1. Category “**K**” refers to those applicants who have passed their Secondary School Certificate (Matric), Higher Secondary Certificate (Intermediate) or equivalent, and graduation degree from educational institutions situated in Karachi and also recognized or affiliated by the University of Karachi.

Five percent (5%) seats have been reserved for applicants who have completed their graduation from other degree awarding institutions situated in Karachi and recognized by the University of Karachi.

3. Category “**P**” refers to those applicants who have passed at least one of the certificates (Matric or Intermediate) or degree examinations from a recognized educational institution outside the Province of Sindh or Pakistan.

Preference in admissions is given to “**K**” category candidates. In case seats are left vacant, “**S**” category candidates are considered. If seats are still available then consideration is given to “**P**” category candidates.

As per directives of the Academic Council, 30 seats have been allocated for the students of Interior Sindh, besides “S” Category, in those subjects which are not offered in the Public Sector Universities of Interior Sindh. However, such students should have the domicile of Interior Sindh and they must have acquired the entire education from that area.

Keeping in view the prevailing situation of Balochistan, 20 seats have been allocated for the deserving students of this province. However, conditions applicable on the students of Interior Sindh will be followed here as well.

Admissions in the University are given strictly as per the above mentioned criteria of categories.
