Courses and Admission Criteria

Department offers Bachelor of Engineering in Biomedical Instrumentation Engineering, Civil Engineering, Computer Science and Engineering, Electronics and Communication Engineering, Electrical and Electronics Engineering, Food Processing and Preservation Technology, Information Technology, Printing Technology, and Master of Engineering in Computer Science and Engineering, Food Technology, and Biomedical Instrumentation courses.

Masters Programs

Course Name: Master of Engineering (Computer Science & Engineering)

Course Detail: The department offers Master of Engineering in Computer Science and Engineering. It is a two years full time degree programme.

Course Affilition: Other

Admission Criteria: The candidate should have passed graduation or equivalent from any recognized university. Selection will be based as per the university norms.

Course Name: Master of Engineering (Food Technology)

Course Detail: The department offers Master of Engineering in Food Technology. It is a two years full time degree programme.

Course Affilition: Other

Admission Criteria: The candidate should have passed graduation or equivalent from any recognized university. Selection will be based as per the university norms.

Course Name: Master of Engineering (VLSI Design)

Course Detail: The department offers Master of Engineering (VLSI Design). It is a two years full time degree programme.

Course Affilition: Other

Admission Criteria: The candidate should have passed graduation or equivalent from any recognized university. Selection will be based as per the university norms.

Course Name: Master of Engineering (Medical Electronics)

Course Detail: The department offers Master of Engineering (Medical Electronics). It is a two years full time degree programme.

Course Affilition: Other

Admission Criteria: The candidate should have passed graduation or equivalent from any recognized university. Selection will be based as per the university norms.

Bachelors Programs

Course Name: Bachelor of Technology (Biomedical & Instrumentation Engineering)

Course Detail: The department offers Bachelor of Technology in Biomedical & Instrumentation Engineering. It is a four years full time degree programme.

Course Affilition: Other

Admission Criteria: The candidate should have passed 10+2 or equivalent from any recognized board. Selection will be based as per the university norms.

Course Name: Bachelor of Engineering (Civil Engineering)

Course Detail: The department offers Bachelor of Engineering (Civil Engineering). It is a four years full time degree programme.

Course Affilition: Other

Admission Criteria: The candidate should have passed 10+2 or equivalent from any recognized board. Selection will be based as per the university norms.

Course Name: Bachelor of Engineering (Computer Science & Engineering)

Course Detail: The department offers Bachelor of Computer Science and Engineering. It is a four years full time degree programme.

Course Affilition: Other

Admission Criteria: The candidate should have passed 10+2 or equivalent from any recognized board. Selection will be based as per the university norms.

Course Name: Bachelor of Engineering (Electronics & Communication Engineering)

Course Detail: The department offers Bachelor of Engineering (Electronics and Communication Engineering). It is a four years full time degree programme.

Course Affilition: Other

Admission Criteria: The candidate should have passed 10+2 or equivalent from any recognized board. Selection will be based as per the university norms.

Course Name: Bachelor of Engineering (Electrical & Electronics Engineering)

Course Detail: The department offers Bachelor of Engineering (Electrical and Electronics). It is a four years full time degree programme.

Course Affilition: Other

Admission Criteria: The candidate should have passed 10+2 or equivalent from any recognized board. Selection will be based as per the university norms.

Course Name: Bachelor of Engineering in Food Preservation & Processing Technology

Course Detail: The department offers Bachelor of Engineering in Food Preservation and Processing Technology. It is a four years full time degree programme.

Course Affilition: Other

Admission Criteria: The candidate should have passed 10+2 or equivalent from any recognized board. Selection will be based as per the university norms.

Course Name: Bachelor of Engineering (Information Technology)

Course Detail: The department offers Bachelor of Engineering (Information Technology). It is a four years full time degree programme.

Course Affilition: Other

Admission Criteria: The candidate should have passed 10+2 or equivalent from any recognized board. Selection will be based as per the university norms.

Course Name: Bachelor of Engineerig (Printing Technology)

Course Detail: The department offers Bachelor of Engineering (Printing Technology). It is a four years full time degree programme.

Course Affilition: Other

Admission Criteria: The candidate should have passed 10+2 or equivalent from any recognized board. Selection will be based as per the university norms.

Facilities

Infrastructure Overview: The department's infrastructure is well furnished with all modern facilities.
