

## UG Courses

### 1) B.A. English (Honours)

Eligibility Criteria for Application: Compulsory Subject(s) in +2 level: English

[for WBHS, both English A & English B are eligible]

Aggregate calculation: English + Any 3

Marks requirement for Application: 60% in Aggregate

Selection: On the basis of index calculated with the board marks in +2 level

Index Calculation:  $(2 \times \text{ENG}\%) + \text{AGG}\%$  (OUT OF 300)

### 2) B.A. Political Science (Honours)

Eligibility Criteria for Application: Compulsory Subject(s) in +2 level: English

Aggregate calculation: English + Any 3

Marks requirement for Application: 60% in Aggregate

Selection: On the basis of index calculated with the board marks in +2 level

Index Calculation:  $\text{ENG}\% + \text{AGG}\%$  (OUT OF 200)

### 3) B.A. Sociology (Honours)

Eligibility Criteria for Application: Compulsory Subject(s) in +2 level: English

Aggregate calculation: English + Any 3

Marks requirement for Application: 60% in Aggregate

Selection: On the basis of index calculated with the board marks in +2 level

Index Calculation:  $\text{ENG}\% + \text{AGG}\%$  (OUT OF 200)

### 4) B.A. Bengali (Honours)

Eligibility Criteria for Application: Compulsory Subject(s) in +2 level: Bengali

Aggregate calculation: Bengali + Any 3

Marks requirement for Application: 60% in Aggregate

Selection: On the basis of index calculated with the board marks in +2 level

Index Calculation:  $(2 \times \text{BENG}\%) + \text{AGG}\%$  (OUT OF 300)

5) B.A. GENERAL

Eligibility Criteria for Application: Compulsory Subject(s) in +2 level: English

Aggregate calculation: English + Any 3

Marks requirement for Application: 50% in Aggregate

Selection: On the basis of index calculated with the board marks in +2 level

Index Calculation:  $\text{ENG}\% + \text{AGG}\%$  (OUT OF 200)

6) B.SC. Mathematics (Honours)

Eligibility Criteria for Application: Compulsory Subject(s) in +2 level: Mathematics

Aggregate calculation: Mathematics+ Any 3

Marks requirement for Application: Agg 60% & Mathematics 60%

Selection: On the basis of index calculated with the board marks in +2 level

Index Calculation:  $2 \times \text{MATHEMATICS}\% + \text{AGG}\%$  (OUT OF 300)

7) B.SC. Physics (Honours)

Eligibility Criteria for Application: Compulsory Subject(s) in +2 level: Physics & Mathematics

Aggregate calculation: Physics + Mathematics + any 2

Marks requirement for Application: Agg 60% & Physics 60%

Selection: On the basis of index calculated with the board marks in +2 level

Index Calculation:  $(3 \times \text{PHYS}\%) + (2 \times \text{MATH}\%) : (\text{OUT OF } 500)$

8) B.SC. Chemistry (Honours)

Eligibility Criteria for Application: Compulsory Subject(s) in +2 level: Chemistry, Physics & Mathematics

Aggregate calculation: Chemistry + Mathematics + Physics + any 1

Marks requirement for Application: Agg 60% & Chemistry 60%

Selection: On the basis of index calculated with the board marks in +2 level

Index Calculation:  $(3 \times \text{CHEM}\%) + \text{MATH}\% + \text{PHYSICS} (\text{OUT OF } 500)$

9) B.SC. Economics (Honours)

Eligibility Criteria for Application: Compulsory Subject(s) in +2 level: Mathematics (Business Mathematics is not accepted)

Aggregate calculation: Mathematics + any 3

Marks requirement for Application: Agg 60% & Mathematics 60%

Selection: On the basis of index calculated with the board marks in +2 level

Index Calculation:  $\text{AGG}\% + \text{MATH}\% (\text{OUT OF } 200)$

10) B.SC. Statistics (Honours)

Eligibility Criteria for Application: Compulsory Subject(s) in +2 level: Mathematics

Aggregate calculation: Mathematics + any 3

Marks requirement for Application: Agg 60% & Mathematics 60%

Selection: On the basis of index calculated with the board marks in +2 level

Index Calculation:  $\text{AGG}\% + \text{MAXIMUM of } \text{MATH}\% \text{ or } \text{STAT}\% (\text{OUT OF } 200)$

11) B.SC. Computer Science (Honours)

Eligibility Criteria for Application: Compulsory Subject(s) in +2 level: Physics & Mathematics

Aggregate calculation: Physics + Mathematics + any 2

Marks requirement for Application: Agg 60% & Mathematics 60%

Selection: On the basis of index calculated with the board marks in +2 level

Index Calculation:  $(2 \times \text{MATH}\%) + \text{PHYS}\% + \text{AGG}\%$  (OUT OF 400)

12) B.SC. Microbiology (Honours)

Eligibility Criteria for Application: Compulsory Subject(s) in +2 level: Biology/Biotech, Chemistry, Physics & Mathematics

Aggregate calculation: Physics + Chemistry + Biology/Biotech + Mathematics

Marks requirement for Application: Agg 60%, Biology 60% & Chemistry 60%

Selection: On the basis of index calculated with the board marks in +2 level

Index Calculation:  $\text{AGG}\% + \text{BIO}\% + \text{CHEM}\%$  (OUT OF 300)

13) B.SC. Mass Communication (Honours)

Eligibility Criteria for Application: Compulsory Subject(s) in +2 level: English

Aggregate calculation: English + Any 3

Marks requirement for Application: 60% in Aggregate

Selection: On the basis of index calculated with the board marks in +2 level & Admission Test Marks

Index Calculation:  $\text{AGG}\% + 2 \times \text{ADMISSION TEST}\%$  : (OUT OF 300)

14) B.M.S. (Honours)

Eligibility Criteria for Application: Compulsory Subject(s) in +2 level: English & (Maths/B.Maths/Stats)

Aggregate calculation: English+( Maths/B.Maths/Stats) + any two

Marks requirement for Application: Agg 60%

Selection: On the basis of index calculated with the board marks in +2 level & Admission Test Marks

Index Calculation:  $(AGG\% / 2) + ADMISSION\ TEST\ (50) : (OUT\ OF\ 100)$

15) B.Com. (Honours)

Eligibility Criteria for Application: Compulsory Subject(s) in +2 level: English + ( Maths / B.Maths / B.Maths & Eco / Stats)

Aggregate calculation: English + ( Maths / B.Maths / B.Eco including Maths / Stats) + ANY TWO

Marks requirement for Application: Agg 60%

Selection: On the basis of index calculated with the board marks in +2 level

Index Calculation: AGG%

#### Integrated PG Courses

1) M.Sc. Biotechnology (Integrated)

Eligibility Criteria for Application: Compulsory Subject(s) in +2 level: Biology/Biotech, Chemistry, Physics & Mathematics

Aggregate calculation: Physics + Chemistry + Biology/Biotech + Mathematics

Marks requirement for Application: Agg 60%, Biology 60% & Chemistry 60%

Selection: On the basis of index calculated with the board marks in +2 level

Index Calculation:  $AGG\% + BIO\% + CHEM\% (OUT\ OF\ 300)$

2) M.Sc. Multimedia (Integrated)

Eligibility Criteria for Application: Compulsory Subject(s) in +2 level: English

Aggregate calculation: English + Any 3

Marks requirement for Application: 60% in Aggregate

Selection: On the basis of index calculated with the board marks in +2 level

Index Calculation:  $AGG\% + ADMISSION\ TEST\% : (OUT\ OF\ 200)$

Raghabpur Campus:

(Aggregate is calculated on the basis of best 4 subjects in Plus 2 level)

1) B.A. Bengali (Honours)

Eligibility Criteria for Application: Compulsory Subject(s) in +2 level: Bengali

Aggregate calculation: Bengali + Any 3

Marks requirement for Application:

50% in Bengali and 50% in Aggregate for General candidates

45% in Bengali and 45% in Aggregate for Reserved category candidates

Selection: On the basis of index calculated with the board marks in +2 level

Index Calculation:  $(2 \times \text{BENG}\%) + \text{AGG}\%(\text{OUT OF } 300)$

2) B.A. History (Honours)

Eligibility Criteria for Application: Compulsory Subject(s) in +2 level: --

Aggregate calculation: ANY 4 SUBJECTS

Marks requirement for Application: 50% in Aggregate for General candidates and 45% in Aggregate for Reserved Category candidates

Selection: On the basis of index calculated with the board marks in +2 level

Index Calculation: AGGREGATE%

3) B.COM. HONOURS

Eligibility Criteria for Application: Compulsory Subject(s) in +2 level: --

Aggregate calculation: ANY 4 SUBJECTS

Marks requirement for Application: 50% in Aggregate for General candidates and 45% in Aggregate for Reserved Category candidates

Selection: On the basis of index calculated with the board marks in +2 level

Index Calculation: AGGREGATE%

4) B.A. GENERAL

Eligibility Criteria for Application: Compulsory Subject(s) in +2 level: --

Aggregate calculation: ANY 4 SUBJECTS

Marks requirement for Application: 50% in Aggregate for General candidates and 45% in Aggregate for Reserved Category candidates

Selection: On the basis of index calculated with the board marks in +2 level

Index Calculation: AGGREGATE%
