The Rawls College of Business is proud to present its MBA for Working Professionals programs.

A graduate education that fits your busy lifestyle.

An excellent value

Quality

- Top-ranked, award-winning business faculty with real-world experience who are leaders in their fields
- In-class discussion and coursework based on students' industry-related experience
- Accredited by the Association to Advance Collegiate Schools of Business (AACSB)

Value

- Engaging curriculum provides tools to significantly improve business performance
- Fully accredited 45-hour MBA program for half the cost of similar programs
- Program schedules accommodate busy work and family lives
- 35–40 students per class

Service and Convenience

- Registration, books, student ID, etc., administered by the Center for Professional Development
- High-quality catered meals provided while on campus
- Video-recorded classes for reviewing at students' convenience

Program Cost

- \$39,000 for Texas residents*
- Nonresidents pay the applicable nonresident tuition surcharge per semester credit hour
- Advanced program fee (deposit) of \$1,000 due upon acceptance to hold a seat in the program
- \$100 non-refundable application fee
- Financial aid and payment plans available

**For 2013 entering classes. Future program cost subject to change.*

Two accessible programs for a variety of working lifestyles

Weekend MBA for Working Professionals

- 27-month program
- Meets one weekend per month
- Saturday and Sunday classes

Week-block MBA for Working Professionals

- 27-month program
- 5 one-week block sessions

The 2013 entering class meets August (year one), January and August (year two), and January and August (year three).

Admission Requirements

- Bachelor's degree
- 3+ years of professional work experience required
- GMAT scores not required

From here, it's possible.

“They are elevating this program beyond simply getting an MBA. You apply your own business to the assignments. I have found this to be empowering on a personal and professional level.”

— Paul Scioli (Week-block Graduate)
