Submitting Scholarship Application Forms

All applicants must follow specific application procedures for the relevant scholarship they wish to apply for. In general the following procedures should be followed - complete an application for scholarship detailing their claims to the scholarship and provide verification of their claims to the scholarship (i.e. academic transcripts, awards, certificates, original bank statements, salary certificates, referee reports etc.) and associated documents together with evidence of their admission (unconditional offer letter) etc to the Admissions Office. Scholarship requests without supporting documents or with incomplete information/documents will not be considered.

Scholarship Application Closing Dates

For details on the closing dates for applying for scholarship, please refer to our website. Scholarship applications received after the deadlines will not be considered.
