

ISO 9001-2000 Certified Institute
INDUSTRIAL TRAINING INSTITUTE
SARKHEJ, AHMEDABAD

ITI Sarkhej is mission bound to create “Industry Ready” trainees.

Institute is ISO 9001-2000 Certified Government ITI in the state. This shows our assurance and commitment for quality services.

Keeping in view to provide Manpower to different industries and to be helpful to provide employment this Institute is carrying over with different Service sector courses **Construction, Instrumentation, Apparel Park, Instrument, Electrical, Mechanical, Garment, Auto mobile, Computer, Moduable Employable Scheme (M.E.S.)**. More over Institute given Spoken English training to all trade trainees for improve their communication skill in English.

Industrial Training Institute, Sarkhej, Ahmedabad under the Directorate of Employment Training, Gandhinagar was initially set-up in the year of 1979 the intake capacity of 80 seats. The institute has covered 1,514.40 sp.mt including Administrative Block, Workshop and Hostel Building. The institute running since last 27 year. The Objective of this Scheme is to create skilled craftsman.

So far, the training curriculum and syllabus is concerned, it follows the standards laid down by National Council for Vocational Training (NCVT) under the guidance of Directorate General of Employment of **28** trade with above **1740** sanctioned seats. Each trade is equipped with Most Modern machineries and equipments, full fledged work-shops, laboratories, training facilities & well trained instructors.

The Craftsman Training Scheme (CTS) training programs conducted are of one year and two years duration. Training program is run in three shifts. The courses are practical intensive in nature, the theoretical knowledge, given in the institute is such as to complement the practical knowledge.

To assess the skill of training and to encourage the trainees for better performance, quarterly test, all india trade test for all trades, the state skill competition and all india skill competition are being organised in selected trades under CTS.

Different Training Programmes Run by the Institute

CRAFTSMAN TRAINING SCHEME (CTS) (NCVT & GCVT)

The training of one to two years duration is imparted in the institute. National Trade Certificate is issued through the Director General of Employment and Training, New Delhi to the successful trainees who passed the examination in the trade under NCVT Scheme. State Trade Certificate is also issued through Gujarat Vocational Training (GCVT) for the Trade of State level. The State level trades are designed to meet local / & specialized needs.

Entrance qualification for the admission in various trades are from std 7th to 12th. After the declaration for the SSC results, admission procedure commenced by giving advertisement in the newspapers and thereafter fully computerised admission process is undertaken. Number of seats are to be filled in a particular session can be known before state of the session.

CONSTRUCTION SKILL TRAINING CENTER (CSTC)

With Globalization, Indian Construction Industry is now open to the world, resulting in a growing demand for world-class quality workmanship and deployment of latest technologies in both the materials used and the methods of construction. This is mainly due to the need to complete projects at reduced cost, coupled with speed and safety. This turn demands a drastic increase in productivity of men and machines, which can be achieved only by imparting intensive training to workmen and equipping them with the required knowledge and skill in construction.

Realising all this, Director of Employment and Training, Gandhinagar take steps to provide construction vocational training in Gujarat started Construction Skills Training Centre (CSTC). CSTC will develop a trained workforce through structured training.

APPAREL PARK OPERATOR TRAINING PROGRAMME

To meet the demand of trained manpower for apparel industries by upgrading existing I.T.I. with requisite facilities for providing training in apparel production, three different courses are available in the institute under this programme.

CENTRE OF EXCELLENCE (COE) (INSTRUMENTATION)

Vocational training skills imparted by ITIs must keep pace with the technological demands of the industry and the expanding universe of knowledge to produce world class workforce. The Centre of Excellence will cater to the skill requirements of the cluster of industries in the particular areas by organising multiskilling courses on modular pattern.

M.E.S. PROGRAMME

By upgrading existing ITI with requisite facilities for providing training in the scheme of M.E.S. under D.G.E.T, New Delhi.

(As per requirement of local scenario)
