way, entitle the candidate to an appointment in the railways. The date of Main written examination will be fixed in due course, for which call letter will be issued separately. The above result is being declared on the basis of written examination, since final scrutiny of the documents and candidature is done at the time of documents verification. Therefore the candidates cannot claim for his/her selection on the basis of the above result. All possible precautions have been taken in the preparation of the above results, but inadvertent errors cannot be denied. Railway Recruitment Board, does not take responsibility of this type of inadvertent errors, and reserves the right to rectify them. Details of the program are also available on RRB-Ajmer's website www.rrbajmer.org.
