

The MBA Program

Welcome to the MBA Program

The MBA Program of the University prepares the students with the knowledge, skills and strategic perspectives essential to business leadership and a managerial career in the world. The MBA Program is designed to provide both a portfolio of strong functional skills and the ability to apply, adapt and integrate those skills in different management settings.

Eligibility:

Graduation in any discipline with 50% and above aggregate marks.
Final year degree students awaiting results

Duration:

Two Years.

Program Structure

The Program covers 28 courses apart from soft skills and management thesis spread over 4 semesters in 2 years. Students are also required to undergo a summer internship program for 14 weeks.

Electives

The students are encouraged to choose eight courses from eight elective streams viz., Marketing, HRM, Finance, Banking, Investments, Insurance, Accounting and IT & Systems.

Students will have the flexibility in choosing more than one course from these elective streams. Students will also have the facility for dual specialization. Elective courses will be offered subject to a minimum number of students enrolling for a particular elective course.
