

# Birla Institute of Technology & Science, Pilani

Pilani | Goa | Hyderabad | Dubai

“Let's create tomorrow's leaders, today”

## BITS Pilani invites applications for faculty positions

From its campuses in Pilani, Goa, Hyderabad and Dubai, BITS Pilani offers formal education and research programmes in Physical Sciences, Engineering, Pharmacy, Social Sciences and Management. With a view to establish itself as one of India's top research-led universities, and be amongst the leading technical universities in the world, BITS Pilani has embarked upon an aggressive plan to expand its PG and Ph.D. research programmes, while consolidating its UG programmes.

For over three decades, BITS Pilani has been offering from its campuses, and off-campus locations, continuing education programmes for professionals working in industry through its Work Integrated Learning Programmes (WILP), leading to award of UG,PG degrees in Engineering Technology, Manufacturing Engg., Management, Microelectronics, Power Engg., Process Engg., Software Engg., and Systems Engg. The Institute has ambitious plans to grow and strengthen these programmes.

### Faculty positions on-campus

BITS Pilani invites motivated and research-focused faculty with an outstanding academic background, and potential to excel in research and teaching, to apply for positions of Assistant Professor, Associate Professor and Professor for its campuses in Pilani, Goa and Hyderabad in following disciplines:

Chemical Engg., Civil Engg., Computer Science & Engg., Electrical, Electronics and Communication Engg., Instrumentation Engg., Mechanical Engg..

Biological Sciences, Physics, Chemistry, Mathematics

Economics & Finance, Humanities, Languages, Management

Pharmacy

Candidates with a recent Ph.D. in respective discipline will be considered for appointment as Assistant Professor, while those with post-PhD experience of 6 years or more may be considered for higher positions.

Candidates who only have an ME/MPhil/MBA in Engg., Mathematics, Humanities, Languages, Management, Economics and Finance, and are interested in pursuing a Ph.D., may be considered for appointment as Lecturer for up to 6 years to enable them to contribute to teaching while pursuing a Ph.D. degree.

The details concerning required background and experience, compensation, benefits, and growth opportunities are given at [www.bits-pilani.ac.in/FacultyPositions](http://www.bits-pilani.ac.in/FacultyPositions).

### FacultyPositions.

Candidates are required to file their applications on-line, with details of their educational background, experience, academic achievements.

Eligible candidates may apply anytime at the above website. **Applications received up to 28th February, 2013 will be processed starting early March 2013**, while those received later will be taken up in next cycle.

For more information, write to Dean, Faculty Affairs, BITS Pilani, Pilani 333031, Rajasthan or to [DeanFacultyAffairs@pilani.bits-pilani.ac.in](mailto:DeanFacultyAffairs@pilani.bits-pilani.ac.in).

### Faculty positions off-campus

BITS Pilani offers opportunities to individuals with outstanding academic background to pursue an academic career as faculty members in off-campus programmes (WILP) and mentoring students from the institute's on-campus programmes undergoing "Practice School" in industry.

The institute is looking for faculty in following disciplines, and to be working from centres at Bengaluru, Chennai, Delhi, Hyderabad, Mumbai, Pune.

Disciplines: Computer Science, Software Engg., Mechanical Engg., Manufacturing Engg., Management, Mathematics, Electrical & Electronics Engg., Chemical Engg.

Candidates with an ME (or equivalent) will be considered for appointment as Lecturers. Those with adequate relevant work experience, or with a PhD, will be considered for appointment as Assistant Professor.

Candidates with an MSc in Mathematics or Physics, with a strong interest to pursue a career in Software Engg. or Computer Sc. will be considered for appointment as "Instructors".

Details regarding required background and experience, compensation and benefits, and growth opportunities are available at the website, mentioned below.

Interested candidates may submit applications online at [www.bits-pilani.ac.in/offcampus-faculty](http://www.bits-pilani.ac.in/offcampus-faculty).

Opportunities are also available for suitably qualified professionals in above areas, especially from industry, to participate in these programmes as part-time instructors during evenings or weekends. Along with suitable honorarium, such engagement will provide opportunities to interact with on- and off-campus BITS faculty, and to participate in curriculum design and content development. Interested persons may apply on-line for empanelment at the above website.

For more information, write to Deputy Director (Off Campus Programmes), BITS Pilani, Pilani 333031, Rajasthan or to [dydir.offcampus@pilani.bits-pilani.ac.in](mailto:dydir.offcampus@pilani.bits-pilani.ac.in).

BITS Pilani is an all-India "deemed to be university" established under Section 3 of UGC Act 1956. Accredited with "A" Grade by NAAC, BITS Pilani has been consistently ranked as #1 private engineering & technology institution by leading magazines and newspapers. For more information, visit [www.bits-pilani.ac.in](http://www.bits-pilani.ac.in).
