

MEDICAL ENTRANCE EXAMS

OPPORTUNITIES FOR MEDICAL EDUCATION

More than Twenty Thousand seats are available every year in Indian Medical Colleges. The entrance examinations are many and the competition tough. Yet a bright and hardworking student *can* be selected by several Medical Colleges from which he/she can choose the one he/she wants to attend.

A student can appear for several Entrance Examinations in the same year. In fact, every year, most of our students appear for two or more Entrance Exams and are selected for admission by more than one Medical College, from which they then choose the Institution they want to join.

ELIGIBILITY CONDITIONS

I. Domicile

- (i) **The All India Pre-Medical/Pre-Dental Test:** An Indian national can seek admission to a seat in a medical college in any State through the **All India Pre-Medical/Pre-Dental Test** conducted by the Central Board of Secondary Education, New Delhi. The CBSE conducts this Test for 15% merit-based seats of the total intake capacity of State Medical and Dental Colleges located in all states except Andhra Pradesh and Jammu & Kashmir.

**SPECIAL NOTE FOR CANDIDATES FROM
ANDHRA PRADESH AND JAMMU & KASHMIR***

Candidates belonging to Andhra Pradesh and Jammu & Kashmir are not eligible for admission to the All India Pre-Medical/Pre-Dental Entrance Examination. If they claim eligibility they must submit an affidavit that:

- (a) they are not eligible to seek admission to Medical Colleges of Andhra Pradesh and Jammu & Kashmir
- or
- (b) they are not domiciled in Andhra Pradesh or Jammu & Kashmir.

- (ii) **Other Medical Entrance Examinations:** Further, there are several Medical Colleges in which seats are open to Indian nationals through Entrance Examinations, without any domicile conditions.
- (iii) In addition, a candidate satisfying the domicile conditions of a State can compete for one of the State Medical seats. In most cases, the selection is made through Entrance Examinations conducted for this purpose.

Note: For more details please refer to the Handbook of Medical Education published by and available from the Association of Indian Universities, AIU House, 16 Kotla Marg, New Delhi 110 002.

* Based on the Information Bulletin issued by the CBSE for the All India Pm/Pd Test, 2005.

II. Conditions other than Domicile*

- (i) The candidate must be an Indian national.
- (ii) The candidate **MUST** have completed 17 years of age on or before **December 31st** of the year commencing the prescribed academic session of the said course.
- (iii) The minimum qualification for admission to the first year of the MBBS Course through Entrance Examinations is a pass in the 12th standard of the 10+2 course, or the second year of the PUC/Pre-Degree/Intermediate or equivalent exam with Physics, Chemistry and Biology taken as special subjects (electives or optionals).

In addition, candidates for admission to the Medical Course are required by the examining authorities to have passed in the subjects of Physics, Chemistry, Biology and English individually and obtained a minimum of 50% marks taken together in Physics, Chemistry and Biology at the qualifying exam (40% in the case of SC/ST/OBC candidates) and must have also come in the merit list prepared as a result of a competitive entrance examination by securing not less than 50% marks in Physics, Chemistry and Biology taken together (40% in the case of SC/ST/OBC candidates), whichever forms the basis of admission to the Medical Course.

Some examining authorities stipulate higher minimum /aggregate marks for English and for Physics, Chemistry and Biology taken together.

The Syllabus and the Entrance Examinations

The Pm/Pd Test is now conducted in two phases: first, a single objective-type Preliminary Test of 3 hours in April, with questions in Physics, Chemistry and Biology. Students who qualify in the Preliminary Test will then appear in the Final Exam in May, from which the Merit List will be compiled. The Final Exam will consist of 2 subjective type papers of 2 hours each - one paper in Physics & Chemistry and the second paper in Biology.

The general standard of the examinations is that of the 10+2 level. In most of the entrance exams, the questions are of the objective-type, in Physics, Chemistry and Biology (or Physics, Chemistry, Botany and Zoology); some however, do also include short and long answer type questions.

The Examinations are generally held between April and August. The actual dates of the examinations, the syllabus prescribed, if any, and other details are announced in the information bulletins for the examinations issued by the respective Testing Authorities.

It is the student's responsibility to watch for publication of these bulletins and ensure compliance with all requirements of the respective Entrance Examinations. Brilliant Tutorials does not provide any application forms for Medical Entrance Examinations.

BRILLIANT'S PREPARATORY COURSES

Our Postal Courses for Medical Entrance Examinations have been an outstanding success. They are integrated courses, well suited for the All India Pm/Pd Test conducted by the CBSE and the Entrance Exams of most of the major Medical Colleges in India including the MH-CET as well as the medical segments of Karnataka CET, WBJEE and EAMCET (A.P). This has been made possible by our Professors who study the changing syllabi and patterns of examinations of the various medical colleges, on an on-going basis and continuously review and revise the lessons and exercises.

We offer the following courses:

- (i) One-year Postal Course with Med.QB (Medical Question Bank) and B.NET (Brilliant's National Evaluation Tests) One-year Test Series for Medical Entrance Exams** for students who have passed or are in Standard XII.
- (ii) Med.QB (Medical Question Bank) with B.NET One-year Test Series** can be taken separately by students who have passed or are in Std. XII.
- (iii) A Two-Year Course: CBSE-PLUS** – for students in Std. XI.

ONE-YEAR POSTAL COURSE WITH MED.QB AND B.NET ONE-YEAR TEST SERIES

TOWARDS

MEDICAL ENTRANCE EXAMINATIONS, 2007

Useful for all Medical Entrance Examinations

The course material covers a wide syllabus. The worked examples, the exercises, the Question Bank and the Self-Scorers help students to prepare for various patterns of examinations. Our B.NET One-year Test Series comprising 22 National Sit-down Tests and 23 Full-Syllabus Postal Simulator Tests for Medical Entrance Exams gives the students abundant practice for all Entrance Examinations in addition to the All India Pm/Pd Test.

Enrolment

Enrolment for this course is open to all students who have passed Std. XII or equivalent or are studying in Std XII. or equivalent in the 2006 - 2007 academic year.

Enrolment for the One-year Postal Course with Med.QB (Medical Question Bank) and B.NET (Brilliant's National Evaluation Tests) will open on January 01, 2006. Students can enrol at any time convenient to them but are advised to join early, as it will give them more time for study and revision of the course material.

Medium of Instruction

The course material is in the English medium, and only students who can follow our lessons in English should apply for enrolment.

Despatch of course material will begin in **April 2006**. Subsequent sets will be sent at roughly monthly intervals. Material is normally sent by Parcel Post or by private Courier Services.

Students who enrol after October 2006 will be sent all the material in one lot.

COURSE HIGHLIGHTS

Course Contents

This course teaches the subjects from fundamentals, drills students with graded exercises, raises their morale through Contact Programmes, guides them with periodic Postal Tests and evaluates them with B.NET, Brilliant's National Evaluation Tests for Medical Entrance.

The Course Material: Lessons and Assignments

The study material is presented in **seven sets** of lessons and assignments. The theory notes are elaborate with topics fully explained and with a number of objective questions and worked examples.

Each lesson is followed by an Assignment in two parts: A and B, containing subjective/descriptive Questions and Objective Questions respectively. The problems will initiate students into problem solving with exercises on the specific topics covered in that lesson; Part B will be problems on par with the All-India Pm/Pd Test standard objective questions.

The Assignments, given at the end of each lesson, in each of the three subjects Physics, Chemistry, and Biology will help students understand the subject, gain practice in solving short and long problems and become familiar with the subject matter of the course.

The student should study the theory well, systematically work the assignments and should then compare his/her working with the fully worked-out solutions which will be provided in the subsequent set.

Working sheets of assignments should NOT be sent to us.

Postal Tests

There will be 3 sets of Postal Tests modelled on the CBSE Pm/Pd during the One-year Course: Each set of Tests will consist of three papers: i. a 3 - hour objective paper with questions in Physics, Chemistry and Biology. ii a two-hour subjective paper in Physics, Chemistry and iii. a two-hour subjective paper in Biology.

These Tests will be sent with Sets 2, 4 and 6 respectively, and will include topics covered in the preceding Sets. Solutions will be sent with the subsequent Set.

Students should self-administer the Tests strictly under examination conditions, and finish each paper in one sitting within the specified time limit, without referring to the study materials.

MED.QB (MEDICAL QUESTION BANK) AND SELF - SCORERS

Med.QB (Medical Question Bank)

Brilliant's Question Bank for Medical Entrance will be issued as a part of our One-year Course. This contains over 4000 objective and subjective questions topic-wise in Physics, Chemistry and Biology, with keys and explanatory notes for select questions.

Self - Scorers

The full syllabus Self-Scorers consist of 12 sets Test papers, each containing 200 objective questions in Physics, Chemistry and Biology with keys. Students should attempt these as Home-based Tests within the specified time-limit and assess their performance with the help of the keys given.

Ready Reference Compendium and Glossary

To help the students to solve/answer questions in the Question Bank, Self Scorers and Simulator Test Papers, we provide a Ready Reference Compendium, a collection of important formulae, equation and data in Physics and Chemistry and a Glossary of terms in Biology.

B.NET

BRILLIANT'S NATIONAL EVALUATION TESTS FOR MEDICAL ENTRANCE EXAMS

22 National Sit-down Tests

&

23 Full-Syllabus Medical Entrance Simulator Tests (home-based)

B.NET National Evaluation Tests and Part Tests

A total of six B.NET Progressive Tests will be conducted for our students. All these are National Sit-down Tests conducted at various centres around the country in August and October 2006.

These will be followed by six Part Tests in November and December 2006 and 10 B.NET Final Tests conducted in December 2006, January and April 2007, conveniently after the Std. XII Board Exams and close to the actual Medical Entrance Exams.

All the B.NET Sit-down Tests will be based on the CBSE pattern i.e. a three hour Preliminary Test with Objective questions in Physics, Chemistry, and Biology followed by a Final Exam of two 2-hour subjective papers - Paper I in Physics and Chemistry and Paper II in Biology.

All the Tests will be evaluated and every student who appears for these Tests will be given his/her individual percentile score so that they will know their relative performance against the national competition.

No. of students who scored
equal to or less than you

Note: Percentile Score = $\frac{\text{Total No. of students who appeared in the Test}}{\text{Total No. of students who appeared in the Test}} \times 100$

The Question Papers of these Tests will not be sent to students who do not personally appear for the National Sit-Down Tests.

B.NET TEST CENTRES: Ahmedabad, Amritsar, Bangalore, Bhopal, Bhubaneswar, Bokaro Steel City, Chandigarh, Chennai, Coimbatore, Dhanbad, Guwahati, Hyderabad, Jabalpur, Jaipur, Jamshedpur, Kochi, Kolkata, Kota, Lucknow, Mumbai, Nagpur, New Delhi, Patna, Pune, Ranchi, Thiruvananthapuram and Vishakapatnam.

B.NET Progressive Evaluation Test

Exam		Month
PET 1	Preliminary	August 2006
PET 2	Paper I	August 2006
PET 3	Paper II	August 2006
PET 4	Preliminary	October 2006
PET 5	Paper I	October 2006
PET 6	Paper II	October 2006

B.NET PART TESTS

Part Test 1	Preliminary	November 2006
Part Test 2	Paper I	November 2006
Part Test 3	Paper II	November 2006
Part Test 4	Preliminary	December 2006
Part Test 5	Paper I	December 2006
Part Test 6	Paper II	December 2006

Exam		Month
B.Net Final Test 1	Preliminary	December 2006
B.Net Final Test 2	Paper I	December 2006
B.Net Final Test 3	Paper II	December 2006
B.Net Final Test 4	Preliminary	January 2007
B.Net Final Test 5	Paper I	January 2007
B.Net Final Test 6	Paper II	January 2007
B.Net Final Test 7	Preliminary	January 2007
B.Net Final Test 8	Preliminary	April 2007
B.Net Final Test 9	Paper I	April 2007
B.Net Final Test 10	Paper II	April 2007

Full-Syllabus Medical Entrance Simulator Test Series (home-based)

Twenty three Sets of Full-Syllabus Test Papers, simulating the pattern of CBSE's All-India Pm/Pd Test (Prelim and Final), will be sent to students enrolled in this course. Thirteen of these Sets will be sent with the seventh set of course material and the last ten sets containing non-objective questions, will be sent when we receive a photocopy of the student's Hall Tickets clearly showing the Registration Numbers for the Medical Entrance Examinations.

These Test Papers contain a total of 3000 questions. These last ten sets will have 2 subjective papers of 2 hours each (i) Physics and Chemistry (ii) Botany and Zoology, on the pattern of CBSE's Pm/Pd Final Exam. These will meet the requirements of the Pm/Pd Final Exam, as well as that of all other Entrance Examinations.

The keys to the Objective Papers and solutions to the problems to these Test Papers will be sent with the Test Papers. The student should self-administer each paper under strict examination conditions and should then compare his/her answers with the keys provided.

This Full-Syllabus Test Series, together with the 10 Final National Sit-down B.NET Series to be conducted in 27 cities between December 2006 and May 2007, should enable students to face Medical Entrance 2007 with supreme self-confidence.

Only students enrolled thirty days before the date of any Test will be eligible to attend that Test.

CONTACT PROGRAMMES

There will be two Contact Programmes during this course at which our Professors will visit several Centres around the country, to meet our postal students and provide them with a valuable opportunity to discuss any difficulties they may have. Details of these programmes will be sent to all enrolled students separately.

Contact Programmes will be held in: Bangalore, Bokaro Steel City, Chandigarh, Chennai, Hyderabad, Kochi, Kolkata, Lucknow, Mumbai, New Delhi, Patna and Ranchi.

Contact Programmes and the B.NET Test Series

The Enrolment Form separately lists the Centres for our Contact Programmes and the B.NET Tests. Students should indicate the Centre of their choice separately for the Contact Programmes and the B.NET Test Series.

No change in the Centre will normally be allowed. Any subsequent change in the Centre allotted will be considered only in exceptional cases and where the student applies to us in advance and receives our written approval.

Details of dates and venues for the B.NET Series and Contact Programmes will be mailed to students in advance.

Students may miss one or more of the Contact Programmes and/or Tests in the B.NET Series, depending on their date of enrolment.

Doubt Letter Scheme

Our Professors' services are readily available to clear students' doubts while studying our course material. Students are welcome to send to us, in writing, their doubts, up to March 15th, 2007 even if our entire course material was received much earlier.

Problems/Questions must be restricted to 5 in a letter and be well within the examination syllabus. The source from which the problems have been taken **must be specified** and student's **working sheets** enclosed along with the problems referred to us.

Doubt Letters which do not meet these specific conditions will not be answered.

Note: In order to facilitate and speed up processing, please write DOUBT LETTER – ATTN:ACADEMIC SECTION clearly on the top of the cover. Please DO NOT combine Doubt Letters with other types of correspondence.

MEDICAL QUESTION BANK (MED.QB) COURSE with B.NET ONE-YEAR TEST SERIES

FOR

MEDICAL ENTRANCE EXAMS, 2007

Brilliant's Med.QB with B.NET One-year Test Series is an integral part of the One-year Postal Course for Medical Entrance, meant for Std. XII students as well as those who have passed Std. XII. However, students can also enrol separately for Med.QB with B.NET One-year Test Series. **This course does not contain any theory material.**

Med.QB (Medical Question Bank)

The Question Bank with 4000 objective questions and subjective problems in Physics, Chemistry and Biology, and the Self-Scorers comprising 12 sets of Test Papers will help our students to prepare thoroughly for the Medical Entrance Exam.

B.NET One-year Test Series

Students have the opportunity to take part in all our National Sit-down Tests – 6 B.NET Progressive Tests, 6 Part Tests and ten B.NET Final Tests. They will also receive 23 Full-Syllabus Postal Simulator Tests for Medical Entrance Exams. These Tests will enable students to practise with the proforma of answer scripts prescribed for the All India Pm/Pd Exams conducted by the CBSE.

Details of Med.QB and B.NET are given on pages 7 - 10.

Students of Med.QB with B.NET One-year Test Series may correspond with our Professors, if they have any difficulty while dealing with the problems of the Question Bank. They are also eligible to attend our Contact Programmes.

The Question Bank will be issued from September 2006. The First Set containing the Question Bank will be despatched soon after enrolment or in September 2006, whichever is later and the second, the Self-Scorers, will be made available a month later, the total number of despatches being three, **including the special despatch of thirteen Full-Syllabus Medical Entrance Simulator Test Series in January 2007.** The final ten sets of Test Papers will be sent after we receive the student's Registration Numbers for the 2007 Medical Entrance Examinations.

A student who enrolls for the One-year Postal Course need not enrol separately for Med.QB with B.NET One-year Test Series separately; the latter is included as part of the One-year Postal Course.

Course Fees

The **fees** for the One-year Postal Course with Med.QB and B.NET One-year Test Series is **Rs. 7470/-** + Service Tax Rs. 923/-. **Total: Rs. 8393/-.**

The fee for the Med.QB with B.NET One-year Test Series Course is **Rs. 4650/-** + Service Tax Rs. 575/-. **Total: Rs. 5225/-.**

Requests for concessions in the fee beyond those given below, or for an instalment facility, will not be entertained.

Note: The concessions detailed below are **not** additive i.e. a student will be eligible for only one concession and will be awarded the highest concession he/she qualifies for.

Continuation of Page 13

FEES CONCESSION FOR HIGH PERFORMANCE IN STD. X PUBLIC EXAM

A Special **15%** concession will be given to students who secure 75.0% or above but below 90.0% as the average of the percentage of marks in Science in the Std X Public Examination.

A concession of **30%** of the Course fee will be awarded to students who secure 90.0% or above, of the average of percentage of marks obtained in Science in the Std.X Exam of any Board. The same concession will also be offered to students who have qualified as NTS Scholars in the National Talent Search Examination conducted at the Std. X level by the NCERT, New Delhi, provided these students have also secured a minimum of 80.0% of the average of the percentage of marks in Science of the CBSE/ICSE or 85.0% or above of the average of percentage of marks in Science in the Std. X exam of any Board.

If the Science subjects are mentioned individually, the percentages of the marks in Physics, Chemistry and Biology will be totalled for arriving at the average of percentages.

One-year Course with Med.QB and B.NET

Fee Concession	Minimum average % of Marks	Course Fee	Service Tax	Total Due
15%	75.0%	Rs.6350/-	Rs.785/-	Rs.7135/-
30%	90.0%	Rs.5229/-	Rs.646/-	Rs.5875/-

Med.QB with B.NET

15%	75.0%	Rs.3953/-	Rs.489/-	Rs.4442/-
30%	90.0%	Rs.3255/-	Rs.402/-	Rs.3657/-

The student applying for the concession should attach to the Enrolment Form a clear photocopy of the mark sheet of the Std.X. Public Examination, attested by a Gazetted Officer. If the mark sheet is in a language other than English, a certified translation in English should also be enclosed.

Please do not send the original marksheet – it will not be returned.
Students claiming the NTS Scholar concession should send an attested copy of the Notification Letter from the NCERT, New Delhi.

SPECIAL RECOGNITION FOR SCHOOL TOPPERS!

In special recognition of their achievement, Brilliant Tutorials is pleased to offer a special **20%** concession to those students who stand **first, second or third** in their respective schools in the Std.X Board Examination, **provided** they secure a minimum of 80.0% as the average of the percentage of marks in Science in the Std. X Public Examination of the CBSE/ICSE or 85.0% of other Boards. If the Science subjects are mentioned individually, the percentages of the marks in Physics, Chemistry and Biology will be totalled for arriving at the average of percentages.

The fee for these students will be:

Course	Fees	Service Tax	Total Due
One-year Course with Med.QB and B.NET	Rs. 5976/-	Rs. 739/-	Rs. 6715/-
Med.QB with B.NET	Rs. 3720/-	Rs. 460/-	Rs. 4180/-

To claim this special concession, the student must send us:

- (a) A copy of his/her Std.X. Board Exam marksheet attested by a Gazetted Officer. *If the mark sheet is in a language other than English, a certified translation in English should also be attached.*
- (b) An **original letter on school letterhead from the Principal** of the school from which the student appeared for the Board Exam stating the student's school rank in the Board Exam. This letter must be signed only by the Principal (no other signature will be accepted) and must be in the original (**photostat copies will not be accepted**)

In all cases the decision of Brilliant Tutorials Pvt. Ltd., shall be final.

**Summary of Brilliant's Students
selected for admission to various Medical Colleges
following the 2005 Medical Entrance Exams**

CBSE's Pm/Pd Test	280	Kerala Medical Colleges	49
Waiting List	183	Bharatiya Vidyapeeth	16
AFMC called for Interview	92	Haryana	53
(Final Selection)	14	Chandigarh CET	25

Delhi PMT	66	Punjab PMT	13
AIIMS, New Delhi	16	MGIMS, Wardha	8
JIPMER	10	Waiting List	6
Waiting List	8	MH-CET	11
CMC, Vellore		Manipal (MAHE)	180
(called for Interview)	26	Waiting List	29
(Final Selection)	14	West Bengal JEE	11
(Waiting List)	3	AMU Aligarh	17
Tamil Nadu (TNPCEE)	94	Waiting List	11
Karnataka Medical Colleges	14	Rajasthan	16

PROCEDURE FOR ENROLMENT

The Student should send us:

1. The completed Enrolment Form with a passport size photograph glued to the Enrolment Form in the allotted space.
2. Two additional signed copies of the passport size photograph (preferably colour) enclosed with the Enrolment Form. One photograph will be affixed to the Admit Card sent to the student on enrolment. This Admit Card **must** be produced for admission to the Contact Programmes and/or the B.NET Test Series.

Note: Enrolment Forms without the three photographs will not be accepted. The Examination Superintendent at the venue of the B.NET Test Series and the Manager of the Contact Programmes reserve the right to refuse admission to any student who does not produce his/her Admit Card.

3. The full Course Fee

Fee Remittance: The fees for the course should be remitted, either by Money Order or Demand Draft, drawn in favour of **Brilliant Tutorials Pvt. Ltd.**, payable at **Chennai**.

Remittance by Money Order: The course for which the MO is being sent as well as the student's full postal address should be indicated in the coupon.

The fee can also be paid in cash at our office in Chennai.

Fees once paid will not be adjusted or refunded under any circumstances.

Students resident outside India should follow the remittance instructions given on the Enrolment Form they receive.

Note: When calling to enquire about the status of your application, please have the following information ready:

- A copy of your application form
- D/D Number and Date (If Money Order, then MO Receipt Number and Date)
- Issuing Bank / Post Office
- Mode of Despatch of application (Courier, Registered Post, Speed Post, Ordinary Post)
- Date of Despatch

Please wait at least 15 days after date of despatch, before calling.

REQUESTS FOR CHANGE OF ADDRESS ETC.

Normally we do not accept any advice for stoppage of despatch of study material. Change of address, or, in exceptional cases, stoppage or resumption of despatch etc. will be implemented only if requested by a letter signed by the student. A photocopy of the Admit Card (with the photograph visible) must be enclosed with the letter. Telephone requests will not be honoured unless confirmed in writing.

This policy is designed to prevent fraud and to safeguard the interests of our genuine students.

Please allow 15 days from the date of receipt, for implementation of the change

All matters are subject to the exclusive jurisdiction of the courts in Chennai only.

PRIZE SCHEME FOR MEDICAL ENTRANCE EXAMS, 2007

Brilliant Tutorials takes pleasure in announcing a Prize Scheme for students enrolled in our CBSE-PLUS, One-year Postal, Med.QB or Classroom Courses for Medical Entrance Exams, securing top ranks in Medical Entrance Exams, 2007, wherever the ranks are made public, as detailed below and subject to the conditions stipulated.

I. All India Pre-Medical/Pre-Dental Test Conducted by the CBSE

Brilliant's students who secure the All India

First Rank	will be awarded a Cash Prize of	Rs. 50,000/-
Second Rank	will be awarded a Cash Prize of	Rs. 25,000/-
Third Rank	will be awarded a Cash Prize of	Rs. 10,000/-
Ranks 4 to 10	will be awarded a Cash Prize of	Rs. 5,000/- each
Ranks 11 to 100	will be awarded a Cash Prize of	Rs. 2,000/- each
Ranks 101 to 500	will be awarded a Cash Prize of	Rs. 1,000/- each

II. Other Medical Entrance Examinations: Brilliant's Students, enrolled in our CBSE-PLUS, One-year Postal, Med.QB or Classroom Courses for Medical Entrance Exams, who secure the First Rank in Entrance Exams 2007, conducted by other Testing Agencies will be awarded a Cash Prize of **Rs.10,000/-** each. Where a common Medical Entrance Examination is conducted by a State Agency for all Medical Colleges under its control, a Cash Prize of **Rs. 10,000/-** will be awarded to the **First Rank** holder in the **State**.

All students should send us, by Registered Post, a photo copy of their Hall Tickets for the 2007 Medical Entrance Exams that they plan to appear in, along with a copy of the BT Admit Card with the photograph visible. Students who do not send us their Registration Numbers **before** the Entrance Exams are conducted, will not be eligible to claim the prize.

This Prize Scheme is applicable only to the All-India Ranks of General Category and not to the Ranks under any group or reserved category such as SC, ST, Defence, etc. Students enrolled with us and declared successful for admission to the MBBS Course only will be eligible for this prize scheme and not students declared successful for other branches like Ayurvedic, Homeopathic, Unnani Medicine etc.

A student who secures the First Rank in more than one Entrance Exam will be eligible only for one Prize.

Students enrolled only in our Target:MBBS Course are not eligible under this Scheme.

The prize amount will be paid in Indian Rupees.

In case of a tie, the prize money will be divided.

In all cases, the decision of the Management of Brilliant Tutorials shall be final.

Pm/Pd Exam - 13 Sets with Keys**

WHAT OUR STUDENTS SAY

August 7, 2005

The course (CBSE-Plus) is an elaborate way to get the knowledge systematically and it clears the concepts quickly. The course had the major role in my overall success as many of the questions asked in PMTs were very similar to those given in the course. But I really appreciated your Tests which had a very good level and really made the brain prepared for tackling problems. I am really impressed with your quality of material and I'd like to advise every PMT aspirant to take your course.

Selected: Haryana PMT 1; Chandigarh CET 1; CBSE PMT 11; Manipal (MAHE) 11; DPMT 18.

Mayank Sardana, MCBP0500571

July 11, 2005

The study material provided was good as it contained many things not given in books. Both your course material and tests were great. The tests were really helpful and helped me a lot to overcome examination phobia. While taking the actual CBSE exam, I felt as if I was taking another BT test and didn't feel nervous.

Selected: Manipal (MAHE) 1; JIPMER 1; CBSE PMT 20; AIIMS 21; CMC (Ludhiana) 1; Called for Interview: AFMC

Japleen Kaur, MCBP0503028

July 24, 2005

Your course (CBSE-Plus) was of immense help especially for preparation towards CBSE Exam. The reason for my good rank in CBSE can be attributed largely to your Postal course. It was a complete and exhaustive course, study of which thoroughly one could clear each and every exam. The National Sit-down Tests were of immense help especially for preparation of CBSE-Mains.

Selected : AFMC 2; Manipal (MAHE) 28; CBSE PMT 458

Satyan Nanda, MCBP0500943

July 8, 2005

Quality of the course material was excellent and was of high standard. It was extremely useful. The Question Banks etc, given towards the end of preparation were particularly useful. Brilliant's material is one step ahead of every other course.

Selected : Kerala CET 2; CBSE PMT 142; JIPMER 142. Called for Interview: AFMC

Arjun Balachandran, MCBP0502201

July 12, 2005

It was the backbone of my preparation and helped me lot. The Biology part is very good beyond any comparison.

Selected : CBSE PMT 55; JIPMER 24; AFMC 3; BHU (Prelim) 284

Avirup Guha, MCBP05002

July 23, 2005

The BT course material and tests were extremely helpful to me for achieving success in all the examinations that I sat for. Extremely beneficial were the tests sent in the end which helped in good revision. My consistent score in those tests and in BT's other tests increased my confidence.

Selected: AIIMS 31; CBSE PMT 7; Chandigarh CET 4; JIPMER 3.

Kriti Puri, MCBP0502912

July 21, 2005

An extremely good course. Almost a basic requirement for PMTs. Extremely good, and as per my knowledge the strongest correspondence course. My constant companions in my preparation. Over 75 to 85% of the questions asked in various entrance exams can be answered if one is thorough with the sets. Gives the extra edge to clear with top 10 ranks. It is an excellent preparatory guide and I believe one can safely trust Brilliant Tutorials with the responsibility of ensuring that one prepares well for an entrance. I am a second-generation student of yours, as Brilliant has already helped my dad into IIT-Madras.

Selected: AIIMS 4; JIPMER 8; Manipal (MAHE) 7; CBSE PMT 4

Anand Venkatraman, MCBP0501177

July 21, 2005

The course was quite helpful. It laid down fundamentals and basics. I would like to thank Brilliant Tutorials for providing good material and Tests.

Selected: JIPMER 5

SriHari Deepak, MCBP0500074

July 23, 2005

Your course material and tests were very helpful in covering practically every topic. The variety of questions was amazing. The material was very condensed which helped in quick revision. The best thing I liked about Brilliant's course was that it touched certain topics and had certain questions which were not taught to us by our teachers but came in exams. Towards the end, the Question Bank and Test Papers sent by you offered quite a variety of questions for solving. In addition to solving them they made me confident about cracking PMT.

Selected: Chandigarh CET 6; CBSE PMT 99; Manipal (MAHE) 68

Mayank Kaushal, MCBP0500303

July 22, 2005

The course material provided exhaustive coverage for PMT syllabus. The faculty were very good in clearing doubts and giving problem solving tips. The Question Bank and Test Series were very helpful to gauge my performance. The tests were of very good standard, simulating various PMTs. This course is an indispensable part for any PMT preparation.

Selected: CBSE PMT 189; MGIMS (Wardha) 6

Smriti Panda, MCBP0500108

July 9, 2005

The study material provided was good and as they first explain the concepts and then give the exercise along with it and answers in the next booklet, it was really beneficial and built up every strong concept.

Selected: CBSE PMT 252; DPMT 171; Haryana PMT 7; Mahe 48; MGIMS (Wardha); BHU (Prelim). Called for Interview: AFMC

Shipra Gandhi, MCBP0501218

Course material is very elaborate and provides thorough study of the syllabus. The notes provide a deep insight into the syllabus. The course is sufficient to qualify in various pre-medical exams. It provided the right guidance and necessary material for various pre-medical tests. A thorough study of these courses gave necessary confidence to qualify the pre medical exams.

This 2 Year correspondence course has proved very useful for my preparations towards Medical Entrance Exams. A thorough study of your syllabus is more than sufficient to qualify in any Medical Entrance Exam. Brilliant's CBSE Plus course is a complete course in itself which prepares any medical aspirant to face toughest of challenges in various PMT Exams. So, I strongly recommend this course for any medical aspirant to fulfill his dreams.

**Selected: CBSE PMT 8; DPMT 40; BHU 36; AMU 23; Manipal 198.
Called for Interview: AFMC**

Shantanu Singh Chauhan, MCBP0503577

July 8, 2005

Very well compiled and easily explained topics in all syllabus. Good Practice material. Gives better preparation in lesser time.

Selected: DPMT 8; Haryana PMT 19; Manipal (MAHE) 34; BHU (Prelim) 15

Aishwarya Kapur, MCBP0500476

July 8, 2005

The study material is complete in all respects. The solved problems help clear the concepts. The QB is extensive. B.NET series provided an evaluation of my All India standing. The BT correspondence course was a very important part of my success and is an essential part of pre-medical preparation.

Selected: CBSE PMT 35; DPMT 9. Called for Interview: AFMC

Tanush Gupta, MCBP0500892

July 11, 2005

The course material was exhaustive at the same time precise. The Postal Tests & B.NET Tests helped me keep a check on my preparation. The assertion & reasoning (unit wise) given in each set were very helpful for AIIMS. The course made me realize that I can attain what I dream. The course made my concepts crystal clear and cleared the facts without any loopholes. It exposed me to varied types of questions and problems which helped me crack the toughest Entrance Exams. The course material presents difficult things in a sublime, digestible manner especially Biology. I didn't need to refer other guides etc., for Biology as Brilliant covered everything. Physics & Chemistry materials cover all the different types of numericals in the world. Postal Tests & Simulator Tests were ultra tough and prepared me for the worst. The B.NET tests were the ladders to my success in CBSE PMT Mains.

Your course material is self sufficient, exhaustive, precise, presents concepts in a sublime fashion and makes the concepts crystal clear. Brilliant is indispensable for success in Entrance Exams. I vehemently recommend this course for every hard working aspirant.

**Selected: AIIMS 13; CBSE PMT 25; Kerala PMT 25.
Called for Interview: CMC (Vellore).**

Ejas P Bava, MCBP0502094

July 9, 2005

The CBSE Plus course has helped quite a lot in my preparations for Medical Entrance Exams. The Test Papers provided by you were a good high standard and served as practice papers before the entrance exams.

Selected: Karnataka CET 5; JIPMER 13.

Vishakhadatta M. K, MCBP0503690

July 9, 2005

The quality of the material is excellent. The clarity of your explanations and the way in which you state the laws deserves accolades. I have been subscribing to Brilliant Tutorials from my Class IX on. Over these four years each new book has surprised me with the lucidity of explanations and

clarity of thought. It was entirely to the credit of these materials that I was able to clear all the PMTs I attempted.

Selected: AFMC (Girls) 15; Kerala PMT 488.

Meenu. B, MCBP0400637, MT3P0000358

July 28, 2005

The quality of your course material is simply the best. Various tests were of good quality. Practicing questions from study materials of BT made my concepts clear. This is because of excellent collection of questions. The course played a huge role in my overall success.

Selected: DPMT 45; Haryana PMT 8; MGIMS (Wardha) 9; CBSE PMT 212; Manipal (MAHE) 122.

Aman Deep, MCBP0502476

August 2, 2005

The Material was a good reference source to look up to. Ultimately, my doubts found their solutions in the correspondence material. The test series deserve a special mention. The subjective papers at sit-down tests were good quality simulators for the final CBSE – PMT. The course had a substantial role in my success.

Selected: Vardhaman Mahavir Medical College1; CBSE PMT 9; AIIMS 31; Manipal (MAHE) 4

Prashant Gupta, MCBP0500030

July 29, 2005

The course helped to demarcate between what is important and what is not and proved to be the backbone for my success.

Selected: BHU PMT 23; CBSE PMT 61; UPC PMT 36

Rahul Dixit, MCBP0400258

August 4, 2005

I strongly feel that Brilliant's Correspondence course & Test Series are very essential for a thorough preparation. They were completely competition oriented. It has a great contribution to my success. It helped me to know my drawbacks and the level of my preparation. I also became so used to

giving such tests that giving the final entrance exams seemed to be another test only. I am greatly indebted to Brilliant Tutorials for my success. The Test Series and the text material helped me greatly throughout 2 years.

Selected: AIIMS 20; CBSE PMT 123; Manipal (MAHE) 9; Punjab PMT 3. Called for Interview: AFMC

Riti Bhatia, MCBP0500600

August 4, 2005

The course helped me to know the extent of the very vast syllabus & gave me a plethora of questions to practice. Postal, simulator & sit-down tests, all of them helped me very much. As far as the quality of course material goes, there is absolutely no doubt about it as it is the best. It was in these Brilliant tests that I came to know my real position & provided me the spirit to study even more harder. The course played a vital role in my overall success.

Selected: Manipal (MAHE) 3; Punjab PMT 21; CBSE PMT 183. Called for Interview: AFMC

Gaganpreet Singh Taneja, MCBP0501987

August 3, 2005

Course material is excellent and postal tests and sit-down tests are simply superb as they provided quality questions and helped us to judge our preparation. Study material is simply superb which helped one in developing good concepts. The course is the best among all the available courses, helping to clear the concepts in each and every topics and thus helping to clear any exam. The course had a great role in my overall success as it helped me in clearing my concepts in various topics. The questions provided mainly for CBSE Main at the end were very good.

**Selected: AIIMS 2; CBSE PMT 5; Rohtak 12; Manipal (MAHE) 26
Written Cleared: AFMC, AMU & BHU Prelim - Selected**
