## **UG Admissions into 6 Year Integrated B.Tech Program for the Academic Year 2019 – 20**

### **WEBNOTE**

It is to inform all the applicants who desired to get admission under “Unfilled Global Category” that the counselling, under Phase – IV, will be held at RGUKT – Basar on 20.08.2019 at 11:00 AM.

Unfilled-Global category seats are the supernumerary seats which were left over after filling up the Global Category seats. Thus, the admission procedure and University policy for these Unfilled-Global category seats are same as that of the Global Category seats which means the students will not have fee-reimbursement (no scholarship provision) and the total tuition fee per annum will be Rs. 1,40,700/- for OC/BC category and Rs. 1,40,200/- for SC/ST category. The fee may vary in future depending the policy decisions of the University. The candidates shall pay the requisite fee on the date of admission i.e., 20.08.2019 itself; otherwise, the seat may be allotted to the next best candidate on merit basis.

There are only 32 seats vacant in this category.

The candidates are being called in 1:110 ratio (down till 7.0 CGPA) as it is learnt from our previous experiences that all the candidates who opt for unfilled Global are not as serious in taking admission as they show interest while applying. Therefore, the candidates may note that mere attending the counselling does not guarantee him/her a seat.

The candidates who report after 11:00 AM on 20/08/2019 may not be permitted into the Admission Hall.

The following is the list of the candidates provisionally shortlisted under “Unfilled Global Category”:
