MESSAGE FROM PROFESSOR - IN - CHARGE

I am filled with immense pleasure as yet another successful season of final placements in NITIE for the class of 2017, comes to a close.

The final placements for the class of 2017 was remarkable as NITIE saw a diverse mix of companies spread across various domains and functions, offering niche roles to the students. As always, NITIE remained the choice of recruiters for Supply Chain and Operations role. However, other domains of management, be it Finance or Marketing also made their presence felt in the placement season.

This success couldn't have been achieved without the stellar performance of the class of 2017 batch who lived up to the high standards of NITIE. I would also like to express my gratitude to our Hon'ble Director and Dean, Student Affairs & Placement team for their unwavering support.

My earnest thanks to all the new and old recruiters who have shown faith in NITIE. Finally, appreciation is due to the student placement committee and all staff of the Placement office who strived hard to achieve this feat.
