

ABOUT IIMA

With a stellar 50 year legacy behind it, the Indian Institute of Management Ahmedabad (IIMA) has progressed with a sense of destiny towards excellence in management education.

WIMWI, as it is fondly called, has risen from just being India's best B-School to being among the top B-Schools in Asia. The first Indian B-School to obtain EQUIS Accreditation, IIMA is ranked as the world's toughest B-School to get into by The Economist. In fact, out of 205,000 applicants, it is a mere 380 that finally make into this coveted institute - such is the stature and repute of a Post Graduate Diploma from IIMA. All this has contributed to the Financial Times quoting that IIMA is often spoken of in the same bestowing manner as the likes of Harvard Business School. The institute is also a proud member of the European Foundation for Management Development. In India, IIMA has pioneered various practices in management education; from the case based teaching methodology to the Indian Placement Reporting Standards.

Blessed with world-renowned faculty, the Institute has been alma-mater to some of the most eminent personalities of our times. The presence of IIMA alumni wielding their experience and vast knowledge at the highest echelons of the business world cannot be ignored. The versatility of IIMA graduates is evinced by the vast variety of positions they currently hold - be it CEOs of major multinationals, Economic Counsellor and Director of Research at the IMF, global heads at leading investment banks or even as well-renowned academicians in top US Business Schools.

MESSAGE FROM THE DIRECTOR

In the five decades since its inception in 1961, the Indian Institute of Management, Ahmedabad (IIMA) has evolved into a world renowned institution of excellence in management education. It was the first management school in India to be accredited by EQUIS. The institute has groomed, for five decades, India's outstanding business leaders and academics, and stands at the pinnacle of management education in India and the world.

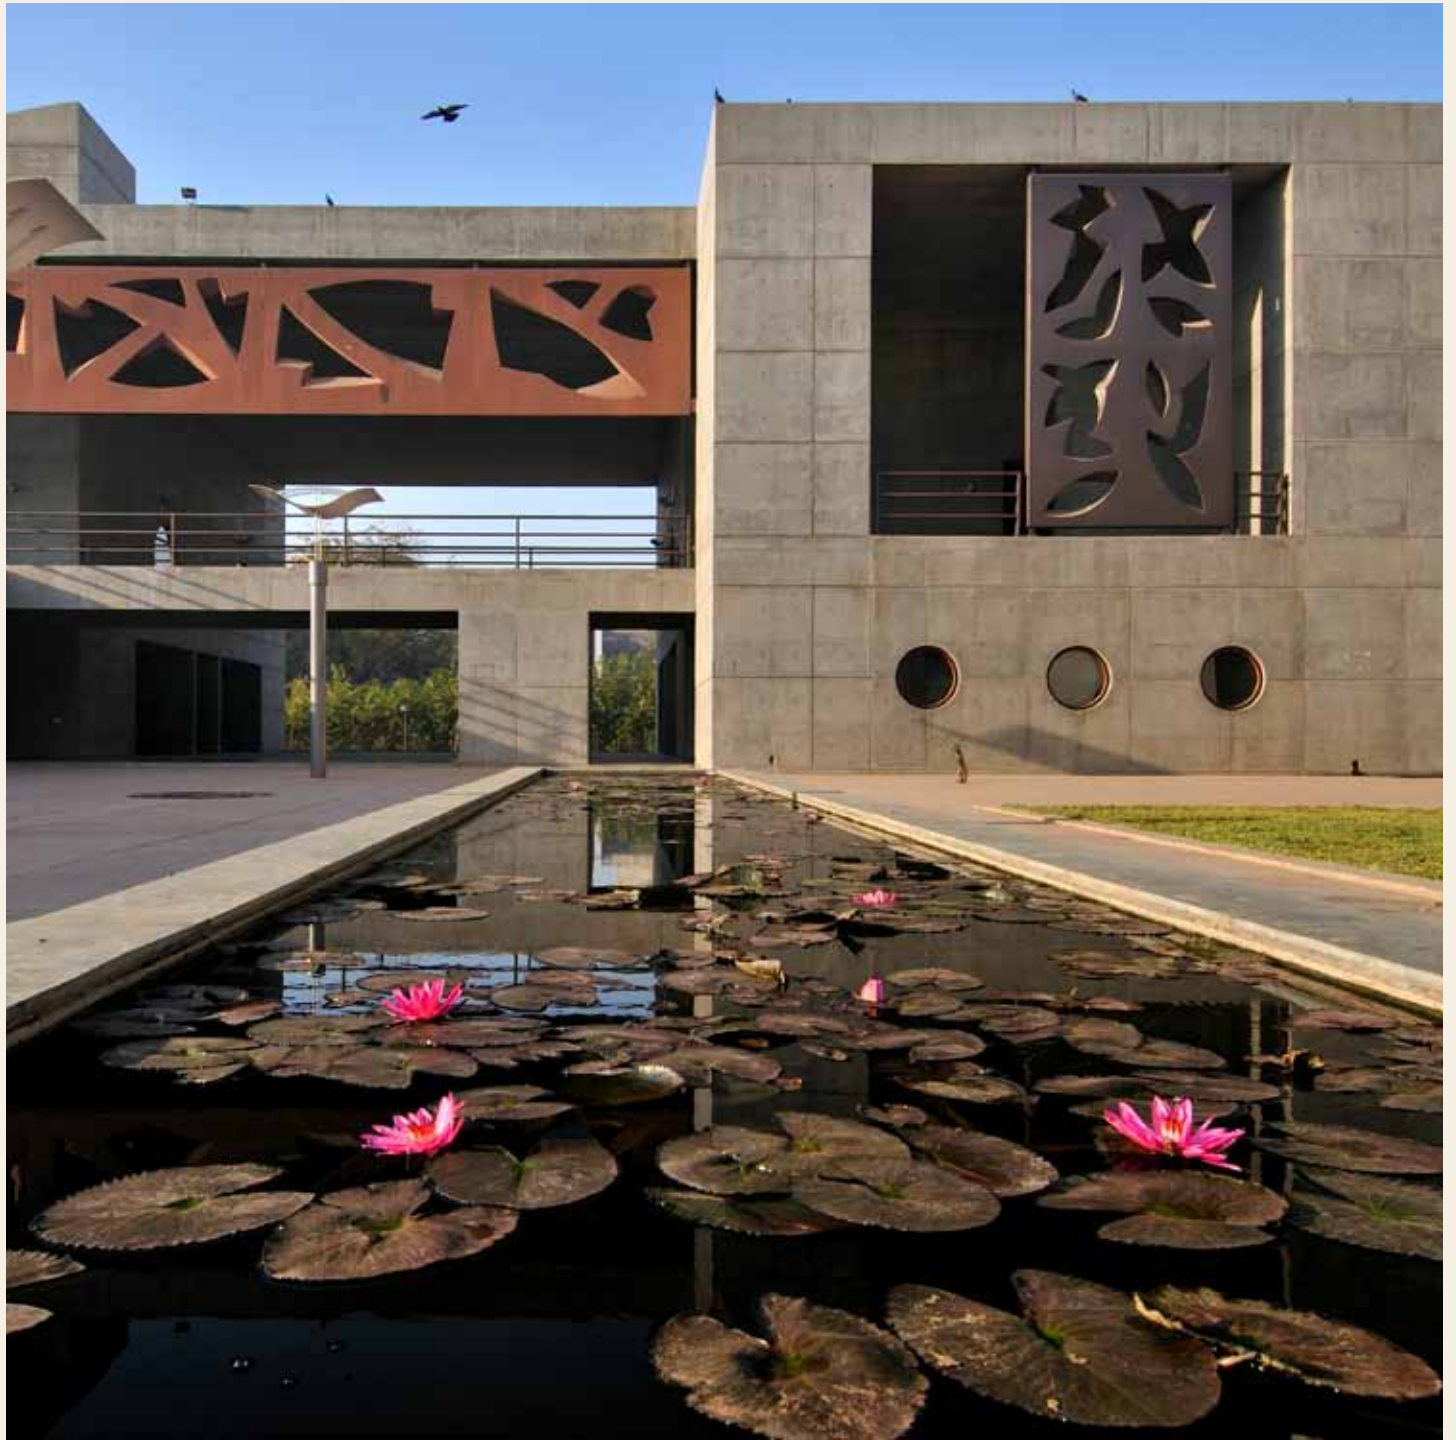

The two year Post-Graduate Program of the institute (PGP) is the institute's flagship program. The Program has been ranked by Financial Times among the top ten programmes of its kind globally. The Program has graduated over 8000 students of exceptional calibre with outstanding entrepreneurial and leadership abilities. These graduates have consistently distinguished themselves by occupying key positions in several of the world's leading organizations and are playing a significant role in transforming organizations to the ever changing requirements of global context.

The success of the institute and its graduates lies in the unique practice oriented pedagogy the institute uses for the curriculum. The institute offers around 110 elective courses in the second year of the program from various disciplines and functional areas of management and new courses continue to be offered each year in response to the changing needs of business, government and society at large. The pedagogy encourages students to develop not only their analytical skills, but also to take a holistic perspective of situations, with a strong focus on implementability of the solutions in real life.

Outside the classroom, the students engage in several activities to develop a well-rounded persona. These activities include Confluence that has emerged as the biggest business event organized by any business school in the country with participation from many foreign business schools, Chaos that has emerged as a much sought after cultural event that showcases upcoming talent, and the Insight, that has been attracting wide participation from the industry to assess consumer preferences.

With increasing focus on internationalization, IIMA has developed relationships with major business schools in the world, such as the Graduate School of Business at Chicago, the Stern business school and INSEAD, through student and faculty exchange programs. These collaborations are being deepened to include executive education and research. Recruiters at IIMA have traditionally reposed great faith in the exceptional skills of the students who complete the PGP. The roster of recruiters at the institute boasts of the world's leading organizations from diverse fields. As these youngsters seek entry into the professional world through careers of their choice, I wish them the very best in work and life.

Professor Samir K Barua

MESSAGE FROM THE PLACEMENT CHAIRPERSON

I welcome you to IIM Ahmedabad's placement services.

IIMA offers recruiters access to a unique bouquet of talent and experience. Our students constitute the top performers in CAT and GMAT and are selected after undergoing one of the most rigorous admission processes across B-schools in the world. While students come from diverse educational and professional backgrounds, they are united in their zeal and determination to succeed in their chosen fields. Our students not only aim to become world-class managers but also thought leaders across sectors and industries. Many of our alumni have attained leadership positions in corporates as well as government, NGO and social services sectors.

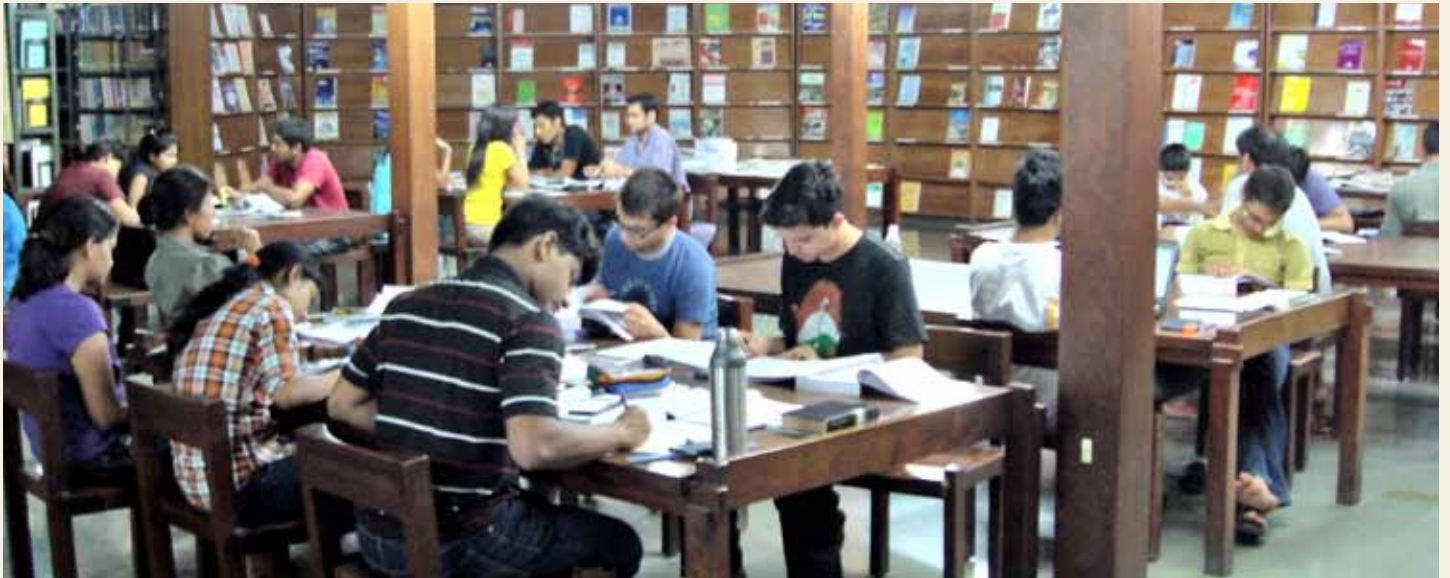

The Post-Graduate Programme in Management (PGP) is the flagship two-year full-time residential programme of IIMA. PGP, widely renowned for its academic rigour and its focus on bringing contemporary industry practices to classrooms, has been immensely successful in molding young and dynamic individuals into leaders capable of transforming the business landscape.

We invite recruiters to interact with our PGP students through the summer internship programme. Summer internships provide a valuable opportunity to both recruiters and students to get closely acquainted with each other. While students gain from insights into specific business situations and solving real-life managerial problems, our recruiters are also able to evaluate our students for a potential fit with their firm's long-term talent needs by engaging them in a variety of challenging projects. In the past, our recruiters have deeply appreciated the competencies of our students and the fresh perspective they bring to the assigned problems and projects, as evinced by the large number of Pre-Placement Offers (PPOs) received across past batches.

IIMA also offers you an opportunity to meet your organization's diverse talent needs from a variety of other programmes. The Post-graduate Programme in Agri-Business Management (PGP-ABM) is host to the finest talent in specific sectors related to food, agri-business, retail, microfinance, global supply chains among others. The Post-Graduate Programme in Management for Executives (PGPX) enables executives with extensive work-experience to transition into senior management roles. The doctoral programme, Fellow Programme in Management (FPM), at IIMA produces high quality researchers and analysts in specific as well as interdisciplinary domains. In the past, our doctoral students have offered their expertise in both corporate and academic sectors and have brought new and in-depth perspectives to organizational challenges.

The breadth of talent available at IIMA is unparalleled across India, making it the *campus-of-choice* for its recruiters. We are sure you will benefit immensely from our placement services, as we will from your presence on campus.

Professor Kirti Sharda

POST GRADUATE PROGRAMME

Selected through a highly rigorous admission procedure, participants of IIMA's PGP go through a thoroughly challenging and enriching academic experience during their two years on campus. The programme constantly strives to remain at the forefront of modern management education, instilling in its students values of teamwork, a global focus, an ability to innovate and above all, an unflinching quest for excellence. The curriculum exposes students to a number of real life situations and contemporary analytical tools that have are delivered through the case method of pedagogy. The two month summer internship at the end of the first year gives students a chance to apply their theoretical knowledge, while gaining firsthand experience of working in an organization in a managerial capacity. The PGP class represents a rich gamut of socio-cultural and educational backgrounds, in addition to a healthy mix of fresh graduates and candidates with prior work experience. Participants of IIMA's PGP display great clarity and focus when it comes to charting their career path. Career interests range from Finance, Marketing, Consulting, Technology, General Management, Policy Making and even Non-Profit Sectors. Recent years have also seen a surge in the entrepreneurial spirit with a growing number of graduates deciding to establish their own ventures and pursue their dreams.

MESSAGE FROM THE PGP CHAIRPERSON

Quest for Excellence is the underlying theme of all that we do at IIMA. We are so driven by this that despite our high international ranking for the Post-Graduate Programme in Management, it is our constant endeavour to make it better.

The participants of PGP, our flagship MBA program, go through a curriculum which is very rigorous and demanding both in terms of time and effort. The PGP leverages the potential capabilities of participants by challenging them to achieve beyond their best. Our PGP participants are well qualified to contribute and add value to the organization right from the beginning as the programme is practice-oriented with a thrust on managerial decision making.

The diverse background of the batch, representing participants who are fresh graduates as well as a mix of those who come from a diverse range of sectors including Finance, Consulting, IT/ITeS, FMCG/Retail, PSUs and Engineering, adds to the richness of the class.

Our programme is a transformational experience that will stay with them life-long and give them the perspective to deal with the complex and ever changing realities of business and life.

The PGP 2012-14 cohort has come through one of the toughest of entry procedures administered by any B-school across the world. Our applicant-to-admit ratio of over 500:1 is a testimony to this.

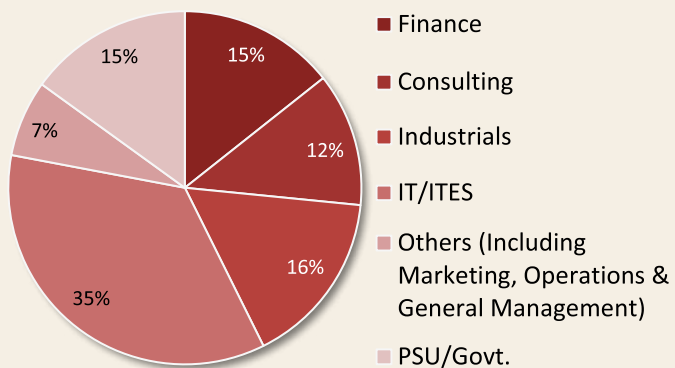

Like other batches in the past, I am sure the PGP 2012-14 will be an asset to the organizations the participants choose to join. They will not only contribute to the growth of the business but also to that of people around them in the organization.

As Chair of the Post Graduate Programme, IIMA, I welcome you in joining IIMA and the Class of 2014 in their quest to make a difference to this world!

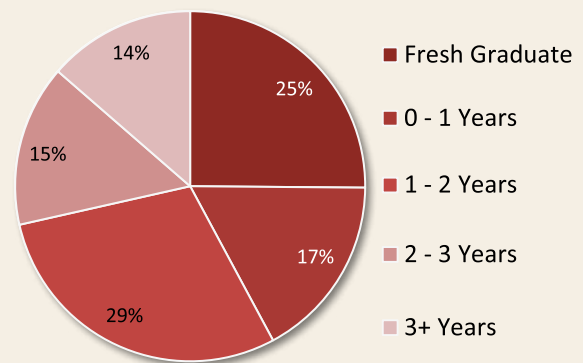

Professor Rekha Jain

BATCH PROFILE

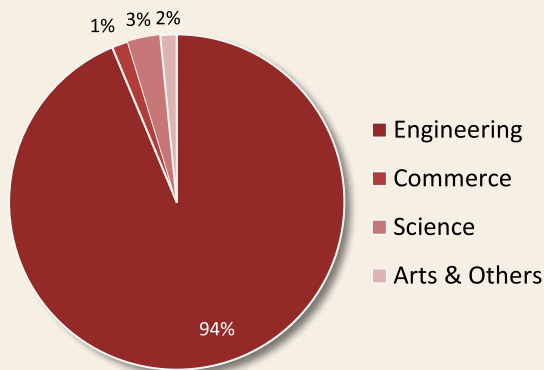

Work Experience - Industry

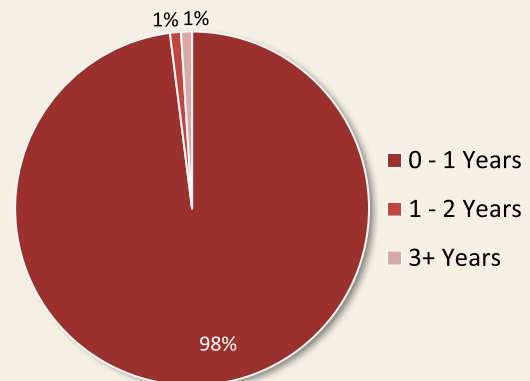

Work Experience - Duration

Educational Background

International Work Experience

STUDENT PROFILES

Post Graduate Programme in Management

A Arun Kumar

Education

B.E, Electrical and Electronics Engg, College of Engineering, Guindy

Work Experience

46 months, Powergrid Corporation of India Limited (PGCIL), Engineer

A versatile person, Arun led a team of 7, worked to deliver Powergrid's 1st unmanned substation & led its publicity at Indian Science Congress. He was an academic topper, NSS unit Gen. Secy, college magazine coordinator and is also a chess champion.

A K Senthil Kumar

Education

B.E, Electronics and Communication, R.M.K. Engineering College.

Work Experience

8 months, TCS, Assistant Systems Engineer-Trainee

State 1st in maths in X & XII & a consistent topper for 7 years in school, he also won a National Level paper presentation contest. An all rounder, he organized a National Level technical symposium in college and enjoys listening to Illayaraja music.

Aabhas Gupta

Education

B.A (H) Economics, Shri Ram College of Commerce, University of Delhi

Work Experience

Fresh Graduate

Rank 89 in Delhi School of Economics Entrance, Aabhas has scored above 94% in both board examinations. He has also attained First Position in a National level Business Simulation event and takes keen interest in sports mainly cricket and football.

Aakarshit Mehra

Education

B.Tech, Computer Engineering, NITK Surathkal

Work Experience

Fresh Graduate

An MTSE Scholar, Aakarshit was amongst 1% of his batch to be placed on Day 1 at Microsoft. He also qualified entrance exam for B'Stats at ISI Kolkata. Interested in puzzles, he was Convenor for Maths events in Tech Fest and loves playing football.

Aakash Shroff

Education

B.Pharm, Indukaka Ipcowala College of Pharmacy, Sardar Patel University

Work Experience

24 months, Maan Pharmaceuticals Ltd

Author of 3 National Level Conference papers, Aakash Shroff has served as the Representative of his college. An all-rounder during his 2 years of work he likes quizzing, Cricket and has participated in several State Level Football tournaments.

Aakriti Aggarwal

Education

B.Tech, Computer Science & Engineering, Jaypee Institute of Information Technology, Noida

Work Experience

Fresh Graduate

Adjudged best student in science stream in school, and having received merit certificates and a scholarship, Aakriti Aggarwal has shown academic excellence. An avid reader, she's a red belt holder in Taekwondo, and enjoys swimming and baking.

Aakriti Jayant

Education

B.Tech, Computer Engineering, Jamia Millia Islamia

Work Experience

21 months, CSC India Pvt Ltd, Associate Software Engineer

Rated an outstanding performer at CSC, Aakriti was a merit scholar at college and amongst top 5% in CBSE SSC at school level. She has won & organised many national level competitions. She is also certified in derivatives & financial markets by NCFM.

Abhay Manohar Ramteke

Education

B.E, Computer Science and Engineering, Walchand College of Engineering, Sangli

Work Experience

35 months, Infosys Limited, Senior Systems Engineer

A top performer at Infosys, Abhay won multiple awards and increased client revenue by \$2mn. A consistent topper at school, he was the International Service Director & Editor of Model UN Assembly at Rotaract Club. He has organized a flood relief camp.

Abheet Dwivedi

Education

5 Year Integrated M.Sc, Economics, IIT Kharagpur

Work Experience

12 months, Deutsche Bank, Analyst

Abheet earned a PPO from Deutsche Bank, where he developed quant based trading strategies and identified block trades. He has interned with RBI and CARE and was the Organising Head of IIT KGP's cultural fest. He also enjoys playing cricket.

Abhinav Tripathi

Education

B.E (Hons), Computer Science, BITS Pilani

Work Experience

30 months; Equirus Capital Pvt Ltd, Investment Banking Analyst (16 months); Futures First, Analyst - Commodities Trading (6 months)

A CFA L3 candidate, Abhinav has experience in Investment Banking, Derivatives Trading and has helped raise debt for an energy company. He was recipient of a merit scholarship and organized cultural events in college. He is an avid fiction reader.

Abhishek Deshmukh

Education

B.Tech, Mechanical Engineering, IIT Kharagpur

Work Experience

23 months, Procter & Gamble Limited, Associate Manager (Product Supply)

An NTSE, KVPY & CBSE merit scholar, Abhishek was awarded for departmental academics & co-founded Tech Transfer Group, at IIT Kharagpur. His work with international teams at P&G was awarded on 5 occasions. He enjoys dramatics & solving Rubik's cube.

Abhishek Kumar

Education

B.Tech, Computer Science and Engineering, SRM Chennai

Work Experience

6 months, Tata Consultancy Services, ASE Trainee

A recipient of Tata Steel Scholarship and SRMF Scholarship, Abhishek was ranked in the top 1% in his under-graduation. Apart from being school House Captain and Head of TCS Sports Meet organizing team, he has won many coding competitions and quizzes.

Abishai James

Education

B.Tech, Mechanical Engineering, IIT Kanpur

Work Experience

22 months, NTPC Ltd, Engineer (Coal Co-ordination)

An NTSE scholar, Abishai published a paper in National Journal on Non-Destructive Evaluation. As a Coordinator, he organised events in cultural & business fests at IITK. An adventure enthusiast & TT champion at work, he enjoys philately & numismatics

Achyuth Sanjay

Education

B.Tech, Mechanical Engineering, IIT Madras

Work Experience

Fresh Graduate

An NTSE scholar, Achyuth has cleared NSEP and NSEC in the top 300. He received the Institute Blues Certificate for allround performance in IITM. A BQC semifinalist, he has won many national quizzes and is a Grade 5 classically trained pianist.

Adithya S

Education

B.Tech, Computer Science and Engineering, NIT Trichy

Work Experience

32 months; iRunway India Private Limited, Senior Associate (30 months), Beroe Inc., Research Analyst (2 months)

A consistent topper, Adithya was 3rd among 223 students in class X. At iRunway he consulted on patent litigation & helped a client win \$20mn. Trained in Carnatic music for 15 years, he co-founded the Carnatic club at NITT & has performed concerts.

Aditi Sholapurkar

Education

B.Tech, Electronics & Communication, Vellore Institute of Technology

Work Experience

22 months, Bank of America - BA Continuum India Pvt Ltd, Sr. Tech Associate

Winner of 2 awards & the bank's highest ratings in a short span, Aditi has handled US & AsiaPac equity markets. She was in top 10% of her batch & organised international fests in VIT. She was a national level debater & Debate Society Undersecretary.

Aditya Agrawal

Education

B.Tech, Computer Science and Engineering, IIIT Hyderabad

Work Experience

29 months, Microsoft, Software Design Engineer

An NTSE scholar, Aditya was All-India top 35 in Intl Chemistry Olympiad & ranked 115 in IIT-JEE screening. A placement lead at IIIT, he got the Helping Hand award at Microsoft for excellence in mentoring. He is passionate about cars and rock music.

Aditya Kumar M

Education

B.Tech, Electronics and Communication Engineering, NIT Trichy

Work Experience

22 months, Samsung India Software Operations Pvt. Ltd., Senior Software Engineer

Contributor to a mathematical treatise on music & a percussion instrumentalist, Aditya ranked 14th in RMO & was in top 0.1% in CBSE Maths. An Integral member of SISO's 1st commercial firmware project, he also plays football and has won tournaments.

Aditya M Dixit

Education

B.E (Hons) Electrical and Electronics, BITS Pilani

Work Experience

Fresh Graduate

A Hindustan Times PACE all-rounder awardee & among top 10% of his dept. at BITS, he has consistently excelled in academics. He interned at MSCI, is a trained classical singer & has won many laurels in badminton and carrom at school & college levels.

Aditya Nagpal

Education

B.E (Hons), Electrical and Electronics, BITS Pilani

Work Experience

33 months; Futures First, Analyst - Interest Rates Market (18 months); CRISIL, Research Analyst (15 months)

Experienced in trading and quantitative financial research, Aditya is a CFA level 2 candidate. A top performer at work and in academics, he won many awards including S&P ACE. An enterprising person, he was early stage member of a non-profit startup.

Aditya Shashank

Education

B.E, Control & Instrumentation, Thapar University

Work Experience

20 Months, Reliance Power Ltd, Assistant Manager

Silver Medallist in college with CGPA 9.81, Aditya was awarded Merit Certificate by CBSE (Top .1%) in Mathematics. He was recognized as employee of the month twice. He organized blood donation camp at office. He loves playing TT and writing Ghazals.

Aditya Singh

Education

B.E, Mechanical Engineering, BITS Pilani Goa Campus

Work Experience

34 months, BHEL, Purchase Engineer Trainee (10 months); Crompton Greaves (CG), Executive Design Engineer (24 months)

Ranked 2nd in U-14 Lawn Tennis at India level, Aditya filed 4 patents for Crompton Greaves. A top performer at BHEL, he developed foreign vendors and implemented e-procurement system. He organized National Events and was a part of PR team in college.

Agalya V

Education

B.E, Electronics and Communication, Sri Sairam Engineering College, Chennai

Work Experience

18 months, Tata Consultancy Services Ltd, Assistant Systems Engineer

Being the Best Outgoing Student in UG, Agalya was recognised as 'Harbinger' – a forerunner by TCS. She is among the top 0.3% in ECE Dept. Anna University & has convened a national level Technical symposium. A district-level orator & throwball player.

Agrawal Alok Shriprakash

Education

B.Tech, Computer Science and Engineering, NIT-Warangal

Work Experience

22 months, NetApp India Pvt. Ltd, Member Technical Staff (11 months, Functional QA; 11 months, Software Developer)

Alok was a placement coordinator for 130 students and led a team of 6 in coding event at NITW. Working in different roles helped him understand various aspects of business. His initiative on automation reduced manual effort by 15%. He loves to cook

Agyeya Sharma

Education

B.Tech, Chemical Engineering, IIT Bombay

Work Experience

23 months; Deloitte Consulting, DC Business Technology Analyst (11 months), Capital One, Associate (12 months)

An NTSE scholar, 99.99%ile in CAT, Agyeya led a 100 member team at Asia's largest technology festival-Techfest and has won several accolades in cultural activities. He was applauded at work for taking up additional responsibility of complex functions.

Ajeeth Pal Kumaran S

Education

B.E, Electrical and Electronics, Government College of Technology, Coimbatore

Work Experience

21 months, Tata Consultancy Services Ltd, Assistant Systems Engineer

State Level Quizzer & Editor of Dept Magazine, Ajeeth is a HP Certified Automation Tester. A competent leader, he has co-ordinated National Level Symposium & organized Placement Training sessions at GCT. He loves strategy computer games and cooking.

Ajitesh Shankar Das

Education

B.Tech, Mechanical Engineering, Sardar Vallabhbhai NIT Surat

Work Experience

6 Months, Indian Oil Corporation Limited, Mechanical Engineer

A keen Quizzer, Ajitesh has won 20+ quiz contests. Consistent performer academically, he has been awarded certificates in Talent Search contests. Core committee member of marketing & HR clubs at TISS, he also volunteered in many social initiatives.

Akansha Baliga

Education

B.E, Electronics and Communications, PESIT, Bangalore

Work Experience

Fresh Graduate

Co-author of an international paper, Akansha was 6th in National Math Talent exam, received the Lasrado Award, MRD scholarship & has a CGPA of 9.15. She was the Editor of the college magazine, organized an inter-collegiate JAM & is an avid traveler.

Akash Kumarapillai

Education

B.Tech, Mechanical Engineering, IIT Hyderabad

Work Experience

Fresh Graduate

An NTSE scholar, Akash was regional 3rd in Hindu YW quiz. He was national 9th in PCM scholarship exam & won cricket, football & BQC at school-level. The Cultural Secretary at IIT-H, he also headed the Quiz club, Speakers club & a college fest domain.

Akash Saxena

Education

B.Sc, Information Technology, Malini Kishor Sanghvi College of Commerce & Economics, Mumbai

Work Experience

Fresh Graduate

AIR 32 in KV Math Olympiad, Akash received CBSE 0.1% merit certificate in X Math. After being Institute Rank 1 in 1st year of college, he secured 99.92%ile in QADI-CAT11 & 99.97%ile in MAH-CET12. A team player, he enjoys swimming, football & squash.

Akash Wakodkar

Education

B.Tech, Computer Engineering, VJTI, Mumbai

Work Experience

21 months, Morgan Stanley Advantage Services, Senior Associate

A 'Dhirubhai Ambani SSC Merit Reward' winner, top 0.03%iler in MHT-CET, CFA L2 candidate, Akash worked on integration of Morgan Stanley-Smith Barney. A state level chess player, VJTI Social coordinator, he has performed at Indian National Theatre.

Akshat Singhal

Education

M.Sc (Technical), Information Systems, BITS Pilani Goa Campus

Work Experience

Fresh Graduate

3rd in his dept scoring 10/10 in ~50% courses, Akshat worked as professional assistant to profs at BITS. S/W developer & consultant to many firms, he also developed s/w for virtual classrooms. He has been part of social initiatives & likes trekking.

Akshaya Sivakumar

Education

B.Tech, Computer Science and Engineering, IIT Madras

Work Experience

Fresh Graduate

A 9 pointer at IITM, Akshaya was offered the Quant Analyst role by Goldman Sachs. She interned at Microsoft Research, was a finalist at Google Women in Engineering Conclave & Coordinator for IITM's NSS chapter. She enjoys Wodehouse and Doyle's works.

Akshit Sharma

Education

B.Tech and M.Tech (Dual Degree - Honours), Computer Science and Engineering, IIT Kharagpur

Work Experience

23 months, Google, Software Engineer

An institute silver medalist, a US patent holder and co-author of an international conference paper, Akshit stood 2nd in Delhi level TT championships and was a bronze medalist swimmer at IIT. He is a USPA certified L1 skydiver & loves playing guitar.

Amarjeet Chauhan

Education

B.Tech, Information Technology, USIT, Guru Gobind Singh Indraprastha University

Work Experience

7 months, Newgen Software Ltd, Software Engineer

A National Scholarships Merit scholar and among top 0.1% in Science in AISSE. Received the best project award in University. Head Coordinator in Fine Arts event organized by University. An avid cricket follower and loves weight training.

Amit Ajit Agarkhed

Education

B.E, Electrical and Electronics, BITS-Pilani

Work Experience

35 months, Intel India, Graphics Software Engineer

Recipient of the 2nd highest employee recognition award, Amit led the design team & prevented a loss of 1 lakh processors. Co-author of an int'l conference paper, he also won a national VLSI design contest. He is also active in sports & social work.

Amit Kumar

Education

B.Tech, Mechanical Engineering, NIT Jamshedpur

Work Experience

10 months, Renault-Nissan Automotive India, Production Department

4 times TATA MOTORS scholarship holder, Amit has won quizzes and events like BAJA SAE India at the district and national level. He was the Head Coordinator at a national-level Techno-Management Fest and member of various clubs. He likes singing too.

Amit Singh

Education

B.Tech, Computer Science & Engineering, Jaypee University of Information Technology, Solan

Work Experience

12 months; Arch-En Design, Web Developer and Designer (10 months); Quizmine, Software Engineer (2 months)

An NTSE scholar, Amit Singh obtained silver merit in National Cyber Olympiad. He contributed significantly to automation and search solutions for mobile apps at Quizmine and to web development at Arch-En Design. He loves coding and playing cricket.

Anand Boob

Education

B.E (Hons) Computer Science, BITS Pilani

Work Experience

23 months; Texas Instruments India, Software Engineer (15 months); Fiorano Software Technologies, Software Engineer (8 months)

A Dhirubhai Ambani Scholar, Anand was 2nd in state in 12th among 10 Lac students. He developed business tool that facilitated entry into Japanese market & was awarded Best Team Player at Fiorano. He also volunteered with a microcredit NGO for 1 year.

Ananya Rath

Education

B.Tech, Civil Engineering, IIT Madras

Work Experience

Fresh Graduate

School topper in the SSC(X) exam, Ananya stood third in a national level design competition. Winner of a basketball tournament at college, she won the C.B.S.E Inter-school debate and takes interest in reading crime-fiction and in singing.

Aneesh Saxena

Education

B.Tech, Mechanical Engineering, IIT Bombay

Work Experience

10 months, Diamond Management & Technology Consultants (Now PwC US Advisory), Associate

A professional guitarist, Aneesh has played at venues like Bombay Gymkhana and recorded with artists like Neha Bhasin on albums like “Khizaan Ke Din”. He was top 1% at the National Physics Olympiad and selected twice for the National Math Olympiad.

Aneesha K

Education

B.Tech, Electronics and Communication Engineering, VNR VJIET, JNTU Hyderabad

Work Experience

23 months, Infosys Limited

Gold Medalist & the House Captain in school, Aneesha has been Student Coordinator-ECE Association in UG. Her paper won 2nd prize at National level. She was Star Infoscion, Core Member-Diversity & Inclusivity club. She is interested in Social service.

Aniket Jain

Education

B.Tech, Electronics and Communication Engineering, IIT Roorkee

Work Experience

34 Months; Credit-Suisse, Senior Analyst, (28 months); Dar-al-Handasah, Telecommunication Engineer, (6 months)

Aniket did a record 51 trade reviews, won individual & team award for contribution at Credit-Suisse. He was an event manager & member of organizing committee at IITR cultural fest. Runner up in hostel football event, he is a keen sports enthusiast.

Anil Kumar Vishwanadhula

Education

B.Tech, Computer Science and Engineering, IIT Guwahati

Work Experience

36 months, Yahoo!, Technical Lead

A CBSE Merit Scholar, Anil was ranked 904 in IIT JEE & 281 in AIEEE and did research internship in Italy. Highest rated performer in Yahoo!, he got fastest promotion twice & represented Yahoo! in campus interviews. He loves music and plays volleyball

Anirban Roy Choudhury

Education

B.Tech, Computer Science and Engineering, West Bengal University of Technology; M.Tech, Computer Engineering with specialization in Nuclear Engineering, Homi Bhabha National Institute, Mumbai

Work Experience

40 months; Bhabha Atomic Research Centre, Scientific Officer (34 months); Allahabad Bank, Probationary Officer (1 month); Brainware India Pvt Ltd, System Support Executive (5 months)

Homi Bhabha Gold Medalist at BARC, UG Dept topper & author of international publications, Anirban is also an IEEE DSN Student Awardee. Involved with MHRD's Spoken Tutorial Project, he holds senior diploma in art and is a trained Hindustani Vocalist.

Anirud Srinivasan

Education

B.E, Mechanical Engineering, College of Engineering, Guindy

Work Experience

16 months, Caterpillar, Manufacturing Technician

Among top 0.1% in Introductory IT in 10th exams, Anirud has won an institutional endowment award for topping production process labs. A versatile person, he is a PADI certified Open Water Scuba Diver and winner of Aeromodelling and Math competitions.

Aniruddha Jaju

Education

B.E, Electronics and Communication Engineering, Manipal University

Work Experience

21 Months, Cisco Systems, Customer Support Engineer

A school topper in 10th and 12th, Aniruddha is a Cisco Achievement and Spark Awards winner. He is a district-level TT player and was the IQ Society head in college. He has 6 weeks of practical training experience in Greece and loves adventure sports.

Anitha P

Education

B.E, Computer Science and Engineering, R.M.D. Engineering College, Anna University

Work Experience

9 months; TCS, Assistant Systems Engineer (7 months); Semantics, Trainer (2 months)

Gold medalist for Best Outgoing Student in UG, recipient of Rashtrapati award for Guides, Anitha was school student council president and department Joint secretary. With prizes in Volleyball, Throwball, TT, Music & Dramatics, She is an allrounder.

Ankit Bhageria

Education

B.Tech (Dual degree), Electronics and Communication, M.Tech (Dual degree), Wireless Communication, IIT Roorkee

Work Experience

31 months, iRunway India Pvt. Ltd., Senior Associate

Ankit is a silver medallist at IIT-Roorkee and an Australian DOD scholar. A star performer at iRunway, he has consulted in over 10 litigations and helped clients win \$50 million in settlements. He has won several competitions in quizzing & philately.

Ankit Bhura

Education

B.E, Chemical Engineering, Jadavpur University

Work Experience

10 months, BPCL, Operations Officer

A school topper in class X, Ankit has won a national level paper presentation competition and ranked 21st in a National level maths competition. An all-rounder, he has won accolades for sports and dance. His interests include cooking and teaching.

Ankit Garg

Education

B.Tech, Electrical Engineering, IIT Kanpur

Work Experience

11 months, Deutsche Bank, Analyst

Ankit priced mortgage backed securities & implemented key strategies to reduce RWA at Deutsche Bank. District topper in Xth & among top 0.05% in AIEEE, he was Department Placement Coordinator & student counsellor at IIT. He loves football & cooking.

Ankit Sisodia

Education

B.Tech, Electrical Engineering, Institute of Technology, Banaras Hindu University

Work Experience

38 months, Tata Consultancy Services, Systems Engineer

A NTSE Scholar, Tata Crucible runner-up & AIR 120 in the National Science Olympiad, Ankit was an outstanding contributor to his project at TCS and a scholar at DPS for 9 years. At BHU, he was the Coordinator of the Inter Faculty Youth Festival.

Ankur Banka

Education

B.E, Computer Science, BMSCE

Work Experience

9 months, JP Morgan Chase, Analyst

With an AIR -6 in UNESCO, Semester rank 2 in university and a merit scholarship, Ankur is an ace performer who has been a member of department fests in college. He has won quizzes, speech competition and takes keen interest in movies & table-tennis.

Ankur Goyal

Education

B.Tech, Chemical Engineering, IIT Delhi

Work Experience

11 months, Kellogg Brown & Root (KBR), Associate Technical Professional

An NTSE & CBSE Merit Scholar, among top 1% in National Physics & Chemistry Olympiads, Ankur interned at Unizar, Spain & participated at IYF, Russia. He is a State level TT player, captained the IITD team and was elected the House & Sports Secretary.

Ankur Gupta

Education

B.Tech, Mechanical Engineering, IIT Delhi

Work Experience

Fresh Graduate

A CBSE Merit scholar, Ankur has won many academic awards and scholarships in college and has presented research papers in conferences. Adaptable and versatile, he co-developed an F1 style car in his association with SAE. He loves playing squash & TT.

Anubhav Bhattacharjee

Education

Integrated B.Tech+M.Tech, Mechanical Engineering (Product Design), IIT Madras

Work Experience

Fresh Graduate

Scored 1600/1600 in GRE. Anubhav published 2 papers during his Summer Fellowship at Colorado State University. He founded The Colloquium, a student discussion forum at IITM. He enjoys photography & has also won several quizzes at the national level.

Anubhav Sinha

Education

B.Tech, Electrical Engineering, IIT Roorkee

Work Experience

33 Months, Technip KT India Ltd, Electrical Engineer

Ranked 46th in a National level Math Aptitude Test, he was rated the best among his peers at work and his contributions were commended. A sports enthusiast, he represented school in TT at cluster level. He likes playing guitar & investing in stocks.

Anugrah Jain

Education

B.Tech, Electrical Engineering, IIT Kanpur
