Subject: Regarding revised Syllabi, Nature of Question Paper and Equivalence of M.B.A.Part-II (Semester-III & IV) (CBCS) under the Faculty of Commerce & Management.

Sir/Madam,

With reference to the subject mentioned above, I am directed to inform you that the university authorities have accepted and granted approval to the revised syllabi of Master of Business Administration Part-II (Semester-III & IV) (CBCS) under the Faculty of Commerce & Management.

This syllabi will be implemented from the academic year 2017-18 (i.e. from June 2017) onwards. A soft copy containing the syllabus is enclosed herewith. This said syllabi is also available on university website www.unishivaji.ac.in.

The question papers on the pre-revised syllabi of above mentioned course will be set for the examinations to be held in Oct/Nov-2017 & March/April-2018. These two chances are available for repeater students, if any.

You are, therefore requested to bring this to the notice of all students and teachers concerned.

Thanking you,

Yours faithfully,

Dy. Registrar

SHIVAJI UNIVERSITY, KOLHAPUR

Accredited By NAAC – A Grade
Faculty of Commerce
Revised Syllabus of
Master of Business Administration (M.B.A.)
Part- II
Sem. (III & IV)
Choice Based Credit System - (CBCS)
(Introduced from June 2017 and Onwards)

To be implemented from the academic year 2017-2018 onward

1. Introduction:

Considering the current requirement and present scenario of globalization and emerging trends in the Industry, Information Technology, there is need to make students aware and synchronize with the skills required in the industry. It is necessary to make changes in present curriculum of MBA.

2. Objectives of the course:

The main objective of this course is to prepare the executives and managers for top level and middle level management in public cooperative and private sector organizations. The emphasis will therefore, be on developing a proper role perception of managerial level personnel in the Indian context by exposing them to a wide range of relevant areas, sufficiently in depth so that they may gain the confidence to interact with people at all levels and develop managerial skills for translating polices into action effectively.

3. Schedule of Teaching and Examination:

This is a full time master degree programme. The curriculum of this course is two years divided into four semesters. The teaching for Semester I and III is conducted from 1st August to 15th November (for 14 weeks) and teaching for Semester II, and IV is conducted from 1st January to 15th April (for 14 weeks). There will be an end of semester University examination in December and May for all the semesters. In addition there will be internal examinations for each paper conducted by the respective Institute.

4. Eligibility for Admission:

In order to secure admission to first year of two-year full time MBA course, the candidate should fulfill the following eligibility criteria:

- Passed with minimum of 50 % marks in aggregate (45% in case of candidates of backward class categories belonging to Maharashtra State only) in any Bachelor's degree of minimum of three years duration in any discipline recognized by the UGC.
- Candidate should appear for the Common Entrance Test (C-MAT), GD and PI conducted by the competent Authority of Maharashtra State for the MBA Admission.

5. Intake of the Course: As per AICTE approval

Present syllabus

Present syllabus is introduced with a view to impart practical aspects of subjects offered to learn in MBA program. Every unit in syllabus is supplemented with a practical to make students understand the theoretical concept under study. The practical is expected to enhance communication skills, leadership skills, interpersonal skills, professional mannerism since students are regularly in touch with business organizations and people in society for data collected, discussions, learning and seeking opinions. The practical's also aims to enhance research aptitude of student which may help to imbibe analytical skills, logical reasoning and presentation skills. The entire effort of introducing practical's is to change thanking of students from examination oriented learning to decision making orientation learning in an effort to shape ready decision maker executive and entrepreneur. To bring in shifting in students thinking towards decision making learning the nature of question paper has also been changed and 50% weightage is given in examination for decision making oriented questions or exercise.

6. Structure of MBA Course: 80:20 with CBCS

MBA. Part-I Semester-I MBA. Part-I Semester-II

32 Heads, Total Marks – 3200

One theory lecture duration 60 minutes.

Electives (Any TWO)-

- 1. Marketing Management
- 2. Human Resource Management
- 3. Financial Management
- 4.Production Management
- 5. IT & System Management
- 6. Agriculture Business Management
- 7. Textile Management

Note: Internal Marks:

| Mid – term test* | 10 Marks |
|--|-----------|
| Four (4) practical assignments given in syllabus (2.5 Marks to each practical | |
| assignment) | 10 Marks |
| It is the discretion to respective faculty regarding nature of submission of practical | 10 Warks |
| assignments. | |
| University Theory Examination (3 hours duration) | 80 marks |
| Total | 100 Marks |

Options to conduct Mid-term test:

- 1. Midterm test is to be conducted at the end of every semester by institute.
- 2. For midterm test **OPEN BOOK** examination is proposed. The examination would be of three hours for every course. Decision making oriented questions, case lets, exercise questions, practical problems would only be asked to solve. Students are allowed to refer secondary sources and discussion in groups. Use of internet is strictly prohibited. Four independent question papers would be prepared coded as A, B, C and D. as per roll number of student question papers would be distributed. (for roll number 1 code A question paper, 2-B, 3-C and for roll number 4 code D question paper and again for 5 code A question paper would be given).

Open book examination is expected to foster reference taking, interpersonal discussion, group discussion, reasoning, logical thinking in groups, debating, leadership traits and the like.

The records of internal practical assignments and midterm test of every student should be maintained at institute which is subject to verify by university authority.

8. Nature of Examination:

- 1. Medium of information shall be ENGLISH. Question papers and answer papers should be only English language.
- 2. University examination shall be of 80 marks for each subject.
- 3. The nature of university examination question paper shall be as follows.
- 4. In the paper of Accounting for Mangers, Mathematics & Statistics, Managerial economics, Financial Management, Operations Management, Operation Research Techniques, Research Methodology, Management Control System Exercise example will be asked. Besides this the specialization area viz. Financial Management, IT & System Management, exercise example will be asked.

Nature of Question Paper:

(Note- Question No. 1 and Q. No. 2 are compulsory. Attempt any two from Question No 3, 4 and 5)

Q.1 Case Study 20 marks

Case Study, Exercise example, quantitative problems.

Q.2 Decision making related Question/exercise/problem/case let/ etc. 20 marks

Questions or exercise problems to check the decision making ability of student on the basis of contents of syllabus.

Q.3 a) }

b) } 20 marks

Q.4 a) }

b) } 20 marks

Q.5 Short notes (any four out of six) 20 marks

9. Standard of Passing:

- **a.** Candidate is required to secure minimum 40% marks in Internal and University examination and 50% in aggregate together in each subject.
- **b.** Subject to the condition of pass at the course to the condition(c) only –

50 % and above but less than 60 % - II Class

60% and above but less than 70% - I Class

70 % and above - I Class with Distinction.

c. No class will be awarded to any part of examination.

10 . Credit system implementation - As per the University norms

11. Passing rules-

- 1. For admission to M.B.A. Part-II, a candidate must have cleared all papers of Sem-I and Sem-II or atleast 12 papers of sem-I and sem-II combine.
- 2. The students who have completed first semester are allowed to continue for second Semester and students who have completed 3rd Semester are allowed to continue for IV Semester as per above rule.

12. Project Report:

Every student should go for in-plant training after the Semester- II examination. In -Plant training duration is of 50 days.

13. Fee Structure: As per Shikshan Shulk Samiti, Govt. of Maharashtra

Equivalence: M.B.A. Part-I Sem-I

| Paper No. | Pre-revised | Paper | Revised |

Eight faculty workload
 Additional electives workload
 Total course workload
 108 per week
 20 per week
 128 per week

TENTATIVE FACULTIES BREAK UP of one division (i.e.60 intakes)

| Sr. No. | Designation | Subject | Number of Posts | Workload per week as per AICTE Norms | Total work- loads |
|------------|-------------------------|---|--------------------|---|-------------------------|
| 1 | Director / Professor | General Management | 01 | 04 | 04 |
| 2 | Assistant Professor | General Management Functional Area of Management (Marketing Mngt. Financial Mngt., Production Mngt., Systems Mngt.) (Assistant Professor in Functional area of Management is as per Institutes requirement) | 02 | 10-12 | 24 |
| 3 | Lecturer | Marketing Management Financial Management Production Management Systems Management Human Resource Management Agriculture and Co-operative Management Textile Management | 05 | 14-16 | 80 |
| | | Total workload of one division i.e. 60 intake of above first five electives | 8 | | 108 |

Note:

- 1. There are five posts of lectures for above first five elective area of management. The post of lecturer is allotted to each subject electives except the subject in which the post of assistant professors is filled.
- 2. College / institute may provide any five above electives for eight full time faculties (1+2+5). If college/Institute wants to provide additional electives such as Agriculture & Co-operative Management and Textile Management, then additional faculty in respective area should be appointed for each additional elective before commencement of academic year.
- 3. Looking towards the workload of General Management Subject it seems relevant to allot a senior faculty of Assistant Professor Grade to General Management area. Another post of Assistant Professor should allot to any area of functional management i.e. Marketing Management, Financial Management, Production Management, Systems Management, Human Resource Management and Agriculture and Co-operative Management as per the requirement of institute.
- 4. The functional area of management in which the second post of assistant professor is allotted in the same functional area of management the post of lecturer should not be given and the rest areas of management should be considered on the post of lecturer.
- 5. For fulfilling the workload as per norms of a faculty; concerned head of the institute is at discretion to allot workload of other subjects than of the core area looking towards the competency of faculty.

Staff pattern (for 60 intake)

| Sr. No. | Designation | Subject | No. of Post |
|---------|---------------------|-------------------------------|-------------|
| 1. | Director | General Management | 1 |
| 2. | Assistant Professor | General Management | 1 |
| 3. | Assistant Professor | Functional Area of Management | 1 |
| 4. | Lecturer | Financial Management | 1 |
| 5. | Lecturer | Marketing Management | 1 |
| 6. | Lecturer | Human Resource Management | 1 |
| 7. | Lecturer | Systems Management | 1 |
| 8. | Lecturer | Production Management | 1 |
| 9. | Lecturer | Agriculture and Co-operative | 1 |
| | | Management | |
| 10. | Lecturer | Textile Management | 1 |

JUSTFICATION OF CALCULATION OF NUMBER OF TEACHING STAFF

http://www.aicte.ernet.in/appforms.htm

Approval Process Handbook (2008-2009)- Part-I

http://www.aicte.ernet.in/download/aph_pdf, 11.07.09, 1215 hrs. Page no.62 point 14.6, reads following table regarding full time faculty appointment at MBA.

| Sr. No. | Class | Director | No. of | No. Of | No. of | Total | No. of |
|---------|----------|----------|------------|--------|-----------|-------|--------------|
| | | | professors | A.P. | Lecturers | | Technical |
| | | | | | | | Supporting |
| | | | | | | | Staff. |
| 5 | MBA/PGDM | 1 | p | AP | L | T | 1 Lab Asst. |
| | or MCA | | | | | | Per Lab. + 2 |
| | | | | | | | Maintenance |
| | | | | | | | Staff. |

```
P= (Approved Students Strength)/. [15x(1+2+6)]-1
P1=(Approved Students Strength)/. [10x(1+2+6)]-1
AP=2x(Approved Students Strength)/. [15x(1+2+6)]
AP1=2x(Approved Students Strength)/. [10x(1+2+6)]
L=6x(Approved Students Strength)/. [15x(1+2+6)]
L1=6x(Approved Students Strength)/. [10x(1+2+6)]
T=(Approved Students Strength)/15
T1=(Approved Students Strength)/10
```

Calculations of teaching staff as per above directions for a single batch of 60 students intake comes to:

```
1.P=(Approved Students Strength)/. [15x(1+2+6)]-1
= 60/[15x(1+2+6)]-1
= 60/(15x9)-1
= 60/135-1
= 0.44-1
= -0.55
2.AP=2x(Approved Students Strength)./ [15x(1+2+6)]
=2x120/135
=1.77
3.L=6x(Approved Students Strength)/. [15x(1+2+6)]
=6x120/135
=5.33
```

From above calculation-0.55 Professor, 1.77 Assistant Professors and 5.33 Lecturers are required.

To rounded up the figures to the nearest, no professor, 2 Assistant Professors and 5 Lectures are required as per stated norms. The total of faculty strength goes to 8 (1 Director +2 Assistant Professor+5Lectures).

In the documents of AICTE and Handbook on AICTE states

Faculty cadre ratio=1:2:6

It is colloquial practice to consider Director is equivalent to Professor. So One Professor, two Assistant Professor and five Lecturers.

And Teacher student ratio is 1:15 Now for a intake of one batch of 60 students total strength comes to 120. Applying ratio i.e. 120/15 comes to 8 faculties for one batch.

There finds contradiction in Faculty Cadre Ratio and Teacher Student ratio given by AICTE.

The information given above in tabulation and Teacher student ratio matches.

Hence, one director, two assistant professors and five lecturers posts (total strength of teaching staff is 8) for one batch (120 students i.e. 60 students of first year and 60 students of second year) should filled in by institute running full time MBA AICTE approved program.

Revised Syllabus of Master of Business Administration (M.B.A.) Part-II (Sem. III & IV) Choice Based Credit System - (CBCS) (Introduced from June 2017 and Onwards)

To be implemented from the academic year 2017-2018 onward

M.B.A.- II SEM. III

CORPORATE PLANNING & STRATEGIC MANAGEMENT

MBA-II SEM-III PAPER - XVIII PROJECT REPORT AND VIVA VOCE

Student has to undergo a practical training of minimum fifty days. MBA being professional course it is essential for each student to practically apply or understand theoretical concepts what he/she learn during the course. During the training programme student is expected to collect vital information through internal and external source so as to reach concrete conclusions on the given subject. Student has to prepare the project report under the guidance of internal teacher .Director/Principal of the institution/college will decide the last date of submission of final copy.

Student should submit two typed copies to the Institute. One copy for the institute and another copy for his/her personal record. Students may prepare additional copies for the organization, guide etc. A viva-voce examination will be conducted after the Semester III examination. Aviva-voce committee will be appointed by the university. A committee will consist of 4members. Every district will have a separate committee for viva-voce.

UNIVERSITY GUIDELINES FOR PROJECT WORK:

A student has to take project work at the end of first year (second semester) of MBA.

- 1. Management project is done individually.
- 2. Student should take guidance from allotted guide.
- 3. Four copies of "Project Work" should be submitted to the Director of the Institute in stipulated time (One copy each for Student, Guide, Company where project is done and institute library).
- 4. The nature of project work should be such that it could be useful for concerned organization, industry and students as well.
- 5. The project report shall be duly assessed by the internal guide to the subject and marks shall be communicated by the Director to the University after receiving the Seat Numbers from the University along with the marks of internal credit from theory and practical to be communicated for all other courses.
- 6. The project work will carry 50 marks for internal assessment and 50 marks for external viva. The external viva shall be conducted by a maximum of four external examiners. This assessment criterion is subject to change.
- 7. Student should not use logos and name of company on the project report pages.
- 8. Header and Footer shall consist of university name and institute name respectively. No other information should be included in the Header and Footer.
- 9. Use of colours in text matter should be avoided.

DETAILS OF PROJECT REPORT

TITLE

Title of research should be specific in nature, it should be short, crispy and should reflect management problem.

CONTENTS

The contents should be given in the following manner in tabular form

| Sr. No | Chapter | Page No. |
|-----------|---------|----------|
| | | |

- a. Serial number of the chapter.
- b. Heading of the chapter
- c. Page numbers

IN SHORT THE FORM OF PROJECT REPORT IS AS GIVEN BELOW

Preface

- a) Certificate of the organization
- b) Declaration by Guide
- c) Declaration of Students
- d) Acknowledgement

Contents/ index

Heading of the chapter, page numbers, sub headings of the chapter.

Chapter I – Introduction to the study & Methodology

- 1.1 Introduction
- 1.2 Objective and importance of the study
- 1.3 Scope and limitations of study
- 1.4 Research Methodology

Chapter II - Theoretical Background

Chapter III – Introduction

- a. Name of the unit
- b. Location or address of the unit
- c. Brief history of the unit and present position
- d. Financial position
- e. Organization chart

Chapter IV - Analysis or Interpretation of Data

Chapter V – Findings, Suggestions and Conclusions

Appendices

Bibliography

APPENDICES

The document charts, questionnaires, tables, schedules etc which are actually referred to in the body of the project report (this consists of chapters I to VI) are to be included under appendix or appendices. So, the appendices may include.

- a. Questionnaires used for collecting information.
- b. Schedules used for collecting information.
- c. Tables formed for presenting the data.
- d. Documents/forms etc., refereed to in the body of the project report.
- e. Diagram, graphs etc. referred to in the body of the project report.
- f. Guide student meeting record form.

BIBLIOGRAPHY

Bibliography means list of books, journals, published work actually referred to or used in the writing of the project report. This is not a separate chapter. The bibliography has to be written in a specific manner. It must be in the following manner.

The name of author (surname followed by initials), title of the book (is to be underline), year of publication, place of publication, number of the edition, name of the publisher in full (address), pages referred to. Or bibliography should be written following international standards as APA or MLM system.

MBA Part – II, Semester – III Elective – IV: Production Management Paper – I: Operations Management Strategies.

I) Concept of Manufacturing and Operations Strategy:

Operation strategies in global economy –Today's global business conditions – Formation of operations strategy – Capacity planning – Formulation & implementation of manufacturing policies – Building competitive advantage through manufacturing policy – Technology management and competitiveness

II) Design of Organizations:

Structure – Human factor in Production – Product life testing – Product designing – standardization – Principles of diversification and implementation.

III) Product Development:

Salient features – Production Process design and engineering layout – Design of jigs and fixtures – Flexible manufacturing system.

IV) Production system and project scheduling

Analysis of production system, planning for project production system, crashing, manpower planning through PERT, CPM – Utility data and time cost curves – Direct indirect cost, Optimum cost, resources allocation and leveling – project programme review – Updated network – Activity based costing.

Books Recommended:

- 1) Norman Gaither, Greg Fraizer, "Operations Management" Thomson Asia Pvt. Ltd., Singapore
- Chary S.N. "Production and Operations Management", Tata McGraw Hill, New Delhi.
- 3) Joseph S. Martin, "Production & Operations Management An applied modern Approach" John Wiley and Sons (Asia) Pvt. Ltd., Singapore.

MBA Part – II, Semester – III Elective – IV: Production Management Paper – II: Production Planning & Control

I) Introduction to Production Planning & Control:

Production Planning – Objectives & Importance, Production control – Objectives, Scope and Importance. Elements of Production Planning & control, PPC in various manufacturing. systems, Aggregate Planning, Capacity Planning & shop floor planning.

II) Production Planning:

Work order preparation, Material planning – factors, techniques of material planning, Process planning – steps, Route sheets, Documents in Process planning, loading & scheduling – inputs for scheduling, Gantt Chart, Techniques of Scheduling.

III) Production control

Concept, functions of dispatching, dispatching in different situations, documents in dispatching, follow up – concepts, functions and documents in follow up.

IV) Implementation of PPC

Line balancing, Job shop scheduling, simulation – role of computer in PPC, Technologies in Manufacturing – JIT, FMS, CIM, ,robotics, Group technology.

Books Recommended:

- 1) Burbridge "Principles of Production Control"
- 2) Garret Leonard J, Silver Milton "Production Management Analysis"
- 3) Norman Gaither, Greg Faizer "Operations Management Thomson Asia Pvt. Ltd."
- 4) Le j, Krajwewski and Larry P ritzman, Operations Management "Strategy and Analysis", Pearson Education (Singapore) Pvt. Ltd. Indian Branch.

MBA Part – II, Semester – III

Group – **Elective – IV**: : Production Management Paper – III: Materials and Inventory Management

I. Introduction to Materials. Management

Meaning, Objectives, Importance of materials management, Purchasing of material, types of purchasing, organization structure of purchase department.

II. Inventory Planning

Demand management, qualitative & quantitative forecasting techniques, Purpose of inventory, Inventory cost, Lot size & safety stock, Material requirement planning, Bill of Material, M R P records.

III. Inventory Control:

Inventory models - EOQ, Inventory Model with price discounts, Selective Inventory Control techniques - ABC, VED, HML, FSN, fixed order period model

IV. Other aspects of Materials. Management

Codification, standardization, material handling, stores management, location of warehouses, supply chain & Physical distribution management.

Books recommended:

M.B.A. Part-II Semester-III Elective VI : Paper-I: Agri- Business Management

Preamble :- Agriculture is the main occupation of Indian population, since ancient period to now-a-days also, the rate of overall development of Indian economy depends upon the growth rate of agricultural sector. There are changes in globalization period in world economy and new initiatives to link Indian economy with global economy so, it is essential to change the role of Indian agriculture regarding the agricultural management, policy formulation etc. This necessitates an understanding of the structure of Indian agriculture, agricultural products market structure for agri-good, inputs, inputs, ok so, it is necessary to students have a knowledge of agricultural practices.

Objectives:-

- 1) Students should know the nature of agri business management
- 2) To make the students aware about the basic principles of agri- business management
- 3) To encourage the students about the agro-processing industries in India
- 4) To make the students aware about the agri-input supply Industries in India.

| Unit | Introduction Agri-business | Hours |
|-----------------|---|-------|
| No. 1: | | |
| Theory | Nature and scope of Agri-business, Importance of Agri-business Management, Difference between farm and non farm sectors, Demand for agri products and it's determining factors, Supply of Agri- products and it's determinants. | 10 |
| Practical | Presenting a seminar on farm and non-farm sector. Visit to any rural industry and prepare a report. | 5 |
| Unit No. 2 : | Basic principles of Agri-business management | |
| Theory | The value of farm production-farm prices, quality & price – cost of production- fixed and variable costs- Gross margins- comparative advantage- supplementary enterprises- Laws of returns- measurement of agricultural cost, ABC analysis. | 10 |
| Practical | Visit any Rural Industry and study the value chain and value addition of farm product its cost, quality and price. | 5 |
| Unit No.3: | Agro-processing industries in India | |
| Theory | -Sugar industry- Dairy processing –Cotton textiles – Oil Seeds processing- Sericulture, Horticulture, and floriculture processing – Medicinal plants. Problems and prospects of Agro-processing industries in India. | 10 |
| Practical | Prepare the case study on any agro processing industry to study the problems and prospects of agro processing industries. | 5 |
| Unit No. 4: | Recent Trends in Agri-business Management | |
| Theory | ITC e-choupal, Contract Farming, Precision Farming, Organic Farming and logistics in agri products in India. | 10 |
| Practical | Case study on contract farming, precision farming and logistics in agri products in agri products. | 5 |

M.B.A. Part-II Semester-III Elective VI:

Paper-II: Agricultural Marketing

Preamble: - The agricultural situation in India has undergone a rapid change in Economic reform period. Investment in agricultural sector, both in public and private sectors, has risen. Agricultural marketing policies have also undergone substantial changes. In this syllabus we have kept in view the changes in the entire environment in which agricultural marketing system functions. It is necessary to kept the importance at retaining some of the policies, programmes and practices which constituted an important part of the agricultural marketing system till today. Students have to know about the agricultural pricing and role of CACP in pricing of agri. Products. This syllabus provides a proper knowledge & guidance about agricultural marketing.

Objectives:-

- 1) To understand the meaning, nature and structure of agricultural marketing
- 2) To study the marketing functions & system.
- 3) To study the pricing of agricultural products.

| Unit No. 1: | Agricultural Marketing | Hours |
|-------------|---|-------|
| Theory | - Meaning and scope | 10 |
| | - Market structure, factors influencing marketable surplus. | |
| | - Estimation of marketable and marketed surplus. | |
| | - Agriculture marketing and Economic development | |
| | - Scientific marketing of farm products. | |
| | - Characteristics of a good marketing system | |
| Practical | Visit any agro industry/APMC to study their marketing system and submit a | 5 |
| | report. | |
| Unit No. 2: | Marketing Functions | |
| Theory | - Meaning and Classification | 10 |
| | - Grading and Standardization | |
| | - Storage and Warehousing | |
| | - Packaging and Transportation | |
| | - Processing and Value addition | |
| Practical | Visit any agro industry and study any one marketing function i.e. Grading | 5 |
| | and Standardization, Storage and Warehousing, Packaging and | |
| | Transportation, Processing and Value addition. | |
| Unit No.3: | Marketing System | |
| Theory | - Rural Marketing – Types | 10 |
| | - Alternative marketing systems | |
| | - Marketing of farm inputs- Chemical fertilizers, seeds, pesticides, farm | |
| | machinery. | |
| | - e-marketing | |
| | - Marketing Channels | |
| | - Promotion of agricultural products. | |
| | - Marketing institutions – Public sector, Private sector & Cooperative sector | |
| Practical | Conduct a field visit of agro industry or agro service centers and submit a | 5 |
| | report on marketing channel /marketing of farm inputs. | |

| Unit No. 4: | Pricing of Agricultural Commodities | |
|-------------|--|----|
| Theory | - Pricing decisions- factors influencing pricing decisions | 10 |
| | - Administered prices | |
| | - Role of commission for agriculture costs and prices (CACP) | |
| | - Minimum support price & procurement price | |
| | - Statutory price control and rationing | |
| Practical | Visit any agro industry and indentify the different cost and pricing practices | 5 |
| | and prepare a report. | |

M.B.A. Part-II Semester-III Elective- V I

Paper-III: AGRIPRENEURSHIP AND PROJECT MANAGEMENT

Preamble:- Entrepreneurship has a great application to modern agriculture as producers are searching for new ways to increase their incomes. This has forced many agriculturists to look for contemporary farm management practices that allow them for greater value creation. India being an agrarian economy, development of agriculturists becomes a vital issue. This will in turn minimize the disparities between urban and rural development. The syllabus is designed to explore entrepreneurial opportunities in the agribusiness sector while at the same time exposes students to basic issues of agri-project planning.

Objectives:-

- 1. To understand importance of entrepreneurship development amongst agriculturists
- 2. To understand the importance of agricultural project management.
- 3. To understand the importance of agro tourism.

| Unit | Introduction to Agripreneurship | Hours |
|-----------|---|-------|
| No. 1: | | |
| Theory | Entrepreneurship, Meaning, definition, characteristics of successful | 10 |
| | entrepreneur, importance of entrepreneur for economic development, | |
| | Concept of agripreneurship. Agripreneurship Qualities and Skills. | |
| Practical | A Case study of successful agripreneur followed seminar presentation | 5 |
| | in your area. | |
| Unit | Farm management and Agri-preneurship development | |
| No. 2: | | |
| Theory | Meaning, scope, definition and objectives of farm management and its | 10 |
| | relation with other services, farm management decisions, Agri | |
| | production economics vis-à-vis farm management; | |
| | Institutional support for agripreneurship development, education and | |
| | training to agripreneurs, extension services. Farm Budgeting. | |
| Practical | Visit any farm/ agro training center/ agri support institutions and study | 5 |
| | the management practices and submit a report. | |
| Unit | Agricultural Projects | |
| No.3: | | |
| Theory | Meaning, definition and concept, Types of agricultural projects relating | 10 |
| | to Food processing industry, green house, polyhouse, floriculture, | |
| | horticulture and sericulture. | |
| Practical | Visit any agro industry and prepare a project report on any one i.e. | 5 |
| | green house, floriculture, horticulture, sericulture etc. | |
| Unit | Agro Tourism | |
| No. 4: | | |
| Theory | Definition, Scope and Potential of rural territory in terms of agro | 10 |
| | tourism, The specifics of business in agrotourism, New experiments in | |
| | agro tourism, Challenges before agro tourism. | |
| Practical | Visit any agro tourism center and practically observe agro tourism | 5 |
| | practices and prepare a report. | |

M.B.A.-II SEM. III Elective VII – Textile Management PAPER I - FIBRE TO YARN MANUFACTURING

| Marks: 80 | Total Hours of Teaching: 60 | Theory: 40 | Practical: 20 | | |
|--------------------|---|------------------------------|---------------|--|--|
| Syllabus Contents: | | | | | |
| Unit 1: a) Theory | Introduction to understand basic of | 10 Hours | | | |
| | yarn manufacturing (Spinning pro | | | | |
| | fiber, fiber classification in detail | | | | |
| | (Filament, Textured yarn, Spun Stap | ole), | | | |
| | Cotton Fiber Cultivation & Ginning | * | | | |
| | cotton cultivation, pricking, ginning | , bale packing. Cotton | | | |
| | varieties & their characteristics | | | | |
| b) Practical | Collect samples of different type of te | extile fibres. Observe these | 5 Hours | | |
| | samples carefully, and note down the record book | fibre properties in your | | | |
| Unit 2: a) Theory | Fiber characteristics required for spun | yarn production. | 10 Hours | | |
| | Process flow chart for conversion of | | | | |
| | a) Mixing & Blow room – Objects of opening & cleaning, . | | | | |
| | Machines used opening & cleaning. C | Chute feed system. | | | |
| | b) Carding – Objects of carding, construction, | | | | |
| | c) Draw frame – Concept of drafting, objectives of draw frame. | | | | |
| | d) Comber Preparatory – Machine sec | | | | |
| | preparatory, objectives of comber pre | | | | |
| b) Practical | Visit any spinning mill for understand process in detail. Yarn forming video shown. | 0. | 5 Hours | | |

| | | 30 | |
|---|--|----------|--|
| Unit 3: a) Theory | Yarns Numbering System:- Count calculations | 10 Hours | |
| | • Direct system, indirect system, study of Tex Denier, English, Metric, Worsted, Woolen etc. systems. | | |
| | Study of folded yarn, resultant yarn count calculations | | |
| | • Introduction to conversions between different systems of yarn numbering. | | |
| b) Practical | Visit to any yarn manufacturing unit and collect count details of yarn and determine the formulas for yarn numbering systems. | 5 Hours | |
| Unit 4: a) Theory | Spinning Preparatory & Spinning:- | 10 Hours | |
| | a)Speed frame – Objectives of speed frame, description of machine, delivery package, Twisting system. | | |
| | b)Ring Frame – Objectives of ring frame, description of machine, c)Winding – objectives and process sequence. | | |
| | New Spinning Systems :- Introduction to | | |
| | a) Compact spinning system. | | |
| | b) Rotor spinning system. | | |
| | c) Air Jet spinning system. | | |
| | d) Twist less pinning system | | |
| b) Practical | Collect samples of different type of yarns like Cotton yarn, Syntheticyarn, Ring spun yarn, Open end yarn and Air jet spun yarn and down yarn properties in your record book. | 5 Hours | |
| Note: Relevant case studies based on the above units should be discussed in the class. | | | |

M.B.A.-II SEM. III Elective VII – Textile Management PAPER-II - FABRIC MANUFACTURING

| Marks: 80 | | Total Hours of Teaching: 60 | Theory: 40 | Practical: 20 |
|----------------------|---|-----------------------------|------------|---------------|
| Syllabus Contents: | | | | |
| Unit 1: a) Theory | Introduction to fabric forming such on weaving, knitting and non-woven. Brief general discussion about processes involved in these methods Different types of fabrics and their end use. | | | 10 Hours |
| b) Practical | Collect samples of different type of fabrics. Stick them in your Record Book. Observe these samples carefully, and note down in your record book | | | 5 Hours |
| Unit 2: a) Theory | Flow chart for woven fabric Basic terminologies like Warp, Weft, End, Pick, Selvedge | | | 10 Hours |
| b) Practical | Visit any weaving shed and study flow chart for woven fabric | | 5 Hours | |
| Unit 3: a) Theory | Warp Preparation — Object and passage of yarn through Winding machine, Functions of various Important parts like creel, ten sioner, clearer, winding drum. Features of automatic Winding Machine. Objects and passage of yarn through Beam Warping Machine. Objects and need of Sectional Warping Machine. Objects and need of Sizing, Functions of various important parts like creel, sow box, drying system, and head stock. | | 10 Hours | |
| b) Practical | Visit warping unit and study objectives and process of warping | | 5 Hours | |

| | | 52 | |
|---|--|----------|--|
| Unit 4: | Fabric Forming – | 10 Hours | |
| a) Theory | i) Weaving – Classification of looms. Concept of weaving of fabric. Passage of warp through the plain loom. Various motions used on loom. Shedding, Picking, Beat Up –Let off, Take Up motion Auxiliary Motions – Objects of Weft Stop Motion, Warp protecting motion, Temple, Brake Limitations of Shuttle Loom. Features of Automatic Loom, Principles of picking of Projectile, Rapier, Air Jet and Water Jet. ii) Knitting – Comparison of Knitting with Weaving. Structure of single jersey, Rib & Interlock fabrics. Types of stitches and their functions. Structure of Warp Knitted fabric and its applications. | | |
| Unit-5 Fabric Structure | Unit-5 Fabric Structure – Introduction to interlacement of threads, methods of representation of warp weft interlacement on graph paper. Design, draft, peg plan and denting order of plain, twill and satin weaves— ii) Fabric weight of woven fabrics Warp, Weft. Sizing Cost, Cost of Fabric. | | |
| b) Practical | Collect samples of different type of woven fabrics. Stick them in your Record Book. Observe these samples carefully, identify their weaves and note down in your record book | 5 Hours | |
| Note: Relevant case studies based on the above units should be discussed in the class. | | | |

- 1) Weaving Mechanism by FOX.
- 2) Weaving Mechanism by Chakraborty.
- 3) Weaving Mechanism by N.N. Banerjee.
- 4) Winding & Warping by Dr. M.K. Talukdar.
- 5) Fancy Weaving by K.T. Aswani.
- 6) Textile Design &Colour by Watson.

M.B.A. Part-II Semester-IV Elective VI:

Paper-IV: International Trade in Agriculture

Preamble: International trade is vital to the Indian agricultural sector. The economic liberalization initiated in 1991, effected a significant change in Indian agricultural trade. The changes in composition, volume and direction of trade have to be examined in view of compulsions created by WTO commitments. Indian agriculture is increasingly being perceived as an unrewarding profession. However, the trade policy initiatives in various sectors of agriculture and the export promotion measures can turn agriculture into a profitable profession. The contents of this paper will provide basic framework and operational understanding of international trade in agriculture.

Objectives:-

- 1. To gain an understanding of important theoretical and applied issues in international trade
- 2. To examine performance of India's agricultural trade.
- 3. To study International marketing system with quality and regulatory Standards for agricultural produce.

| Unit No. 1 | An Introduction to international trade & WTO | Hours |
|------------|---|-------|
| : | | |
| Theory | -Meaning, Scope, Theory of comparative cost advantage, Gains from trade; -Trade Policies- Tariffs, quotas, subsidies; -WTO, Agreement on agriculture (AOA), WTO agreements & Indian Agriculture, Future challenges for WTO. | 10 |
| Practical | Visit any agro product exporting unit and study trade policies and submit a report. | 5 |
| Unit No. 2 | Present scenario of India's agricultural trade | |
| : | | |
| Theory | Performance of Indian agricultural trade -Composition, Volume and direction of trade, -Share of agricultural products in total imports and exports of India, -Overview of World agricultural trade, India's share in world trade, | 10 |
| | -Problems and prospects of International Trade of agricultural products. | |
| Practical | Conduct a field visit to any agro industry and study the problems and prospects of agri export. | 5 |

M.B.A. Part-II Semester-IV Elective VI:

Paper-V: Agri-Business Finance Management

Preamble:-Agriculture and agri-business has been the main occupation in the Indian economy, where almost 70% of the population still depend on this sector for their livelihood. In recent times there has been a great change in the development of this sector, which has been responsible for raising the per capita income and also has been a major contributor to the National Income, in spite of the erratic behaviour of Nature, which is also partly responsible for the disparities in this sector. The globalization and post WTO scenario has also played its role in this development, which can be seen in the following chapters

Objectives:-

- 1. To understand the concepts of agricultural finance and financial management.
- 2. To microfinance in India.
- 3. To create awareness about agricultural indebtedness in India and financial support to agribusiness.
