

Information for the IIT Bombay Research Fellowship and Summer Internship Schemes

IIT Bombay Research Fellowship and Summer Internship Schemes aim to attract professionals and students of proven academic calibre towards research activities at IIT Bombay. The awardees are expected to work on research projects and could be considered for admission into post-graduate degree / PhD programs subject to fulfilling normal IIT-Bombay admission requirements. You may apply for either the Research Fellowship or the Summer Internship :

IIT BOMBAY RESEARCH FELLOWSHIP SCHEME

The awardees will be selected based on their academic record and an interview. They will be expected to work on research projects for a minimum period of two years in different Departments / Schools/ Centres/Inter-Disciplinary Programs based on their academic background and research interests.

- The Research Fellowship scheme is open to B.Tech./B.E./M.A./M.Com/M.Sc./M.E./M.Tech or equivalent degree holders with experience in teaching/research/industry.
- Between Rs.8,000-10,000 p.m. (for awardees with B.Tech./B.E./M.Sc. or equivalent qualification). Degree holders with experience may be considered for a higher fellowship amount.
- Other benefits include funding for participation in national/international conferences, library facilities, hostel accommodation, and working with foreign research collaborators (where applicable)

IIT BOMBAY SUMMER INTERNSHIP SCHEME

The awardees (who have not completed their degrees) will have the opportunity to work on research projects under the mentorship of faculty members/scientists during their summer vacations. On completion of their degrees they could be considered for research Fellowship subject to performance during Summer Internship. The Summer Internship scheme is open to pre-final/final year B.Tech./B.E./M.A./M.Com/M.Sc./M.E./M.Tech/MBA/M.B.B.S. or equivalent degree students.

- Rs. 3,000/- p.m. for Summer internship (for a maximum of two months)
