SALIENT FEATURES OF THE UNIVERSITY PROGRAMMES:

- EduNxt- E- portal for learning.

EduNXT is the next - generation interactive learning system that is designed to change the way you learn. It combines content with a high degree of interaction. It has powerful collaborative tools that provide you the opportunity of interacting with fellow students and established faculty of the Sikkim Manipal University.
There is no similar example of such offering in this part of the world.

EduNXT brings together 2,55,000 students who access 6,300 mentors in 100,095 counseling sessions across 310 towns, to 1 university to get 1 prestigious degree.
- **Mentoring by the learning center**
- **Contact sessions during weekends**
- **Lateral entry facility**
- **Exit system**
- **Examination pattern(Multiple choice questions)**
- **Simple admission process and easy payment scheme**
- **Certification (does not project Distance Education)**

EDUCATION WITHOUT COMPROMISE
