

SRM University Celebrates Placement of 3215 students in 2012

SRM University celebrates Placement 2012, a record breaking event in the country with 3215 placement across 145 major top line companies from India and abroad.

TCS made a record number of 1214 job offers followed by Accenture with 849 and Wipro 273 offers. In case of Accenture, 849 job offers made at SRM University, is the highest that it has ever made in a “single campus across the country”, said Dr. M. Ponnaivaikko, Vice Chancellor of SRM in a release. SRM has become the most preferred institute for industry to strike collaborative initiatives, exciting students and faculty on research and cutting edge technology. This year was marked with Accenture opening up an Innovation Centre in campus.

SRM University provides a unique opportunity for students to pick their choice from across 275 companies. This includes IBM, Microsoft, Oracle, Citi, ICICI, TATA, L&T, Essars, Hyundai, Ford, Bosch, Technip, Deloitte, Earnest & Young, Price Water Copper and Glaxo, to cite a few.

A great beginning was made this year by placing close to 1000 students as paid project intern in their final semester across the disciplines- Mechanical, Electrical, Civil, Computer Science, Electronics & Communicating, IT, Bio Technology, and others. SRM is quite successful in its innovative approaches in sponsoring hundreds of students every year to worlds best 56 universities , MIT, Harvard, Cornell, Carnegie, University of Wisconsin, University of California, Warwick, NUS, Western Australia, Tokyo University and others, for a semester for studies and projects to be able to take global leadership position .

The Dual degree Program and the Twining Program gives students a lot of scope to explore the best of both universities. It provides a unique opportunity to students to pursue an exciting career options in USA, Europe, Singapore, Japan and Australia. The international student community have been increasing in the last few years. The students from 52 countries have the best of experience here and are well prepared as they finally get placements in their own country in top line positions.

The excellent opportunity and support provided in SRM grooms the student community to have the confidence to make the right choice and move up the ladder of success.
