[Universities in India](#)

(By University name)

[College Directory](#)

(By District)

This page features information about various Universities offering courses in Distance Education / Open University mode in India. Please visit [Universities in India](#) for list of Universities offering Regular / Full-time / Part-time / Evening courses.

**Admission Notifications of other Universities**[Arts Admissions](#)**Important Note**[Engineering Admissions](#)

It is highly advised that students who wish to enroll into a Distance Education / Correspondence Course to confirm if the University and the course into which the student wishes to enroll is recognized by the **Distance Education Council (DEC)**, New Delhi. The DEC is the body responsible for the promotion and coordination of the open university and distance education system, and for the determination of its standards. Students enrolling into courses of universities that are not DEC Recognized might be doing so on their own risk as the course could not be valid for some higher studies / job opportunities.
