The comprehensive result after the Group Discussion and Personal Interview will be notified on the UIAMS notice board as well as the UIAMS website.

THE ADMISSION PROCESS FOR MBA PROGRAMMES AT UIAMS

1. Admission for this course will be made on the basis of merit determined by scores of the candidates in the Management Entrance Test (MET), followed by Group Discussion and Personal interview. Candidates under various reserved categories and NRI category will compete within their respective categories following the same criteria. Reservation will be as per the approved norms of Panjab University.
2. The candidates will be called for Group Discussion and Personal Interview on the basis of their scores in the Management Entrance Test (MET) conducted by P.U. for admission to MBA Programme at UIAMS.
3. (a) The number of candidates to be called for Group Discussion and Personal Interview will be eight times the total number of seats of all these courses in each category. For example, if there are 99 seats in General category in various sectoral management programmes at UIAMS, 792 candidates will be called for Group Discussion and Personal Interview in general category. Similar calculation will be applicable to other reserved categories & NRI category on the basis of number of seats available in each course.

(b) Explanation :

While working out the percentage of seats in the reserved categories as given above, if the

number arrived at contains a fraction, this shall be resolved as follows :

If the fraction is 0.5 or more, it shall be rounded off to 1 ; if it is less than 0.5, it shall be ignored. This shall, however, not affect the total number of seats in the open category. To ensure this, if the total number of seats after making this adjustment, exceeds the prescribed number fixed for the course, the necessary additional seats shall be created with the prior permission of the D.U.I./Vice-Chancellor. Such seats, if created, shall be treated as additional only for the year in question.

4. Final merit list of all the candidates called for Group Discussion and Personal Interview will be prepared category wise on the basis of their combined aggregate score in the Written Test, Group Discussion and Personal Interview. Admissions will be made on the basis of this merit list. Attendance in Group Discussion and Personal Interview is a must. If any candidate does not attend any one of the components, his/her candidature will stand cancelled without notice.
5. Candidates in the category of Sports and Defence would be short-listed on the basis of MET written test percentage score. However, at the time of admission the precedence of merit will be according to the Panjab University criteria for the respective categories.
6. The weightage for the written test, Group Discussion and Personal Interview for preparing the final merit list for admission will be as follows :

WRITTEN TEST (MET)	85%
GROUP DISCUSSION	7.5%
PERSONAL INTERVIEW	7.5%

B. Explanation:-

1. In case of student(s) changing from one course to another, the period spent in the previous course before joining the new course shall be counted towards total period of eligibility for the purpose of participation in National/International University Games.
2. One year means the academic year in which the tournament is held irrespective of whether the student's result is declared or not. It will normally extend from 1st July of one year for 12 calendar months to the next year.
3. A bonafide student may not be considered to be eligible to participate in National/International University Games if he/she does not pass/qualify a particular class within the period of two years, both at Graduate and Post Graduate Courses/Degrees. However, duration/length of both the courses will remain unchanged such as not more than five years after passing 10+2 examination or equivalent examination in Under Graduate Courses. Similarly, not more than four years after passing Graduate Courses while studying in Post Graduate Courses including M.Phil or Ph.D. Courses, as the case may be.
4. Interchange of faculty may be allowed to participate in National/International University Games irrespective of his/her having passed the class/course but he/she should have participated only once in that particular class before seeking admission for pursuing the second one. If the candidate participates for two years in one particular class and if he/she changes course for the identical year, he/she may not be eligible to participate in National/International University Games for the remaining period of his/her eligibility for participation in sporting events, unless he/she passes first year of the newly opted course/class, in this regard.

C. Disqualification:-

1. Any disqualification of a sportsperson on the grounds of ineligibility will result in automatic scratching of his/her team for that academic year. The team may be debarred from participating in National/International University Games to be held in the following year, if necessary.
2. A sportsperson disqualified on the basis of ineligibility shall not be permitted to participate in National/International University Games in the next year, if necessary.
3. It shall be obligatory for those players, who are selected to represent Indian Universities Team(s) in National/ International University Games.
4. If they represent some other organization/state without permission of AIU, and their respective university/college, they shall be debarred from participation in National University Games for the period of three years and disciplinary proceedings shall be initiated in accordance with existing rules.
5. It shall be mandatory for those to participate in Inter University Tournaments, students who joined Private or Public Sector(s) on nominal stipend basis only, for getting financial assistance to support/continue their study in universities/colleges, provided their admission is based on sports quota earmarked for encouraging sports excellence in university sector.
6. In the case of involvement of students in incidents of violence during National/Zonal University Games, the host University authorities shall have the power to scratch their team and recommend to the concerned Universities to cancel the admission of such defaulting sportsperson(s), if found guilty after following due process of independent enquiry, in this regard.
7. Those sportspersons who are found/tested positive on the basis of samples conducted and analyzed by NADA, confirming the use of banned drugs (doping) for enhancing their athletic performance, shall be debarred from participation in National/International University Games for the period as specified in the report of National Anti Doping Agency (NADA) with a view to make sports drug free in university sector.
