

JOINING INSTRUCTIONS: DIQA

The Place

1. Bangalore is a Historic City built by Chieftain Kempegowda. This is also known as Garden City as the city boasts of two very huge green parks i.e. Lalbagh & Cubbon Park and plenty of green cover. Now the city is also known as Silicon City of India as many InfoTech industries large and small, are located in Bangalore including BPO Centres. It is also known as IT Capital of India. Earlier the place was known as a retirement paradise. Now the City is bustling with variety of activities and has become one of the major economic centres of the country and an ideal educational destination too. The city now is renamed as Bengaluru. Due to these activities not only people from all over the Country but also large numbers of Foreigners are settled here. Hence the City culture is Cosmopolitan in nature.

The Weather

2. Weather is by and large salubrious through out the year. In winters (Mid Nov to Jan) the minimum temperature goes down to 13° C and in summers (April & May) the maximum temperature goes up to 36° to 38° C. Rains are due in June, July, Nov and Dec. For winters light woollens will provide adequate comfort.

About DIQA

3. Defence Institute of Quality Assurance (DIQA) was established in 1992 to train DGQA officers in the fields of Quality and Reliability. In addition the Institute also trains Officers of Army, Navy, Air Force and Defence PSUs in subjects related to Quality and Reliability. This Institute plays a vital role in the organizational development of DGQA. DIQA also acts as a Think Tank of DGQA

4. DIQA has well equipped class rooms with state of art Multimedia Audio and Video facilities with dedicated computers for individual Student Officers. This Institute has a well stocked Library with more than 2000 books on subjects related to Quality, Reliability, Leadership, Computers, Electronics, Human Resource and General Management. In addition, there is a huge collection of National and International Quality Standards and Journals which contain latest trends in varied subjects related to the training imparted by the Institute. Course Participants are encouraged to utilize the Library Facility to the full extent while at DIQA.

5. DIQA works from 0830 hrs to 1700 hrs from Monday to Friday. Saturday and Sunday are holidays. However, the Training / Classroom / Lecture timings may vary / extend as per requirements of the Course Time Table.
