Notes:

1. Conduct of Examinations

- STARTING TIMES OF EXAMINATIONS: Each examination must be taken on the day and at the time shown on the timetable. The published starting time of all examinations is either 9.00 a.m. or 1.30 p.m. Candidates with more than one examination in a session should take these consecutively. A supervised break may be given between consecutive examinations at the discretion of the centre.
- Centres may start examinations earlier than, or later than, the published starting time for the session without prior permission from Edexcel. However, in order to maintain the security of the examination all candidates must start examinations scheduled for a morning session no earlier than 8.30 a.m. and by 9.30 a.m. and for an afternoon session no earlier than 1.00 p.m. and by 2.00 p.m., except where arrangements have been made for dealing with timetable clashes. No other departure from the timetable is permitted without the prior written approval of Edexcel.
- Candidates who take an examination earlier than the published starting time shown on the timetable must remain under supervision until one hour after the published starting time for that examination.
- Candidates who take an examination later than the published starting time shown on the timetable must remain under supervision from 30 minutes after the published starting time for the paper concerned until the time when those candidates begin their examination.
- When a change is made to the published starting time for an examination it is the responsibility of the centre to inform all candidates affected by the alteration.

2. Subject specific notes

- Applied ICT
 - The designated five day window for GCE ICT Unit 6953, The Knowledge Worker, is Monday 07 January to Friday 11 January 2013. The examination is 2 hours and 30 minutes in duration and must be taken in one sitting during the designated five day window.
- GCE ICT Unit 6957, Using Database Software, and ICT Unit 6959, Communications and Networks, are 10 hours of supervised work, with the candidates performing a special task. Candidates may perform these tasks over two or three days during their normal lessons. The designated window for these units is between Monday 07 January 2013 and Friday 25 January 2013. Modern Foreign Languages
 - The GCE French, German, Spanish, Unit 1 Speaking Tests conducted by Teacher Examiners must take place between Friday 30 November 2012 and Friday 4 January 2013.
 - GCE French, German and Spanish centres with larger cohorts (e.g. 30+ candidates) wishing to maximise use of their language laboratory facilities by letting groups of candidates undertake the Unit 2 listening element separately, are free to do so as long as they adhere to the following conditions:
 - Each group using a language laboratory for the listening assessment should be allocated the same amount of time (45 minutes) for this section of the examination.
 - All papers should be taken in by the invigilators at the end of the 45 minutes and then redistributed to candidates once they have been escorted to another examination room.
 - Candidates should not restart their Unit 2 assessment until instructed to do so. They must then be allocated the remaining time (1 hour 45 mins)
 - Candidates should be 'quarantined' to ensure that they cannot talk to each other about the content of any aspect of the Unit 2 assessment.
 - To facilitate assessment of the listening element, centres are advised that as another alternative to candidates using individual CD listening devices, centres are also able to download secure sound files to MP3 players.
 - GCE A2 Geography Unit 6GE03 - Synoptic resources will be pre-released as advance information a minimum of four working weeks before the examination via the Edexcel website (www.edexcel.com). There is no restriction on the use of pre-released synoptic resources in teaching prior to the examination
 - GCE A2 Geography Unit 6GE04 - Research focus material for each option will be pre-released as advance information a minimum of four working weeks before the examination via the Edexcel website (www.edexcel.com)
