## Chapter 1

## THE UNIVERSITY

CHANCELLOR	His Excellency Shri. Nikhil Kumar, Governor of Kerala
PRO CHANCELLOR	Shri. P.K.Abdu Rabb, Minister for Education
VICE - CHANCELLOR	Dr.Poulose Jacob (Pro Vice Chancellor in Charge)
PRO VICE-CHANCELLOR	Dr. Poulose Jacob
REGISTRAR	Dr. K .Sajan
FINANCE OFFICER	Sri. Sebastian Ouseph
CONTROLLER OF EXAMINATIONS	Dr. A B Bhasi

#### VISION

In keeping with the motto of the University; "Tejaswinavadhithamastu", which conveys, "May learning illumine us both, the teacher and the taught", the atmosphere in the campus is vibrant and intellectual. Cochin University of Science & Technology (*CUSAT*) is always on the move, girding up its loins with grit and determination to unravel the myriad, unexplored mysteries of knowledge.

## **EVOLUTION**

Originally known as University of Cochin, the University came into being in 1971 through an Act of the Legislature resultant to a concerted campaign for quality postgraduate education in the State of Kerala. Reorganization of the University into Cochin University of Science and Technology (*CUSAT*) saw the fulfillment of the aspirations of the pioneers that spearheaded the movement for establishment of a Science & Technology University in the State. The process of reorientation resulted in redefining the objectives as "the promotion of graduate and post graduate studies and advanced research in applied science, technology, industry, commerce, management and social science."

CUSAT

Academic Prospectus 2014

The Syndicate, Academic Council and Senate are the Principal Authorities of the University. The academic structure comprises of nine Faculties viz. Engineering, Environmental Studies, Humanities, Law, Marine Science, Medical Sciences and Technology, Science, Social Science and Technology. There are Boards of Studies in different Faculties also. A Sophisticated Test and Instrumentation Centre (STIC) was established in 1996 in collaboration with the Government of Kerala. The Government of Kerala has recently established three inter-university centres in CUSAT, in the areas of Nanotechnology, Intellectual Property Rights (IPR) and Marine Biotechnology. In addition to the support from the state Government, these centres get massive funding from the Department of Science and Technology (DST) and the Ministry of Human Resources Development (HRD), Government of India. The Union Ministry of HRD has declared the School of Legal Studies as a Depository of IPR and an IPR chair has been introduced. Another prestigious chair introduced by the Ministry of HRD is the Rajiv Gandhi Chair on Sustainable Development. By giving recognition to several wellestablished premier research institutions in the country and the Southern Naval Command of Indian Navy, the University has brought within its reach the resources available in these institutions for the use of the academic community. Specializations are available in almost all Faculties / Departments for higher studies and research.

#### **PRESENT:**

Cast in the mould of a federal University, distinctly different from other Universities in the State, today *CUSAT* is a premier Science and Technology University of the country. While striving to live up to the expectations of the society, the University has made quantum leaps in its academic pursuits and has spread its wings far and wide to encompass new and emerging frontiers across the academic horizon.

True to the legacy of being the friendliest state with avowed dedication to education, *CUSAT* is home for students from across the globe. The University rises to the expectations of student community by offering very specialized courses in Naval Architecture, Polymer Technology, Photonics, Safety and Fire Engineering and Marine Engineering apart from a host of traditional science and engineering courses. The University takes pride in the fact that it has an envious record in campus selection and is a favourite destination for many renowned MNCs for recruitment. CUSAT is also proud that its alumni adorn key positions in large number of highly acclaimed R & D institutions and companies in India and abroad. This pool of highly successful and talented alumni is a living testimony to the aspirations of this University.

#### FACULTIES

*CUSAT* is academically structured into 9 faculties: Engineering, Environmental Studies, Science, Humanities, Law, Marine Science, Medical Sciences & Technology and Social Sciences & Technology.

## **TEACHING DEPARTMENTS/SCHOOLS**

CUSAT

*CUSAT* has at present **29** Departments of study and research offering Graduate and Post Graduate programmes across a wide spectrum of disciplines in frontier areas of Engineering, Science, Technology, Humanities, Law & Management.

During the last four decades of its existence, *CUSAT* has registered steady growth and has earned recognition as one of the highly reputed and internationally acclaimed Indian Universities. The University has academic links and exchange programmes with several institutions across the globe. The emergence of *CUSAT* as the single Indian University to be chosen for long-term financial assistance by the Government of Netherlands under the MHO programme eloquently testifies to its proud record of academic achievements and strengths.

#### **CENTER OF EXCELLENCE**

In recognition of the strength, achievement and acclaim in the area of lasers and optoelectronics, the University was selected by the UGC in 2002 for the establishment of a 'Centre of Excellence in Lasers and Optoelectronic Science' with the aim of producing and sustaining superior quality of education and research.

#### CENTERS

To encourage and promote collaborative, multi-disciplinary interaction centres in specialized thematic areas have been established by the University. Conceived as umbrella organizations for inter-faculty interaction and joint enterprises, aimed at wholesome integration, assimilation and dissemination of knowledge beyond all sectarian confines, these Centres are expected to engage themselves in unfettered intellectual pursuits.

#### PARTNERS IN PROGRESS

Driven by its passion to venture beyond the beaten track, *CUSAT* has identified selected institutions of eminence as 'Partners in Progress'. Also, it has accorded the status of 'Recognized Institution' to a host of professional institutions, national laboratories and research organizations of repute in the State. This has catalyzed the spread of quality education and has paved the way for healthy interaction between academicians and scientists.

#### CAMPUSES

There are three separate campuses, two in Cochin and one at Pulinkunnoo, Alleppey about 65 kms south of Cochin.

MAIN (Thrikkakara) CAMPUS

CUSAT

Academic Prospectus 2014

The Main Campus is located 1 km off the National Highway 47 at South Kalamassery. About 180 acres in extent, it houses the academic Departments / Schools in all the Faculties (except in Marine Sciences), the Administrative Office, the University Library, Students Amenity Centre, the student hostels and staff quarters besides other support services.

#### CITY (Lakeside) CAMPUS

The Lakeside Campus, 12 km away from the Main Campus, has an idyllic setting in the heart of the City on the estuarine water front. The Departments/ Schools in the Faculty of Marine Sciences are located in this campus alongside a hostel for men students.

#### PULINKUNNOO CAMPUS

The Pulinkunnoo Campus in Kuttanad (Alleppey District) is about 65 km away from the Main Campus. Kuttanad comprises Kerala's serene, picturesque backwaters, the enrapturing scenic beauty of which is to be seen to be believed. The Pulinkunnoo Campus is home to the Cochin University College of Engineering, Kuttanad (CUCEK).

CUSAT

#### Chapter 2

#### **TEACHING DEPARTMENTS**

## 1. COCHIN UNIVERSITY COLLEGE OF ENGINEERING KUTTANAD (CUCEK)

Cochin University College of Engineering Kuttanad was established in 1999 and owned by Cochin University of Science and Technology. It is situated in a serene and beautiful 42 acre campus in Pulincunnoo, Kuttanad, the rice bowl of Kerala in Alappuzha district, which is about 65 Km away from the main campus at Thrikkakara. It is the only campus of CUSAT functioning outside Ernakulam District. It offers B.Tech programmes in Computer Science, Electrical & Electronics, Electronics and Communication, Information Technology, Mechanical Engineering, Civil Engg. and M.C.A. Many of the faculty members have refined and sharpened their knowledge through rigorous research activities and published their findings in various national and international science and technical journals.

#### 2. SCHOOL OF ENGINEERING, THRIKKAKARA (SOE)

School of Engineering was established in 1979 for offering part-time M.Tech. Programmes in the major disciplines of engineering viz. Civil, Mechanical, Electrical and Chemical Engineering for practicing Engineers in and around Cochin. The School introduced B.Tech. Programmes in Civil Engineering, Mechanical Engineering, Electronics and Communication Engineering, Computer Science and Engineering and Information Technology in 1995, which turned out to be a milestone in the growth of the School. B.Tech. in Safety and Fire Engineering was added in 1996 and Electrical & Electronics Engineering in 2003.

The School offers M.Tech. Full-time Programmes in Civil, Electronics, Information Technology and Mechanical Engineering, Electronics & Communication Engineering with specialization in Wireless Technology and Information Technology with specialization in Software Systems. It also offers M.Tech programme (part time) in Civil, Electrical, Mechanical and Chemical Engineering in every alternate years. Research activities were introduced in School of Engineering in 1981 with Ph.D. Programmes. The School has already produced 49 Ph.D s and more than 200 candidates have registered as research students at present. School of Engineering is one of the 19 institutions in the State of Kerala selected for funding under Technical Education Quality Improvement Programme (TEQIP –II).

School of Engineering has been well accepted as a research centre. A number of research projects have been sanctioned to the School by agencies like DST, Central Water

Academic Prospectus 2014

Commission, ISRO, AICTE, Coir Board, Kerala State Coir Corporation, etc. These have helped to establish fully equipped laboratories and promote research activities. The research community of the School has published papers in international/national level journals.

# 3. KUNJALI MARAKKAR SCHOOL OF MARINE ENGINEERING (KMSME)

The School offers the prestigious B.Tech. programme in Marine Engineering since 2003. The programme is designed as per the norms prescribed by the Directorate General of Shipping, Government of India and is approved by the AICTE. The course curriculum is in conformity with international standards laid down by the International Maritime Organization (IMO), a special agency of United Nations Organization. The School is assessed and certified by the quality management standards, ISO 9001-2008 and also rated as "Outstanding" by the statutory grading agency, CARE. The Ship-in-Campus established in the School complex is the state of the art facility catering hands-on-job experience for the Marine Engineering students for running and maintenance of a ship's machinery. Students are further getting trained in Full Mission Engine Room Simulator Lab. which is also installed in the School. School Library is stocked with over 6000 books of original publication in all the subjects relevant for Marine Engineering studies.

B.Tech. Marine Engineering course is a full time compulsory residential programme. Therefore, the students' hostel is located within the campus in a most hygienic and student friendly atmosphere. Food is provided to the students through the mess run by the School, having most modern kitchen. The school and hostel facilities are under

continuous surveillance and periodic inspection by Directorate General of Shipping, Government of India. Students are provided with Merchant Navy Cadets' Uniform for attending classes and boiler suits, safety shoes and helmet for workshop use. Physical training is compulsory for the cadets and which is given by the trained personnel. Uniforms for PT are also provided to the students.

The present annual intake in B.Tech. Marine Engineering is 80, through Common Admission Test conducted by the University on All India basis. The School also provides short term pre-requisite statutory courses in Engine Room Simulator for the students appearing for Competency examination in Class IV and Class II conducted by the Directorate General of Shipping. M Tech programme in Marine Engineering is scheduled to start during the Academic Year 2014 – 2015 onwards with an annual intake of maximum 18 students. The fee structure will be same as other self financing M Tech Programmes of the University.

CUSAT

#### 4. SCHOOL OF ENVIRONMENTAL STUDIES

The School of Environmental Studies, a Centre for higher learning dedicated to environmental protection and sustainable development conceptualized in 1980 was established in 1983 to serve the cause of well-being of the society by emanating knowledge and by providing trained manpower and appropriate environmental technology. To achieve these objectives, the School offers M.Sc. in a carefully designed curriculum and reaches out to the community with socially relevant extension programmes. The School is DST-FIST sponsored and UGC-SAP assisted. The School has achieved a grant of Rs.75 lakhs under the FIST programme and Rs.37 lakhs under UGC-SAP programme. The School conducted a study on Urban Governance Service for Climate resilience Strategies: Assessment of Cochin, India sponsored by Rockefeller Foundation and the Institute of Development Studies, University of Sussex, U.K.

The National Centre for Aquatic Animal Health (NCAAH), attached to the School of Environmental Studies conducts a two year M.Tech. programme sponsored by Department of Biotechnology, Government of India under its network programme in human resource development in biotechnology.

The M.Sc. Environmental Technology is offered with specialization in two disciplines: Stream I: Environmental Engineering and

Stream 2: Environmental Biotechnology.

Candidates with Chemistry/Engineering background are admitted to the Engineering Stream and candidates with Life Science background are admitted to the Biotechnology

stream. In addition to giving a holistic picture of the environment and its processes, the programme imparts training in branches like Environmental Engineering, Environmental

Management, Environmental Monitoring, Waste Management and Environmental Modeling.

During the first two semesters, students of both streams take the same core programmes. In the third semester, they segregate to their respective disciplines and take advanced training. The fourth semester is allotted for a full time project work, at the end of which the candidate has to submit a dissertation. The students are encouraged to do project work in institutes of higher learning or industrial research laboratories. This will give them the much-needed exposure to the work-culture and state-of-the-art facilities available at such centres. Doctoral programme is offered in the areas of: Environmental Biology, Environmental Chemistry, Environmental Photocatalysis & Sono Photocatalysis, Environmental Microbiology, Environmental Management, Environmental Toxicology,

CUSAT

Academic Prospectus 2014

Environmental Biotechnology, Environmental Engineering and Remote Sensing. The School is equipped with major equipments such as Gas Chromatograph, Total Organic Carbon (TOC) Analyzer, Spectrophotometers, Pulse Field Gel Electrophoresis, Inverted Microscope, CO<sub>2</sub> Incubator, Electrophoretic Systems, Plant growth chamber, Luminometer and GIS Work station and other minor equipments like Air Sampler, BOD Incubator, COD digester etc., required for Environmental Chemical analysis.

The School has produced several Ph.Ds. The School periodically conducts UGC sponsored Refresher Courses for University and College Teachers. It has also successfully completed externally funded research projects from agencies such as the UNESCO, IFS Sweden, OPCW The Netherlands, DST Govt. of India, DBT, UGC, ICAR, Coir Board, STED Kerala, etc., while some are still ongoing. With its expertise and infrastructure, the School extends consultancy services in Pollution Monitoring, Water Quality Management, Water Treatment, Disease Diagnosis and Management of Aquaculture Systems, Environmental Impact Assessment etc. The School has participated in the EIA of Metro Rail Project of Kochi city. The School carries out environmental surveys for local authorities and government agencies on baseline status and waste management practices.

## 5. DEPARTMENT OF ENGLISH AND FOREIGN LANGUAGES

The Department of English and Foreign Languages was initially established as the Department of Foreign Languages in 1976. This Department is mainly involved in the teaching of English and Foreign languages like French, German, Italian, Japanese and Russian. However, in order to give supreme importance to English Language teaching and the cultural backdrop that encompasses each foreign language, the Department was rechristened as the Department of English and Foreign Languages in 2012. All the

courses in the foreign languages are at present restricted to Certificate and Diploma levels. A few years back in order to meet the contemporary needs M.A. Course in German and Russian Translation were also introduced. The Department also conducts short-term and need-based courses in the above foreign languages if there are aspirants. The Department undertakes translation and consultation work connected with the above foreign languages. Around 10 years back short-term course in Communicative English and 1 year Post Graduate Diploma Course in Communicative English were introduced. The short-term course in Communicative English is enjoying a high demand and this course is repeated every three months with an in-take of 25 students.

## 6. DEPARTMENT OF HINDI

CUSAT

The Department of Hindi, established in 1963, is one of the oldest departments of the University. It was a part of the Kerala University and joined the folds of University of Cochin when it was established in the year 1971. From the period of inception it has

. 9

blossomed into one of the prestigious institutions among Indian University Departments engaged in teaching and research of Hindi Language and Literature.

The Department is actively engaged in research in different areas like Ancient and Modern Poetry, Fiction, Drama and Theatre studies, Criticism, Grammar, Linguistics, Comparative Studies of Languages and Literature, Folk Literature, Translation, Computer Aided Language Teaching etc.

The Department is one of the leading centers of research in Hindi and the faculties have guided about 180 Ph.Ds. The creative capabilities of four of the teaching faculty received the recognition through the award of Fellowships/Prizes. About Sixty Seven research papers, Twenty Six books and learned articles have been published by the faculty during the past four years. The Department has completed four research projects including one on CALT - Computer Aided Language Teaching. The DRS Phase I, II & III have been completed by the Department and the UGC has sanctioned next stage of SAP programme ie., DSA for a period of five years. The Department of Hindi is the only Department in South India which got DRS and DSA programmes in Hindi.

The Department Library has about 40576/- books and is currently subscribing 42 journals. The PG students and Research Scholars from various parts of Kerala use the Library as a reference centre. It has been assessed as one of the best libraries in the country. The Department has a well-equipped computer lab and conducts short term Computer Courses. The Department organizes national seminars every year and also conducts UGC sponsored programmes.

Programmes of Study/Research in the Department

- M.A. Hindi Language and Literature
- ≻ M.Phil
- > P.G. Diploma in Translational and Functional Hindi
- ≻ Ph.D

CUSAT

#### 7. SCHOOL OF LEGAL STUDIES

Established as the P.G. Department of Law of the Kerala University in 1962 under the leadership of the late Prof. (Dr.) A.T. Markose, an internationally reputed jurist who was the founder Director of the Indian Law Institute, New Delhi and Deputy Judge of International Administrative Tribunal, the School of Legal Studies is a prestigious institution of the University.

The pioneering effort of the School in encouraging P.G. studies and research in the vital field of administrative law earned its name and fame. Its commitment to social

Academic Prospectus 2014

development has made it to develop teaching and research in socially relevant and nationally important emerging areas of law, such as constitutional Law, Labour Law, Maritime Law, Corporate Governance and Securities Law and Intellectual Property Law. Its consistent dedication to social change has attracted the attention of UGC and Government of India and its programmes on Human Rights, Corporate Governance and Securities Law and Intellectual Property Rights Law are now substantially supported by these agencies.

Apart from pedagogic and lecture methods of teaching the School adopts new methods of discussion, seminars and tutorials which facilitate dissemination of advances in legal knowledge. Clinical legal training provides opportunities for extension activities and community reach out. The Library of the School has an excellent collection of precious periodicals and books. This priced holding and exceptional services have helped it to be recognized as a Nodal Centre for IPR studies. The Government of Kerala in recognition of the significant contributions made in the area of IPR has established an Inter University Centre on IPR studies in 2010. The School has established an IPR Depository consisting of rare books and journals with the aid of MHRD, Government of India. The World Intellectual Property Organization (WIPO), a body of United Nations has donated its major publications to this Depository. The MHRD has sanctioned a Chair for IPR studies.

The School has been fortunate to attract scholars having experience and education from different parts of the world to be in its vibrant teaching faculty. The faculty of the School

has earned repute in their respective areas of scholarship and is consulted by various agencies including the Government of India on Law Reforms. In 2011, the UGC has provided funds under its Special Assistant Programme to start courses in Corporate Governance and Securities Law. The Public Law Lecture Series established by the School has already produced commendable works in law and has received tremendous appreciation and applause. The LL.B. (3 year) programme started in 1994 as an evening programme is now a semesterised, full-time programme. In 2006, 5 year LL.B (Hons.) has been introduced. From 2009 onwards as directed by the Bar Council of India, the course has been remodeled and a B.B.A., LL.B. (Hons.) programme is offered. From 2013 B.Com LL.B(Hons.) course also has been introduced. A Human Rights chair in the name of Justice V.R. Krishna Iyer has been established in the School. It enables interdisciplinary research and extension work in Human Rights values.

#### 8. SCHOOL OF INDUSTRIAL FISHERIES

The Department of Industrial Fisheries was established in 1976 with the prime objective of training students to meet the growing demand for qualified personnel in the fisheries sector. It offers expertise in various branches of fisheries science like Fishery Biology, Capture Fisheries, Aquaculture, Fishing Technology, Fish Processing Technology, Fisheries Economics and Fisheries Management. The Department was upgraded as a school in 1995 in due recognition of various academic and scientific achievements. Five divisions such as (1) Aquaculture and Capture fisheries (2) Fishing/Technology (3) Fish Processing Technology (4) Fisheries Economics (5) Fisheries Management were constituted for future expansion.

Since its inception, the School has been actively involved in crafting students to take up managerial challenges of fisheries in India and overseas. The Alumni are the brand ambassadors of the School and are serving in various capacities such as Heads of renowned institutions, Faculty, Scientists, Administrators, Technocrats and Professional Executives. The alumni interact strongly in all academic and extension activities of the School.

The School organized 13 International Conferences, 23 National Conferences and 17 Workshops since its inception. The School has developed research partnership with more than 32 countries in frontier areas of Fisheries Science such as Aquaculture, Capture Fisheries, Harvest and Post Harvest Technology and Marine Biodiversity. The activities also comprise staff secondment programmes, visit of Scientists on short and medium

periods, organization of workshops, seminar, symposia, delivering of lectures etc. The School has carried out more than 10 international and 30 national research projects during the past decade funded by European Commission, Nuffic, Indo-Dutch Co-operation, Indo-Canadian funding assistance, Ministry of Earth Sciences, DOD, KSCSTE, ICAR-FRMS, ADAK, DOD-OSTC, NATICAR, World Bank and UNCTAD among others.

The faculty of the School also offers consultancy services and training programmes to the Government and Non-Governmental Organizations and Industry. Members of the faculty have participated in several international symposia, workshops etc. The faculty of this School serves as members in various expert committees constituted at regional, national and international levels.

## 9. SCHOOL OF MARINE SCIENCES

The School of Marine Sciences (located at the Lakeside Campus of the University) has a glorious history of seventy three years of academic pursuit in marine sciences. Nucleated in 1938 as the Oceanography Laboratory of the erstwhile University of Travancore, the School has grown into the biggest academic facility in marine sciences in India. The

School of Industrial Fisheries and the School of Environmental studies are off-springs of this evolutionary process. The School of Marine Sciences is the only institution in the country, that has all the constituent disciplines harmoniously co-existing under one and the same roof. Currently, the school comprises five independent, but interdependent, departments with academic and administrative autonomy viz., Departments of Atmospheric Sciences, Chemical Oceanography, Marine Geology & Geophysics, Marine Biology, Microbiology & Biochemistry and Physical Oceanography. Facilities for teaching and research offer excellent opportunities for healthy interdisciplinary interaction. During the past seven decades, the school has produced over 2000 postgraduates, 550 PhDs, has to its credit and 1200 scientific papers published in journals of international repute and has taken the lead in organizing 30 International / National conferences. The School has won special recognition of the University Grants Commission under the DRS, COSIST, SAP and has completed Phase-II of the DSA Programme.

The Ministry of Earth Sciences, Government of India set up an Ocean and Atmospheric Science and Technology Cell (OASTC) in the School to encourage research in frontier areas of ocean/atmospheric sciences. The Centre for Integrated Management of Coastal Zones, established in the School (2002) offers consultancy and conducts research in the broad area of coastal zone management.

## 10. DEPARTMENT OF ATMOSPHERIC SCIENCES

Department of Atmospheric Sciences is a centre of excellence in teaching as well as research in the field of Meteorology/Atmospheric Sciences and is located in the serene and beautiful Lakeside Campus of the Cochin University of Science and Technology. The Department started offering a 4-semester M.Sc Course in Meteorology, since 1975 and a 4-Semester M.Tech Course in Atmospheric Science since 1989. The course content of all the above courses is of international standard updating every 3 years. As per the scheme of the Government of India entitled New Millennium Indian Technology Leadership Initiative (NMITLI) on Mesoscale Modelling for monsoon related predictions, the Council for Scientific and Industrial Research (CSIR) has identified the Department of Atmospheric Sciences as one of Centres of Excellence to carry out research work in the frontier area along with other premier centres such as Indian Institute of Technology, Delhi; Indian Institute of Tropical Meteorology, Pune; Indian Institute of Science, Bangalore; Tata Institute of Fundamental Research, Mumbai; C-MMACS, Bangalore and National Aeronautical Laboratory, Bangalore. Presently CUSAT is involved in the Phase II research activities of NMITLI Project.

CUSAT

Academic Prospectus 2014

The University Grants Commission has selected the Department of Atmospheric Sciences under its Special Assistance Programme (SAP) based on the quality of teaching, academic achievements, research in thrust area and viable potential for future development. The essence and primary aim of SAP of the UGC is the combination of teaching and research to encourage group research efforts. The project entitled, Monsoon Cloud Characteristics under UGC – SAP - Level DRS Phase III from 2013 to 2018 has been sanctioned with a total grant, the Department received Rs.62 lakh to carry out research in the frontier area of Atmospheric Sciences. The financial support for five years is expected to develop the Department into a Centre of Excellence.

Department received Rs.20 lakh as Special Assistance from UGC(SAP) for Augmentation of Infrastructure and Rs.30 lakh towards infrastructure development under the FIST programme of the Department of Sciences and Technology, Government of India during 2007 – 2011. UGC has also identified this Department as the Nodal Centre for introducing Computer Application Course at the Post Graduate level and extending lectures to other selected Departments of the University. Special funding is provided to the Department for conducting the course. DST has sanctioned a prestigious project on Studies on the Troposphere features and Stratosphere Troposphere coupling processes over the Monsoon region using Stratosphere Troposphere (ST) Radar at Cochin with K. Mohan Kumar as Project Coordinator. The Department has high speed computational facilities, and a full-fledged surface weather observatory consisting of an automatic weather station, Sonic Anemometer, Micro rain radar, high resolution GPS RadioSonde

etc. It has also setup a data bank, which has NCEP/NCAR reanalysis global data, UARS data from NASA, Rocket data, MST Radar data, surface weather observations, TOMS data, etc.

The Department has produced 47 Ph. Ds and published about 250 research papers in reputed international and national scientific journals. In addition, more than 330 research papers were presented in various national/international scientific conferences in India and abroad. Eminent Scientists and Professors are often invited to the Department for giving lectures in advanced areas. The Department organized many national-level seminars and UGC Refresher Courses. Several national and International Conferences in Climate Variability and Predictability, Stratosphere Troposphere Interactions, TROPMET2000, Scale Interactions and Variability of Monsoons, Atmosphere Ocean Interactions, preservation of ozone layer and climate change etc. were successfully organized by the Department.

CUSAT

## 11. DEPARTMENT OF CHEMICAL OCEANOGRAPHY

The Department of Chemical Oceanography has credentials of facilities and rich expertise in teaching / research on various chemical aspects of the aquatic system. It has pioneered investigations in many an area of vital significance and has contributed valuable inputs into the national database. Chemical Oceanography (Marine Chemistry) is the fulcrum for interaction between the various disciplines of Marine Sciences.

Two member of the faculty carried out post-doctoral research in the U.K. through the award of Commonwealth Academic Staff Fellowships. Sophisticated instrumental facilities available in the Department include UV-VIS Spectrophotometer, AAS, GC, HPLC, GC-MS, LC-MS, FTIR, Polarographic Analyzer, Laminar Flow Chambers, etc. The Department is actively engaged in consultancy and extension activities that include Analytical Testing/Training, Water Quality Analysis etc.

# 12. DEPARTMENT OF MARINE BIOLOGY, MICROBIOLOGY & BIOCHEMISTRY

The Department of Marine Biology, Microbiology and Biochemistry is an integral part of School of Marine Sciences which is one of its kind in India. It is one of the first and foremost academic centers in Marine Biology in the country. The M.Sc programme in Marine Biology was started in 1958. The Department is engaged in research right from its inception in 1938 and more than 100 students have taken their Ph Ds in different areas of Marine Biology, Microbiology and Biochemistry. Nearly thousand research papers have been published so far by the researchers of the Department. Besides MSc and Ph D programmes, the Department also offers an M Phil programme in Life Sciences.

The Department has excellent infrastructure for teaching, research and training in the basic and applied frontiers of these disciplines. The facilities include a sophisticated central instrumentation lab with state of the art facilities such as HPLC, Transmission Electron Microscope, Freeze Drier, Fluorescence, uv – visible and atomic absorption Spectrophotometers, Gas Chromatograph, particle size analyzer, Blood analyzer, Gel documentation system, Water quality analyzer etc. Apart from the central instrumentation facility, the Department also has specific labs for Aquaculture, microbiology, biochemistry, algology, fish pathology, environmental toxicology, marine biology and marine ecology. The Department also has a large aquarium and well maintained museum facility.

CUSAT

Academic Prospectus 2014

Considering the research output of the Department over the years, the Ministry of Earth Sciences has set up an Earth Sciences and Technology Cell (ESTC) at the CUSAT School of Marine Sciences. Faculty members of the Department challenges their students, share insights gained through professional experience and communicate the knowledge, they have spent a lifetime acquiring. With broad inter-disciplinary academic expertise, our faculty possesses a strong sense of integrity and commitment to sustainability, community development, and progressive education.

## 13. DEPARTMENT OF MARINE GEOLOGY & GEOPHYSICS

Earth Science education is enhancing its relevance and scope globally owing to recent advances in geoexploration and the role it has in environmental and development issues. *CUSAT* is one of the premier Universities in the country to begin a full fledged post graduate programme in Marine Geology in the year 1976 taking into account the global advancement in general and national needs in particular in the field of Marine Science. A 3-year M.Sc (Tech.) programme in Marine Geophysics was introduced in1992 which has now been restructured into a 2-year M.Sc. programme. Both the programmes had been designed to aim at the development of manpower in the fields of Marine Geology and Geophysics with a special emphasis on off-shore areas with a view to cater the needs of various research institutions and survey organizations as well as private companies engaged in mineral exploration, sea bed surveys, remote sensing and oil and ground water prospecting. Several major research projects funded by external agencies have been undertaken / are in operation in the Department. Infrastructural facilities available include X-ray Diffractometer, Sedimentation balance etc.

## 14. DEPARTMENT OF PHYSICAL OCEANOGRAPHY

Oceans are vital to the world especially to a coastal nation like India due to its commercial (fishery, minerals, freshwater, salt, hydrocarbons, medicine, transport and energy), military and academic (weather and climate) values. Physical oceanography is the study of physical processes that occur within the oceans and its interaction with the

atmosphere, lithosphere and biosphere .To cater the needs of physical oceanographers for this country, a postgraduate programme in Oceanography commenced in 1965 at the erstwhile Department of marine Biology and Oceanography under University of Kerala which later came under the Physical Oceanography and Meteorology Division (POMD) of University of Cochin. In 1996, the Department of Physical Oceanography was established and the course was continued to offer under the Department. In 2001, a new course in M.Tech. Ocean Technology commenced in the Department aimed to explore the technological aspects of the oceans for the benefit of the nation.

CUSAT

Academic Prospectus 2014

In the academic sector, the department has been the forerunner in producing skilled Oceanographers for this country over decades; many of them are leading scientists in many research organizations. Students of this department were awarded with national UGC-CSIR Fellowships and able to secure research positions in major research institutions in India and aboard. With timely updating of the curricula and training methods, the Department has been able to promote and develop a strong contingent of Oceanographers within the country and abroad. The department is also active in research by conducting major research projects funded by national bodies such as UGC, DST, MoES, SAC etc and credited with valuable research publications. Members of the faculty have active collaboration with national research bodies and were also awarded with International Fellowships.

#### 15. DEPARTMENT OF APPLIED CHEMISTRY

The Department of Applied Chemistry was established in 1976 to play an important role in the further development of the industrial belt in the Greater Cochin area by providing scientific support and trained personnel to the industries and by acting as a catalyst for the starting of new industries. The Department has now grown and has emerged as one of the best centres in Chemistry in the state of Kerala and had been fortunate to produce the only Bhatnagar Award Winner at that period in Chemical Sciences in the state (Dr. K.L. Sebastian, 1995). The department aims to transform itself into a Centre of Excellence for the development of Chemical Industries in the state by providing trained personnel, scientific support and other consultancy and analytical services to solve the problems of the existing industries.

The Department has over 100 Ph.Ds and over 350 research publications and a few monographs to its credit. The Department has been selected for the FIST programme of Department of Science and Technology, Government of India and Special Assistance Programme (SAP) of University Grants Commission. Funds for these prorammes are sanctioned to only a few Universities at the National level. The department is also undertaking a number of projects and schemes sponsored by funding agencies like UGC, CSIR, DST, STEC and DRDO. Major Analytical facilities in the department include UV–Vis Spectrophotometer, Gas Chromatographs with TCD, FID and mass detectors, Thermo

Gravimetric Analyzer, Surface area analyzer, FTIR, HPLCs with UV, Diode array and mass spectrometer detectors, Electrochemical work station and Atomic Absorption Spectrophotometer.

As an extension activity, the instrumental facilities are offered to industries and academic institutions. The Department undertakes consultancy services for industrial/ R&D establishments etc. in an effort to find solutions to technical problems faced by them. The

CUSAT

Department every year organizes either the National Seminar Series Current Trends in Chemistry (CTriC) or the International Seminar Series Materials Conference (MATCON), which attracts a number of researchers nationally and internationally. These seminars help the department to re-focus its academic and research activities on a regular basis. The Department has International collaborations with National Technical University Singapore, KARD Scientific U.S.A., Limerick University Ireland, Polish Academy of Sciences Poland, Sultan Quaboos University Muscat, Bois State University U.S.A. and University Sains Malaysia. The Department also organizes outreach programmes for school children to inculcate an aptitude for Science and conduct such programmes in collaboration with KSCSTE, Kerala State Science and Technology Museum etc.

#### 16. DEPARTMENT OF BIOTECHNOLOGY

CUSAT

The Department of Biotechnology was established in 1991, under the Faculty of Sciences for postgraduate teaching and research in the emerging area of Biotechnology. The M.Sc. programme in Biotechnology offers comprehensive education in all aspects of modern applied biology. The programme has been designed in such a way that the students are well trained in state-of-the-art techniques in the world of fermentation, molecular biology, genetic engineering, bio-informatics, molecular neurobiology and immunology. The theoretical and practical knowledge acquired by the student during the first three semesters is perfected through an intensive dissertation work during the fourth semester. Topically relevant problems are identified for the purpose so as to impart training in identification and execution of research problems and interpretation of data.

Most of the M. Sc. students opt for research programmes in national/international laboratories after they complete their programme. They also find employment in industries, educational institutions and other organizations involved in R and D and also in medical, pharmaceutical, agricultural and environmental biotechnology sectors. The Department has many achievements to its credit. More than 66 Ph.Ds have been awarded to date and there are more than 200 publications to its credit. On an average about 60% of the M.Sc. students clear the UGC-CSIR-NET and 80% clear GATE, besides clearing the DBT (GOI)-fellowship examinations. The Department is also amongst the few at the National level to have been selected for the special assistance from DST (Govt. of India) under the FIST (Fund for improvement of S & T infrastructure) both in 2003(2003-08)

and in 2009(2009-2014). In addition there are also several externally funded research projects and schemes sponsored by UGC, CSIR, DBT, DOD, MoES, DST, ICMR, etc.

The departmental library has more than 1700 books on the subject and subscribes to several journals. The major analytical facilities in the Department include ultracentrifuge, Liquid scintillation counter, FPLC, UV-visible spectrophotometer, iso-electric focusing,

Academic Prospectus 2014

2D-gel electrophoresis, Confocal microscope, Real-time PCR, -these and other facilities provide opportunities for the students to carry out research activities in areas such as microbial technology, medical biotechnology, genetic engineering, molecular neurobiology, cell biology, plant biotechnology and immunology.

#### **17. DEPARTMENT OF MATHEMATICS**

The combined Department of Mathematics and Statistics came into existence in November 1976, with the major objective of developing it to a Centre of Excellence in this region in mathematical sciences and applications and to provide facilities for training, study and research in these areas. This Department was bifurcated to form an independent Department of Mathematics on 1st January 1996. The Department conducts a Masters Degree programme in Mathematics, an M.Phil programme in Mathematics and Ph.D programme. Students of M.Sc (Mathematics) generally take up teaching positions or opt for research. The Department has produced about 70 Ph.D.s and has published about 350 research papers in referred journals. Apart from giving instruction in post graduate courses, the Department has from the very beginning taken the leadership in promoting research in mathematics and its applications, especially in this part of the country. This was realized in a two-fold way one, by guiding young researchers to do their doctoral work and two, by conducting extension programmes which will improve the instruction at the P.G. level in colleges and encourage youngsters to take up research.

Thrust areas of research are Stochastic Control theory, Retrial Queues, Mathematical Finance, Graph Theory, Deterministic Field Theories, Fuzzy Mathematics, Wavelet Analysis, Operator Theory, Algebra, Category theory, Topology, and Fluid Mechanics. The department has been receiving a library grant from NBHM since 1991 and financial support under FIST programme of DST since 2012. The department library has about 8650 books and subscribes to 12 Indian and 3 foreign journals, Mathematical Reviews and Mathscinet. Also the department has been co-ordinating the Mathematical Olympiads and related training programmes for school children with the assistance of NBHM since 1990.

#### **18. DEPARTMENT OF PHYSICS**

The present day Department of Physics of the Cochin University of Science & Technology first came into existence as the Department of Physics of the Ernakulam

Centre of the University of Kerala in the year 1963. The Department of Physics was founded by Prof. K. Venkateswarlu with a moderate beginning and it gradually grew to a centre of excellence with emphasis on teaching and research. Today the Department of Physics is well known within India and abroad for its contribution in teaching and research. During its existence for the last 49 years, it has made rapid strides in the realm of research, both in experimental and theoretical physics. The major thrust areas of the

CUSAT

Academic Prospectus 2014

department are theoretical physics and material science. Research in the frontier areas of nanoscience and technology, optoelectronic devices, quantum computing, semiconductor devices, solar cells, holographic materials, high density storage batteries, astrobiology and quantum optics are also underway in the department.

The Department also has produced innumerable illustrious alumni and are all well placed in different spheres of life all throughout the globe. The department offers post graduate programmes namely M.Sc. (Physics), M.Phil (Physics) and Ph.D. The department of Physics is also a recipient of generous financial assistance in the form of sponsored projects from various agencies viz. UGC, AICTE, IUCAA, DST, DRDO, CSIR, IUAC, DAE, KSCSTE and others. At present, there are 14 ongoing research projects funded by various agencies. This year UGC has recognized this Department as the centre of advanced studies considering the various meritorious works during the last 50 years.

The faculty members of the department are engaged in active collaborative research with their counterparts at the national and international level. Some of the leading institutions with which they interact are NCL, Pune; NIIST, Trivandrum; Inter University Accelerator Centre, New Delhi; IGCAR, Kalpakam; VSSC, Trivandrum, IUCAA, Pune and others. They also have ongoing collaborative programmes with faculty members from NTU, Singapore; NUS, Singapore; Rice University, USA; Toyo University, Japan; Tokyo Institute of Technology, Japan and IWATE University, Japan.

The department possess the following sophisticated instruments for research:

Thickness Profilometer, Spectrophotometer, Fluorimeter, Liquid Nitrogen Plant, High Temperature Furnace, X-Ray Diffractometer, Nd: YAG Laser, Vacuum unit for laser plasma studies, HP 4192 LCR Meter, I-V Characterization unit (for pn junction), Hall measurement system, Optical microscope, Differential Scanning Calorimeter. These facilities are thrown open for users within and outside the state on nominal charge depending on the availability of the instrument time.

#### **19. DEPARTMENT OF STATISTICS**

The Department of Statistics was established in 1996 by bifurcating the erstwhile School of Mathematical Sciences. The Department offers M.Sc degree programme in Statistics, M.Tech in Engineering Statistics and research leading to Ph.D Degree. In addition to

traditional teaching in Statistics, the Department is actively engaged in research in several areas of Statistics. Several research projects sponsored by UGC/DST have already been completed and one DST sponsored project is in progress.

The UGC has identified the department for special assistance at DRS II level. The Department is presently a FIST sponsored department by DST, Government of India. The

CUSAT

Department has organized several seminars and workshops at the national and international level. The department library has about 2500 books in addition to subscribing to 20 journals. The Statistical Computing Laboratory of the department has several licensed softwares which include SAS, SPSS and Matlab. The department has a metrology laboratory with sophisticated instruments such as CNC Trainer, CMM Machine and other metrological instruments. There is a Center of Population Studies established in the Department aimed at conducting research in Demography and several other fields of social interest. The Department has close academic interaction with University of Waterloo, Delhousie University, Canada, I.S.I. Calcutta, University of Dresden, Germany and University of Warwick, United Kingdom. Consultancy services are being offered to some industrial establishments and R & D institutions in the State in the field of Data Analysis, Planning of Surveys and Quality Improvement.

## 20. DEPARTMENT OF APPLIED ECONOMICS

The Department promotes studies and research pertaining to the economic dimensions of science, technology &society and the economic problems of the region. It also provides training to the college teachers in the state to enhance their capabilities in teaching and research. Another area of activity is developmental economics. The Department also offers a Master's Degree Programme in Applied Economics.

#### **Core Areas of Research**

Problems of regional development in Kerala, Industrial Economics, Fishery Economics, Environmental Economics, International Economics, Econometrics and Women's Issues. This department is mainly concentrating on Research Activities.

## 21. SCHOOL OF MANAGEMENT STUDIES

The School of Management Studies is one of the oldest academic units of the University. It was conceived with an aim to promote management education, way back in the year 1964. Being one among the first five management schools to be established in the country, it started functioning in the premises of the Fertilizers and Chemicals Travancore Ltd. (FACT) in October 1964 as a part of Kerala University with Professor Emeritus (Dr.) M.V.Pylee as the Director. When University of Cochin was formed in the year 1971 (which later became Cochin University of Science and Technology) the school became an

integral part of the Cochin University. Since then, the school has striven tirelessly in pursuit of excellence in management education and is celebrating its 49th year. The School has been ranked as one among the top Business Schools in the country. The School is relentlessly pursuing its aim of teaching, training, research and consultancy. SMS offers the following Programmes:

CUSAT

Academic Prospectus 2014

- 1. MBA (Full Time),
- 2. MBA (International Business),
- 3. MBA (Travel and Tourism),
- 4. MBA (Part-time),
- 5. MPhil (Commerce) and
- 6. PhD programme.

It also conducts Management Development Programmes and undertakes consultancy projects. Currently the school offers electives in the areas of Marketing, Finance, Systems and Operations and Human Resource Management. The pedagogy includes lectures, seminars, case studies, one month long organizational study, and 2 months final project in the final semester. The faculty of the School has published over 40 books and hundreds of research papers in journals of standing. Thus the school has evolved with changing times with effectively "moulding managers for mankind". SMS Library is well equipped and one among the best in South India with around 40000 books. The institute subscribes to over 104 journals, 79 Indian and 25 foreign issues. It also has a rich depository research volume of over 2400. CUSAT Library has IP enabled access to on line Journals under the UGC-INFONET - E-Journals Consortia and INDEST Consortia set up in the Campus Network. The library also subscribes many other e-journals. Computer Lab is well equipped with latest software and other facilities. It has more than 40 computers with Internet connectivity and access to digital databases. Students stay connected round the clock with the added benefit of Wi-Fi available for their laptops.

#### 22. DEPARTMENT OF ELECTRONICS

The Department of Electronics was established in 1975, as a post-graduate Department with Master's and Ph.D. Programmes in frontier field of Electronics. Post-graduate programmes include M. Sc. Electronics and M. Tech. Electronics with specializations in Microwave & Radar Electronics and Digital Electronics. The doctoral programmes are mainly in fields such as Underwater Acoustics, Ocean Electronics, Microwave Propagation & Antennas, Microwave Material Studies, Microwave Image Processing, Pattern Recognition, Microprocessor applications and signal processing display devices. External agencies like the DST, ISRO, AICTE, DOE, DRDO, DOD, CSIR, NRB, MoES, DIT and the State Government are supporting this Department through various Research Projects and Research Fellowships.

The Department has well equipped signal processing, microwave electronics, ocean electronics, intelligent machines and systems and Microprocessor Research Laboratories for carrying out research work at M.Tech and Ph.D levels. The Department was chosen for special assistance by the UGC under different schemes. The UGC has sanctioned COSIST assistance in 1988 to the Department for development of post-graduate

Academic Prospectus 2014

education and research in the areas of Microprocessor applications and Microwave Antennas. In 1994, the Department was selected by the UGC for Departmental Research Support (DRS) in the field of Ocean Electronics. The Department has been selected for the special assistance programme (SAP) of UGC at DSA level in the year 2000. Recently, the UGC has recognized the Department as a participant in the Centre of Excellence in laser and optoelectronic sciences. The Department is currently undertaking research projects from various agencies and has successfully completed major research projects worth more than 1 Crore. The Department has already established international collaboration with Delft University (The Netherlands), Polarizone Incorporation (Malaysia), University of Paris, France, University of Kent (UK) for different research projects. The research facilities of the Department are used by different national research laboratories and research organizations like NAL Bangalore, SAC Ahmedabad, Indian Navy etc.

The Department conducts two symposia as biennial events – the National Symposium on Antennas & Propagation (APSYM) which commenced from 1988 and the Symposium on Ocean Electronics (SYMPOL) from 1991 onwards. Effective from 2007 onwards, SYMPOL is being organized as international conferences with the technical cosponsorship of IEEE Oceanic Engineering Society and Acoustical society of America. The Department has over 250 research publications and 18 students have taken their Ph. D degree during the past five years. It also has a very good library facility with more than 6000 specialized books on Electronics and subscribing International and National Journals. The technical biasing of the University, spectacular growth of electronics industries in Kerala and the location of the University in the industrial zone of the State are all favorable aspects for the substantial development of this Department.

## 23. DEPARTMENT OF INSTRUMENTATION

The Department of Instrumentation was established in the year 1995. Though it is a relatively young teaching and research department, it has a long history of evolution as it was derived from the University Science Instrumentation Centre (USIC). USIC was established in the University in 1978 as a service department with assistance from UGC. USIC has been extending instrumentation services to various science and technology departments of the University by way of design and fabrication, glass blowing, carpentry

work etc. It has been carrying out consultancy work for other academic institutions, R & D organizations and industries as well. The Centre was elevated to the status of an academic department in the year 1995. From 1999 onwards, the Department is offering four years (8 semesters) B.Tech course in Instrumentation Technology. M.Sc Degree course in Instrumentation has been started from 2011.

CUSAT

Academic Prospectus 2014

The Department has a very active research programme in the areas of Instrumentation and Applied Physics. The Department has implemented several research projects sponsored by external funding agencies like DST, DAE, UGC, AICTE, STED (Kerala) and TWAS. It has been the venue for national symposia and the faculty members have published several research papers in reputed national and international journals. The Department extends instrumentation services to all sister Departments. It also offers consultancy for the design/fabrication of experimental systems for teaching/research, calibration/industrial applications.

## 24. DEPARTMENT OF POLYMER SCIENCE AND RUBBER TECHNOLOGY

The Department of Polymer Science and Rubber Technology (P.S. & R.T.) established in 1971 is one of the pioneers in the area of education and research in Polymer Science and Engineering. In collaboration with the Rubber Research Institute of India the B.Tech. Programme was started in the year 1972. The starting of the M.Tech. Programme in the year 1985 was a major milestone in the growth of the Department. The highly motivated faculty members with experience in Universities outside India have to their credit about 650 research publications in internationally reputed journals. More than 78 students have already taken their Ph.D. Degrees from the Department. The department has been organizing international Seminar series, Advance in Polymer Technology, APT, since 2002 to bring the Polymer scientists, technologist and engineers, working in academic institutions, industry and research organizations to a common platform. Almost 100% placement of the B.Tech and M.Tech students, mainly through campus selection, in major tyre companies, polymer manufacturing / processing industries and research institutions has been the tradition of the Department. Alumni of the Department are in senior positions in major polymer based industries, in India and in multinational corporations.

The eight-semester undergraduate B.Tech. Programme in Polymer Science and Engineering has been recently restructured in collaboration with the Eindhoven University of Technology, The Netherlands under the MHO programme. The revised curriculum has been designed to equip students in basic science and engineering skills, and to provide them up to date knowledge and skills in production, characterization, processing and testing of polymers and polymer products. Practical trainings at the Rubber Research Institute of India, Kottayam, Central Institute of Plastic Engineering

and Technology, Chennai other research institutions and in-plant trainings in Polymer Industries are the highlights of this course.

Teaching and research are intertwined in the four semesters MTech .programme in Polymer Technology. The first two semesters in programme comprise of lecturers, laboratory work and seminars. The students spend the third and fourth semesters in a

24

Academic Prospectus 2014

CUSAT

research project either in a research institution / industry R&D or in the University. Candidates having valid GATE score with B.Tech .or equivalent degree /AMIE IN polymer Science and Rubber Technology / Chemical Engineering / Technology or M.Sc. Polymer Chemistry /M.Sc. Chemistry with Polymer Chemistry specialization with a first class (60%) are eligible for admission. If sufficient numbers of candidates with valid GATE score are not available, admission to the remaining seats is made on the basis of Departmental Admission Test (DAT). Two seats are reserved for candidates sponsored by University /Industry / Teaching or Research Organizations of Central /State Government or by Private Engineering Colleges approved by AICTE. The candidate (maximum age of 40 years as on 1<sup>st</sup> August of the year of admission) should have a minimum experience of three years in relevant field after completing the qualifying degree. The Department has a very active research group.

Major facilities in the Department include basic rubber/plastic processing equipment, Windsor Injection Moulding Machine, Shimadzu Autograph Universal Testing Machines (50 kN and 10kN), Alpha Technologies RPA2000 Rubber Process Analyser, TA Dynamic Mechanical Analyser Q800, TA DSC Q100, TA TGA Q50, Hitachi U-V Visible NIR Spectrophotometer, Bruker Tensor 27 FTIR, Zwick Impact Tester, Atago Abbe Regractometer, Keithley2182 Nano Voltmeter, Waters515 HPLC, Brookfield Viscometer, Carl Zeiss Stereo Microscope and Thermo Haake(Rheomix) Poly Lab System.

#### **Thrust Areas of Research**

Conducting polymers and composites Nano composites Recycling Ionomers Polymers from renewable recourses Polymer Blends Polymers for optical recording **Other highlights** 

The department has successfully completed major projects sponsored by Nuffic (MHO, The Netherlands), Volkswagen Foundation (Germany), MHRD, AICTE, DRDO, DST, and UGC. The Department has had a successful collaborative association with the Eindhoven University of Technology (TUE) and University of Twente, The Netherlands.

The Department received special assistance from the DST, Government of India under Fund for Improvement of Science and Technology Infrastructure (FIST) programme.

CUSAT

#### 25. DEPARTMENT OF SHIP TECHNOLOGY

The Department is one of the pioneers in the field of Naval Architecture education in the country. It was established in 1974, in the technical collaboration with Rostock University, Germany. It has over the years established a firm foothold and name in ship building and other associated industries by producing dynamic generation of Naval Architects to meet the requirements on Indian Shipbuilding Industry, Ship Classification Societies, R&D Organizations, The Indian Navy and other related Institutions.

In 2003, an academic collaboration was started with Chosun University, South Korea whereby exchange of students and faculty members take place between this Department and School of Aerospace and Naval Architecture, Chosun University. The course contents conform to international standards of similar Bachelor Degree programmes. The Indo-German Academic Exchange Programme, which the Department sustained till the mid nineties enabled direct exposure to the latest concepts and techniques in Naval Architecture. The Department maintains active collaboration and interaction with many Universities abroad, IIT Chennai, IIT Kharagpur, and various Shipyards and classification societies in India, students as well as faculty members from all over the country and from abroad.

The students obtain practical knowledge from all these sources through regular visits and training programmes. It's highly qualified team of faculty members has published more than 150 research papers in technical journals of national and international repute. The B.Tech. (Naval Architecture & Ship Building) course is recognized by the Ministry of Surface Transport, Government of India for eligibility to the M.O.T. Certificate Examination. This course has also been accredited by the Royal Institute of Naval Architects (RINA), UK in 1994, as satisfying the Engineering Council (UK) requirements for the registration at stage I of Chartered Engineer Section. The Indian Navy has identified this Department as a Centre for Training in Naval Architecture and Ship Building. Cadets from Indian Navy are admitted to our B Tech programme every year.

M.Tech programme in computer Aided Structural Analysis and Design (CASAD) was successfully launched by the Department in Academic Year 1995-96. The duration of the course is 4 semesters, where the first two semesters are fully devoted for the course work and the last two for the project work. The project works are carried out in house and also at various organizations such as SERC, ISRO, NPOL, EMRC etc. The Department commenced Ph.D. programme in 1996. The research areas by and large fall in these categories.

- Structures (Marine and Civil)
- Navel Architecture (Shipbuilding, Computer Applications)

CUSAT

Academic Prospectus 2014

- Ship / Marine Hydrodynamics
- Ship Stability
- Ship Recycling

#### 26. INTERNATIONAL SCHOOL OF PHOTONICS

Photonics is a high-tech subject which has evolved during the past two decades as a result of the fusion of optical technology with electronics. The subject has been hailed as the science and technology for the next millennium. Photonics has made its impact in various areas like communications, computing and control as well as in fields such as medicine, industry, defence and entertainment. Cochin University of Science and Technology is one of the first few Universities /Institutions in the country where due importance has been given to research, development and teaching activities in photonics and related areas. The International School of Photonics (ISP) came into existence in 1995. Research activities include the design and fabrication of various laser systems and laser components, detailed investigations of non-linear phenomena in different materials using photothermal, photoacoustic and related techniques, time and space resolved studies on laser induced plasmas from a variety of targets, design and characterization of fibre optic sensors, fabrication and characterization of polymer fibers, preparation and investigation of photonic materials and studies on photonics theory. Most of these activities are supported by funding agencies like DST, AICTE and UGC.

ISP at present offers a 4 semester M.Tech degree programme in Opto Electronics and Laser Technology and Ph.D Programme. Manpower development in this modern high technology field and establishment of collaborative research activities with various institutions in India and abroad are the major objectives of ISP. Many of the alumni from ISP are now workings in advanced laboratories in various parts of the world. Four of the faculties have won recognition through Fellowships/ Awards. Over 80 research papers were published during the past 5 years. The Department conducts a workshop/seminar in photonics annually during February. ISP has strong collaboration and interaction with a number of institutions such as Robert Gordon University U K, Nanyang Technological University in Singapore and Tampere University of Technology, Finland. Leading Organizations such as ISRO, SAMEER, NeST select students from ISP through campus interviews. Major facilities include Master Optical Parametric Oscillator, High Power Nd: YAG Laser, 12 Watt Argon ion Laser, Optical Fibre drawing facility & Ring Dye Laser.

Thrust Areas of Research

- □ Laser Technology
- □ Fibre Optic Sensors
- □ Nonlinear Dynamics
- Laser Induced Plasma

CUSAT

□ Photothermal Phenomena

 $\Box$  Laser control by Chaos

□ Nonlinear Optics

## 27. CENTRE OF EXCELLENCE IN LASERS AND OPTO ELECTRONICS SCIENCES (CELOS)

In recognition of the pioneering work carried out by the Laser Group in this University during the past two decades, the University Grants Commission identified Cochin University of Science and Technology as a "University with potential for Excellence in the field of Lasers and Optoelectronics Sciences" in March 2002 and released an initial installment of grant of Rs.5 crore. Following this, a "Centre of Excellence in Lasers and Optoelectronics Sciences" in July 2002. The primary objectives of this Centre are to initiate and organize teaching, research and extension activities in this highly specialized field of Lasers and Optoelectronics.

CELOS is presently merged with the International School of Photonics. CELOS started a Five year Integrated M.Sc. Degree Course in Photonics in December 2002. Twenty students who have completed their +2 course are admitted every year to this Integrated M.Sc. Degree programme through the Common Admission Test conducted by CUSAT. This is an integrated post graduate degree programme with duration of five years (10 Semesters). The students are given intensive training in theory and practicals needed to provide a sound understanding of the modern subject of photonics. Besides basic Mathematics and Physics, the subjects taught cover applied optics, laser technology, laser applications, optoelectronics and fiber optic technology. Successful candidates who complete this M.Sc. Degree programme have plenty of opportunities in Photonics and Fiber Optics industry and for advanced studies like M.Tech and Ph.D. Most of the students from the last batches are engaged in research in the area of Photonics in different parts of the world.

As a part of launching research and development activities in the frontier areas, CELOS has established a major laser research facility with the most modern and advanced laser systems. This includes a femto/pico second laser system and related accessories. This is a major regional facility which will benefit the actual users from the different departments

of CUSAT as well as from other Research Institutions and Universities in this part of the country.

CUSAT

#### **28. DEPARTMENT OF COMPUTER APPLICATIONS**

The Department of Computer Applications (DCA) was established in 1994 with MCA programme with the financial support and a model curriculum prepared jointly by the UGC and the Department of Electronics, Government of India to facilitate research and human resource development in the subject. The syllabus is being updated periodically according to the latest technology. The Department has a proud alumni, most of them being placed with IT Giants IBM, HP, WIPRO, INFOSYS, TCS, CTS, BOSCH etc. Information Security, Simulation and modelling, Cryptography & Coding Theory, Algorithm, Pattern Recognition, Web mining, Graph Theory and its Applications, Image Processing, Data Mining, Networking and Software Engineering are the major research areas. Five students have been awarded with Ph.D till date. Also another six scholars have submitted the thesis during the current year. It has 20 publications in last two years and around 70 publications since its inception. The Department is also doing consultancy work for public and private sector undertakings. The Department has an excellent library with more than 6000 books and various National, International and Online Journals. The Department has a well equipped laboratory with latest computers and software and 24 hour high speed internet access. The Department has an active student's organization 'SAMCA' which also manages the Placement Cell assisted by the faculty members. The SAMCA hosts special interest groups in subject areas in Data Mining, Image Processing, Artificial Intelligence, Robotics etc.

#### 29. DEPARTMENT OF COMPUTER SCIENCE

The department of Computer Science (DCS) focuses on academic programs that prepare individuals for effective participation in computer and systems related professions. Qualified professionals in these fields continue to be in demand as organizations and economies rely upon the efficiency and effectiveness of computer based systems. Courses in the programs offered, seek to provide students with current skills for their first career position, with conceptual preparation to sustain their vocation throughout their career.

At present, three graduate programmes are offered:

- M.Tech in Computer & Information Science
- M.Tech in Software Engineering.
- M.Tech in Computer Science with Specialization in Embedded Systems (Part -Time)

CUSAT

The programmes follow a choice based credit and semester system with progressive assessment towards grading in a 10 point scale. DCS is the only department in CUSAT which offers two full time M.Tech programmes, having due approval of the AICTE. Candidates with valid GATE scores only are eligible for admission under the general category, while those with a minimum of three years experience in the computer and systems related professions can seek admission under the sponsored category.

Aspirants for the part time programme need to have a minimum of one year experience in Industry / University / Institution recognized by appropriate statutory bodies. Research Programmes leading to PhD in Computer Science / Computer Engineering as well as in Information Science, are also offered.

Started in the academic year 1984-85, DCS has been in the forefront in offering cutting edge courses, as well as in supporting the institution CUSAT in its computer related activities. It was the seeding agent in establishing the Computer Centre in 1989, with support from the UGC and the DRDO, and has been managing the Centre. Five batches of students of the M.Sc in Computer Software had graduated from DCS, specifically to serve the DRDO laboratories. The CUSAT Intranet was conceived and commissioned by DCS; it also manages the net, along with the Web-server and the e-mail server. It has supported and enriched the MCA programme during the programme's brief stint at DCS.

Grants amounting to a total of around Rs.10.0 crores received from several funding agencies were managed by DCS, based on projects it has initiated. The agencies include the MHRD, the DRDO, the UGC, the AICTE, the DST and the Nuffic of the Royal Government of the Netherlands. Two projects funded by the ISRO have been successfully mplemented; more are in the offing. While the major focus of research is on Information Systems, the departmental research interests span the Computer Science spectrum, as well. Recent publications cover topics in High Speed Computing, Human-Computer Interaction, Information Security, Networked Embedded System, Natural Language Processing, Software Engineering, VLSI, etc.

The research laboratories have been augmented / developed using the 2007 MHRD grant. They are:

- 1. Human-Computer Interaction Laboratory (HCI Lab)
- 2. Embedded Systems Laboratory (ESL)
- 3. Mobile Computing Laboratory (MCL)
- 4. Software Engineering Laboratory (SEL)

CUSAT

The DCS library has a rich collection of technical literature with more than 5000 volumes and all the ACM journals. In addition to the web access available in the library, it provides students with the opportunity to tap the latest information available, through a collection of technical journals, magazines, books, research papers, seminar proceedings and project reports. The department has been selected for support by the Department of Science & Technology, Government of India, under its FIST programme. The funds received are being utilised to augment the post graduate programmes as well as to pursue research leading to Ph.D. Wireless Sensor Networks is one of the areas identified for further research.

CUSAT

#### 1. UNIVERSITY LIBRARY:

The Cochin University Library was established in 1977 as a central agency for meeting the information requirements of the academic community of the University and for collection, organization and dissemination of information. The University Library is fully automated and is one of the best scientific and technical libraries in the country. Being the information centre of the Technological University in the state, the library has built up a balanced and rich collection on all branches of sciences and technology. At the same time books of general interest in various subject fields are not neglected either.

CUSAT library has restructured its services to face the threat and boon that result from the rapid proliferation of electronic information resources. Library LAN has been a part of Campus Wide Network, which has made it possible for the academic community of 30 departments to access information from their location itself. As a part of the free/open source software movement in CUSAT, the University Library is migrated from ADLIB library software into KOHA open source integrated library system. The bibliographic records of books, journals and theses in the Library can now be accessed globally through WebOPAC (http://opac.cusat.ac.in)and Union Catalogue of all libraries in CUSAT.

The Library offers Loan service, Inter-Library Loan, Literature Search, Reference Search, Compilation of Bibliographies, Reprographic Service, Reprint Service, Conference Alert Service, New Addition Alert Service, Patent Information and Consultancy Service. CUSAT Library has campus wide IP enabled access to online journals under the UGC-INFONET DIGITAL Library Consortía and INDEST Consortia. The UGC initiated UGC-INFONET project provides access to electronic journals and database over the internet executed by INFLIBNET. Under this project electronic full text access is provided to scholarly literature of all major areas of learning like Science Direct, ACS, IOP, Taylor & Francis, RSC, Wiley publications, Nature, Project Muse, Project Euclid, Web of Science...etc. Members can avail the service of UGC-INFONET, JCCC portal (an e-journals gateway to Indian Universities & Colleges) which also provides ILL between various Universities in India. Under the INDEST consortia setup by the MHRD, online access is available to IEEE Digital library which provides full-text access to IEEE publications published since 1988. In addition to this, CUSAT Library is also subscribing online databases like ACM, Crisil, SciFinder, Manupatra, Emerald extra (Management & Library Science), Proquest databases, Proquest Dissertations and Theses database, CMIE Prowess-database, JSTORE, ASCE journals ... etc. The services and facilities provided by the library are published in the library website http://library.cusat.ac.in/. The links to the online journals and databases subscribed are provided in the library e-journals portal.

CUSAT

Academic Prospectus 2014

University library is a member of DELNET (Developing Library Network) providing access to DELNET databases of books, periodicals, these setc. available among the

various member libraries. Members can avail inter library loan service and document delivery service from DELNET for books and journal articles not available in the University Library. The library also houses an Institutional Repository "Dyuthi", supported by the Department of Scientific and Industrial Research, where the research publications and Ph.D theses of the University is available online to the public. It also provides open access to institutional research output by self-archiving it.

#### 2. CENTRE FOR SCIENCE IN SOCIETY (C-SiS):

The Centre for Science in Society was established in 1991 under the UGC VIII plan Development Assistance with partial financial assistance from Cochin Refineries Limited. It is instituted as endowment (BPCL Chair/Professor) in the University. The Centre conducts various programmes about science with the view to popularize Science and Technology among children. Government of Kerala has approved C-SiS as a Training Centre for High School science teachers under the prestigious "Sastraposini" Programme. In 2013-14, Kerala State Council for Science, Technology and Environment (KSCSTE), Govt. of Kerala has sanctioned a project entitled "Enlightening of scientific spirit and awareness among school students and Teachers through a 'Two-in-One' projects for the benefit of school children and their Teachers to develop scientific awareness and passion for knowledge through various learning process using innovative science gadgets and books". This project is ongoing.

#### Facilities available in C-SiS

- 1. Science Park- The outdoor facility where the children can play and learn many science principles, using play models .
- 2. Science Pavilions (Physics &Biology), Exhibition halls-Here the participants can interact with

various gadgets and models arranged in laboratory. The working principles will be explained to them.

In the biology section, a number of specimens are exhibited.

3. "See & Believe" Labs- Laboratory experiment sessions ; (Physics ,Chemistry and Biology )in which

children can do themselves basic experiment in science and experience the thrill of science.

- 4. Maths Lab-Models & Gadgets to learn Mathematics through simple methods.
- 5. Computer lab –with modern facilities like e-mail, internet and multimedia.

- children's Science library –A rare collection of about 10500 popular science books and science journals, 250 CDs, Scientific American's Amateur Scientist Projects of the last 78 years, National Geographic Magazine, Rare Books like Hortus Malabaricus, Lakhupanineeyam, Ganithayukthibasha, etc.
- 7. Hall of Scientists (Statues)-Statues of famous scientists with brief description of their contributions and achievements are exhibited to excite children with the growth of Science.
- 8. Work experience lab.
- 9. Satellite Centre with uplink and downlink facilities.
- 10. The Herbal Park & Butterfly garden –A Herbal Park where medicinal plants are exhibited with labels.

A Butterfly garden where Special plants attracting butterflies are grown. A good number of beautiful butterflies may be seen on normal bright days.

A Rain Water harvesting unit and a biogas plant which are fully operational are also set up in the Science Park.

The Indian Space Research Organization (ISRO) is putting up a 'Space Pavilion' in the Science and Technology Park of C-SiS. Models of their space rockets, Chandrayaan and video shows of rocket launching from Sriharikotta will be shown to the visitors. The U.S based IEEE (Institute of Electrical and Electronics Engineers) has come forward to establish an 'E –Scientia' (Electronics Scientific Exhibit) in the Science and Technology Park of CSiS. The Unique facility will help the Science and Engineering students to experience the thrill of a Satellite Launching Mission'. There will be existing experience of trajectory monitoring and error correction in the process of Satellite Launching. Negotiations are progressing. C-SiS will have a spacious building to house its various laboratories and other facilities. The Construction of the U.G.C sponsored building for C-SiS by CPWD is progressing well.

#### **Ongoing Programmes for Children in C-SiS.**

(a) One Day Attachment Programme (ODAP):

This is a programme which aims at acquainting children with various science principles and experimental set up, through interactive study materials. A well planned programme for batches of students from one or two schools which reserve the facilities of C-SiS for a day. Details are as follows:-

The children will have opportunity to participate in most of the following programmes on the day:-

- Lecture-cum-Demonstration
- See & Believe-Laboratory
- □ Science Pavilion
- □ Science Park
- □ The Children's Science Library
- The Multimedia Computer facility for learning.
- □ The Herbal Garden
- Maths Laboratory
- b. Science Talent Development Programme (STDP): (Mid-summer Programme)
  - Science Talent Development Programme is an intensive programme meant for children with special aptitude for science. This is an intensive programme meant for children studying in 4th to 10th Standards (in 2013-14), with special attitude for science.
  - \* The Mid-Summer Programme (STDP- M1) starts in first week of April and will continue till the end of the Month. A Mid Summer Programme (STDP-M2) suitable for Schools with vacation in May / June starts in 1st week of May and ends in the last weeks of the month.
  - \* The Mid-Summer Programme, (M-STDP) will start from the first week of April and will continue till the end of May in two monthly modules.

#### 3. SOPHISTICATED TEST AND INSTRUMENTATION CENTRE:

STIC is a joint venture of the Kerala State Council for Science, Technology and Environment (KSCSTE) and Cochin University of Science and Technology (CUSAT). This institution has been established with the following objectives.

- 1) Provide advanced instrument facilities for analysis testing, measurement and calibration to users from industries, academic institutions and R&D establishments.
- 2) Undertake research and development in the field of instrumentation and related areas relevant to industries in the State.
- 3) Undertake training and services for personnel from industries, R&D establishments and academic institutions.

STIC has established highly sophisticated test, measurement, calibration, analysis and research laboratories in the areas of instrumentation, quality evaluation / calibration, chemical analysis and testing. A good number of industries, academic institutions and research establishments make use of the services of STIC. In addition to regular

CUSAT

Academic Prospectus 2014

calibration, testing and analysis activities, the scientific personnel in STIC are involved in research and development in instrumentation and allied areas.

STIC has set up the following facilities to carry out its activities.

- Calibration laboratories (Electro-Technical, Thermal, Mechanical all with NABL accreditation)
- Testing laboratories (Electrical, Plastics, Mechanical)
- Sophisticated Analytical Instrument Facility (SAIF), supported by DST housing About 15 analytical instruments
- Instrumentation R & D Laboratory.

More details are available at www.sticindia.com

#### 4. NATIONAL CENTRE FOR AQUATIC ANIMAL HEALTH

National Centre for Aquatic Animal Health (NCAAH) has been in active Research and Extension in Aquatic Animal Health and Marine Biotechnology since its inception in 2000. The Centre perpetuates its vision on holistic development and application of viable technologies for the management of aquatic animal health especially the species cultured, besides endeavouring on marine biotechnology to bring forth industrial development in India. In support of this vision it offers an M.Tech. Programme in Marine Biotechnology sponsored by Department of Biotechnology, Government of India to generate manpower as Scientists, Technocrats and Entrepreneurs. As a matter of policy the Centre collaborates with sister organizations to achieve its short and long term objectives in such a way that the problems related to aquatic animal health are sorted out and solved at National level.

A unique feature of the Centre is its in – house production facility for 'Aquaculture Medicine' in order to meet the needs of the aquaculture industry. The Centre has state-of-the-art facilities for research and development in Marine Biotechnology, Bacteriology, Virology Immunodiagnostics, Molecular diagnostics, Animal Tissue Culture, Aquatic Animal Health Assessment, Aquaculture Medicine Production, Bioassay System and Environmental Chemical Analysis. The identified thrust areas are Fish and Shellfish Health Management, Aquatic Animal Cell Culture, Aquaculture Bioremediation, Marine Genomics and Proteomics, Bio-security and High Health Brood Stock Development, Bio - prospecting, Aquaculture Medicine and Nano – Biotechnology.

The research programmes are supported by the National funding agencies besides the International agencies such as International Foundation for Science Sweden and Welcome Trust U.K. The Centre maintains strong links with several National Research Institutes and Universities by way of undertaking collaborative research programmes. The unique feature of the research programmes undertaken here is the close liaison being maintained

with the Industry and the people around in the sense that all research programmes identified have emerged from the real life problems brought to the attention of the Centre by the people. Active research wing at the NCAAH has attained its prime position among the Institution at National level through publications in peer reviewed research Journals, commercialized technologies such as Nitrifying Bioreactor and aquatic animal

health management products (DETRODIGEST, ENTEROTROPHOTIC and PS-1 to mention a few)

In 2008 the Centre launched an M. Tech. programme in Marine Biotechnology, the only one of its kind in India, sponsored by Department of Biotechnology, Government of India under the net work programme in human resource development in Biotechnology in the country. The quality of research undertaken and the extension and services offered to the aquaculture industry in Aquatic Animal Health enabled this centre to be recognized by Network in Aquaculture Centres in Asia – Pacific (NACA) as its Regional Recourse Centre in Aquatic Animal Health. NCAAH's unique Aquaculture Extension Cell (AEC) bridges the farmer and technology gap and provides a platform for interaction between Farmers, Scientists and Industry and promotes novel technologies in aquaculture. The pursuit of knowledge and improved technologies offered by the Centre in the last one decade paved the way for sustainable aquaculture in the country. As its motto testifies the Centre has taken up its activities as 'Relentless efforts for the protection of health of aquatic animals and their environment'; the mission which made NCAAH India's leading knowledge hub in Aquatic Animal Health. The Central laboratory is situated in the Lakeside Campus of *CUSAT* with four regional aqua-clinics.

#### 5. DEPARTMENT OF YOUTH WELFARE:

Department of Youth Welfare is a formal platform in the University to design and implement Youth Policy which includes the issues related to motivation, participation, promotion and socio-economic and cultural settings within which young people grow up. The Department will act as a driving force for the student and youth community to epitomize their academic excellence through doing and learning.

#### Core values

Creativity, Competence, Confidence and Compassion

#### Vision

- 1. To create sense of values and social/life among students of the University
- 2. To inculcate positive thinking for physical and mental health
- 3. To provide encouraging atmosphere to strengthen teaching-learning process, student-teacher relationship, peer group relationship, etc.
- 4. To coordinate cultural programmes, youth activities and other programmes in the campus and recognized institutes.

CUSAT

- 5. To help authorities in framing policies and procedures relating to the students.
- 6. To take measures to promote welfare activities in the campus.
- 7. To conduct research in youth related issues.

#### Mission

- Organizing training /orientation programmes/motivation sessions/camps
- Conducting bridge and remedial courses
- Conducting academic and applied research with relation to young people.
- Conducting extension/outreach services
- Provide advocacy services for students
- Coordinate students activities
- Facilitate both tangible and intangible welfare programmes and procedures

#### 6. DEPARTMENT OF PHYSICAL EDUCATION:

The Department of Physical Education, Cochin University of Science and Technology is promoting physical education and sports on part with regular academics. The University has well organized the value of sports and physical activities as a means of developing personality promoting social harmony and discipline. The department provides ample opportunity to the students to utilize their leisure time with physical activities to reduce their stress and inculcate a life time physical activity behavior in their day to day education system. Physical fitness is not only the most important key to a healthy body but also the basis of dynamic and creative intellectual abilities. We encourage mass participation towards physical activities which enhance to overall cognitive abilities of the students. The Department of Physical Education is monitoring the sports activities of University. Our University desires to prepare all the sports events to enable participation for All India and South Zone Inter University Tournaments.

#### Aims and Objectives

The aim of Department of Physical Education, Cochin University of Science and Technology is to promote activities in the field of sports and games with excellent infrastructure facilities and also to provide a systematic and scientific training for the students. More than 3000 students get competitive experience from the Inter collegiate level sports and games competitions organized by the Cochin University of Science and Technology every year.

All the recognized colleges take part in the Inter Collegiate sports and games competitions in 16 disciplines organized by the Department of Physical Education, Cochin University of Science and Technology.

#### **Nature of Programme**

- Total Number of games and sports activities conducted for CUSAT Inter Collegiate Games : 16
- Nearly 2500 students get competitive experience every year.
- CUSAT-Vodafone ever rolling inter collegiate meet is conducted every year in the month of January.
- Selection and preparation of CUSAT University Teams, (Eleven Disciplines) to participate in the Inter University Competition organized by Association of Indian Universities every year.
- Organize Adventure Sports camps.
- Conducting coaching camps for various teams.
- Organizing various championships with the joint venture between University and other associations.

#### **Play field Facilities**

- Multipurpose track and field (out door), Foot Ball, Cricket, Volleyball, Basketball...
- Multipurpose Indoor Stadium for Badminton and Table tennis.
- CUSAT ARENA (Multipurpose sports courts Lawn Tennis, Volleyball, Basket Ball with in a wire mesh area having flood light facility).
- Ladies Health club.

#### **Future Plans:**

- Yoga, meditation and self-defense training programmes for women students
- Development of Health Club Facilities for boys.
- Individualized health related physical fitness assessment and remedial programmes
- Development of indoor facilities and swimming pool

#### **Adventure Sports**

Conducted four Adventure Sports Camps for boys and girls separately at National Adventure Academy, Munnar under Kerala State Youth Welfare Board. Activities include River Crossing, 100 mts height rock climbing, trekking etc.

#### Achievements

CUSAT Shuttle Badminton Team attained 1<sup>st</sup> position in the South Zone and All India Inter University Badminton Championships during the year 2012-13.

CUSAT

Academic Prospectus 2014

#### 7. CENTRE FOR INFORMATION RESOURCE MANAGEMENT;

The Center for Information Resource Management (CIRM) was established in 1998 with the help of the MHO-INFOCUS project of the Netherlands Government. In 2006, CIRM has been established as an Independent Centre with full fledged Office. The main objective of CIRM is to act as the nodal centre for all the information technology resources of the University. It involves design, installation and maintenance of the IT infrastructure including the network, software resources and IT enabled services and

facilities. CIRM also provide the staff training, user support and consulting services to user departments and external clients on demand.

*CUSAT* is one of the few institutions of higher learning India that possess a state of the art, reliable and scaleable campus wide network which support the information needs of the user community. All the departments in the main campus are interlinked with a fiber optic backbone. Also the Lakeside Campus 15 Km away and the pulincunnu campus 70 km away from the main campus are connected to the main network using 10 Mbps leased line. The campus network is seamlessly integrated to the internet through broad band connectivity available to the user community on 24x7 basis. The internet connectivity in the Main Campus has been upgraded to 50 Mbps during the year 2012-13. With this new connectivity the users in the main campus and lake side campus can experience much higher band width. Apart from this the campus is connected to the National Knowledge Network (NKN) using one Gbps backbone connecting major institutions in India.

The domain name cusat.ac.in is registered with the National Centre for Software Technology (NCST) India. The portal <u>www.cusat.ac.in</u> serves as the single window access point to all the information resources and IT enabled services of *CUSAT* which is managed by CIRM.

#### Services offered

**Internet:** The internet facility is extended to all *CUSAT* community on 24x7 basis. **Web Service:** The University web server and the various web services of the campus is developed and maintained by CIRM

**Email:** The mail server is hosted in house and email facility is extended to all teachers, staff, research fellows and post graduate students of the campus.

#### Financial Information System

The financial information system was developed by CIRM during 2010 under the Open Source ERP Software.

#### Voice Communication system

CUSAT

The voice communication system is installed with 1000 lines both in the main and lakeside campuses.

#### **Online Counselling System**

Online Counselling Software for admissions to different courses of the University is developed by the department under the open source platform.

#### 8. EMPLOYMENT INFORMATION AND GUIDANCE BUREAU:

The University Employment Information & Guidance Bureau attached with Cochin University of Science and Technology came into existence on 10.01.1973. This is the joint venture of the University and the National Employment Service Department. The Chief of the Bureau is nominated by the Vice Chancellor of the University and the Deputy Chief of the Bureau is an Employment Officer of the Department of National Employment Service.

#### **Major Activities**

The objective of the Bureau is to provide career guidance (both individual & in groups) and is to disseminate occupational and vocational information to the student community so as to enable them to qualify/seek the job they aspire. Conducting coaching classes of various competitive examinations like UGC-CSIR JRF/NET, LDC, Bank P O, Junior Telecom Officers, etc is another important activity of the Bureau. We offer personality Development Courses. We provide career talks for schools and colleges regularly. We conduct Career Seminars on career opportunities at different levels. Services offered by the Bureau are absolutely free of cost except coaching classes.

#### **Achievements**

Bureau conducts coaching classes for UGC-CSIR JRF/NET, Bank Probationary Officer /Management Trainee /Clerical Examination as usual. The Bureau conducts seminars without charging any fee in various schools and colleges in and around Ernakulam District. Eminent faculties handle the sessions and are highly appreciated. The Bureau brings out Vocational Guidance Information Bulletin regularly.

#### **Future plans:**

We plan to conduct Civil Service Examination coaching. We also plan to arrange coaching class to SC/ST, Minority students with the aid of UGC.

CUSAT

# 9. CENTRE FOR THE STUDY OF SOCIAL EXCLUSION AND INCLUSIVE POLICY:

The UGC centre has, since the starting of its formal work in February 2009, engaged in building the required intellectual infrastructure for furthering research in the broad agenda of social exclusion. Following the general approach to social exclusion research, the Center examines social exclusion as both 'a Process and a Status'. Developing on this scheme of examining social exclusion, the Center advocates in its research for inclusive policy the 'Process-Status-Process' approach i.e. identify and examine the process that led to social exclusion, evaluate the present status/magnitude of social exclusion and chart out processes to achieve the desired level of social inclusion. The center has identified as its core research themes a) Digital Exclusion b) Housing and Basic Amenities Exclusion c) Socio cultural and Structural Determinants of Exclusion d) Spatial Exclusion and e)

Demographic dimensions of exclusion. The primary 'contexts' of the Center's research are a) Tribal Communities in Kerala b) Resource Based Industries in Kerala c) Rural population in Kerala d) Workers in unorganised sectors in Kerala.

The Centre has also undertaken research projects on behalf of various government agencies and NGOs to develop inclusive development strategies for the marginalized communities. The Centre has produced several outputs in the form of reports, projects, working papers and research articles in referred national and international journals.

#### **Research output of the Centre**

- 18 Research Projects
- 4 Books

CUSAT

- 10 Working Papers
- More than 30 Articles in National /International Journals
- 3 Seminars /Conferences /Workshops
- 12 Papers presentations

## 10. CENTRE FOR NEUROSCIENCE, DEPARTMENT OF BIOTECHNOLOGY

The Centre for Neuroscience after establishment conducted four National Symposia in Neuroscience, three international conferences in Biotechnology and Neuroscience, Advances in Neuroscience and Neuroscience Updates, Nine World Brain Awareness programmes and workshops in Neurobiology sponsored by National brain research centre, Government of India, two DST sponsored workshops for young scientists on live cell imaging and gene expression studies using real time PCR, India, China, Korea, Japan NBNI workshop and ISN, APSN, IBRO and SNCI school on Neurodegenerative diseases

Academic Prospectus 2014

and 3rd Asia Pacific School of Neuroscience, the first in India, sponsored by International Brain Research Organization in the past 12 years. The Hon. Director of the Centre, Dr. C. S. Paulose, has received Sir Shriram Memorial Oration award by National Academy of Medical Sciences, 2007-2008 and Kamala B.K Anand Oration Award by All India Institute of Medical Sciences, New Delhi, 2009, for his outstanding contributions in neuroscience. Thirty two students completed their Ph.D. and a total value of 5.06 crores worth sponsored projects by DBT, DST, ICMR, Government of India and KSCSTE, Government of Kerala has been awarded to the Centre for Neuroscience. Also, the Centre has to its credit 154 publications in Neuroscience area.

#### 11. DIRECTORATE OF PUBLIC RELATIONS AND PUBLICATIONS

The activities of the Directorate of Public Relations and Publications take on a wide perspective while catering to the interest of a large audience in connection with the area of higher education in the state, especially in Science and Technology. The Directorate has been successful in maintaining and enhancing a spotless image for the University as a public organization committed to the cause of higher learning before the internal as well as external public including the media. The efficient and effective use of PR tools like publicity, advertising ,media relations and special events such as special convocation has paved the way to sustaining a healthy relationship with the public . With keen PR acumen, the Directorate organizes functions regularly to facilitate the percolation of knowledge accrued through research in the various University Departments to the masses. This objective also drive the Directorate to publish " Science Communicator" the Interdisciplinary Journal with ISSN and RNI registration and other publications to popularize science among the society. The conduct of national workshops and popular science orations, especially in the local language is of immense benefit to science communicators and journalists.

The Directorate issues around 1000 press releases per annum in both English and Malayalam .Another innovation by the Directorate is the PR alerts to media through SMS that keeps the media persons up- to date on University affairs .Such timely and effective briefing of the media by the Directorate of Public Relations provide a sustainable source of authentic information for all who are in pursuit of excellence in learning .

Around 100 scientific books have been published with ISBN numbers till date. The joint publication of Science and Technology books in Malayalam by the Directorate in collaboration with the Sahithya Pravarthaka Co-operative Society (SPCS), Kottayam is considered a milestone in which the University has published 6 popular Science Books. The Directorate spares no effort to bring out the University Diary in time with up to date

CUSAT

Academic Prospectus 2014

information besides the collection, compilation and publication of Annual Report of the University. The University news letter "Tejus", unique by nature is a matter of pride for the Directorate as well as the University fraternity. The Directorate takes all efforts to provide up-to-date information to other academic institutions, research scholars, students and to the general public regarding education and related opportunities. It also assists various departments in organizing seminars, workshops and symposia by ensuring an excellent media coverage. As part of its PR activities the Directorate take all efforts in clearing the doubts of the general public regarding various academic programmes of CUSAT directly or over phone. Many of the dignitaries from India and abroad, who visit

the University are extended a warm welcome by the Directorate of Public Relations and Publications.

### 12. CENTRE FOR SCIENCE COMMUNICATION:

Cochin University of Science and Technology launched the Centre for Science Communication in early 2007 with the specific aim of popularizing Science and Technology among the masses of the country. Its fundamental task is to create scientific temper and the spirit of inquiry and reform among the fellow citizens, as encoded in the Constitute of India, under "Fundamental duties". The Centre for Science Communication is a unique academic entity of Cochin university with an interdisciplinary framework .Its main focus is on the acquisition and propagation of scientific and technological research output and to translate the same to the layman's level with a view to making use of it for the overall development of the society. Special attention is being given to the development of Science Communication in the regional languages especially in Malayalam. Providing an academic framework to the Science Communication and Science Journalism is another area of interest

The Centre regularly conducts Science Orations and National Science Day programme, besides round-table conference and competition aimed at popularization of science among students, media persons as well as the general pubic. It also publishing popular science book and is actively engaged in empowering science writers /journalists through various National Workshops/programmes in association with reputed Government agencies like Vigyan Prasar, Govt of India , IGCAR and Kerala State Council for Science, Technology and Environment (KSCSTE).

## 13. INTER UNIVERSITY CENTRE FOR IPR STUDIES:

Inter University Centre for IPR Studies (IUCIPRS) is an autonomous institution established by the Government of Kerala in Cochin University of Science and Technology. This is one of the Inter University Centres conceived and implemented by the Department of Higher Education, Government of Kerala. The Centre for IPR Studies

Academic Prospectus 2014

established in the School of Legal Studies of the Cochin University of Science & Technology in 2003 is converted into IUCIPRS to encourage multidisciplinary teaching and research in the area of intellectual property rights. From its very inception till date, the Centre has secured a prominent place among the national and international IP fraternity.

The main objective of IUCIPRS is to evolve into a research hub and resource centre of international repute to act as a think tank in the area of IPR and related subjects. It also intends to facilitate interaction between researchers from different universities and research institutions in India and abroad.

IUCIPRS is governed by a Governing Council consisting of twelve distinguished members with the Hon'ble Minister for Education and Culture, Government of Kerala as Chairman and Vice-Chancellor of CUSAT as Vice-Chairman.

#### **Programmes offered**

**Ph.D Programme**: - The centre is offering multi disciplinary Ph.D programme with scholarships in IPR related areas to encourage researchers from different disciplines to undertake policy research.

- A. Integrated Dual Degree programme in MIP, Ph.D and LLM (IPR), Ph.D: -Candidates for admission to the Five year Integrated Dual Degree Programme in MIP, PhD and LLM (IPR) Ph.D shall be required to have passed the Batchelor's Degree Examination in Law, Economics, Political Science, History, Management and Science and Technology with 55% from any of the Universities in Kerala or an examination of any other University accepted by the Syndicate as equivalent thereto and to have obtained rank in CAT conducted by the University. Candidates with other Bachelors Degree in law alone are eligible for admission to LLM (IPR) Ph.D Degree. Candidate with other Bachelors Degree are eligible for admission to MIP/Ph.D Degree. However a candidate with LLB Degree may opt for MIP, Ph.D Degree at the time of admission. Scheduled Caste/ Scheduled Tribe candidates are eligible for concession admissible under the orders of the government.
- **B.** P.G. Diploma in Intellectual Property Laws:- The candidates for admission to the course should have Bachelors Degree in Law, Economics, Political Science, History, Management and Science &Technology /Engineering (This course is presently under the consideration of the University for converting to evening course)

CUSAT

- **C.** Visiting Fellowship:- The centre allows opportunity for teachers and researchers from India and abroad to associate with the Centre for engaging in teaching and research in IPR related areas for a period of maximum six months.
- **D.** Short Term Fellowship for M.Phill /Ph.D scholars: The Inter University Centre for IPR Studies offers short term fellowship for a maximum period of three months to M.Phil / Ph.D scholars in IPR related areas who have already registered in any recognized Universities in India.

# 14. INTERNATIONAL CENTRE FOR ECONOMIC POLICY AND ANALYSIS (ICEPA):

The International Centre for Economic Policy and Analysis (ICEPA) was an off-shoot of the international collaboration the Department of Applied Economics had in the 1990s and 2000s. The original request for the development of this Centre came from the international collaborators so to sustain the system with continuous linkage. ICEPA was established in the year 2004 April in the Department of Applied Economics, CUSAT for analyzing the economic issues and giving guidelines to authorities for taking policy decisions. Currently, the Centre is carrying out research projects from national and international agencies and is also engaging in development dialogues with national and international NGO's as well as with industries and Governments. Important works undertaken by the Centre since its inception include studies relating to the World Bank, the European Union, The Royal Netherlands Embassy, Development Research Institute, The Netherlands, The Royal Netherlands Embassy Press and Culture Affairs, New Delhi, the Tillburg University, Ministry of Agriculture, Gol, Ministry of Plantation, Gol, Kerala Shipping and Inland Navigation Corporation Ltd, etc. The core research themes are;

- Globalization and emerging economies
- Ecotourism
- Fisheries Economics
- Industrial Clusters
- Economic Development
- WTO and Global Supply Chain

#### Activities

- Conducted /organized seven International Seminars /Workshops in collaboration with the international agencies.
- Published five books.
- 10 Seminar presentations and research articles.
- The Centre also proposed to develop Working Paper Series in the abovementioned thematic areas.

CUSAT

15. INTERNATIONAL RE	LATIONS AND ACADEMIC AD	MISSIONS

The Unit for International Relations and Academic Admissions (IRAA) leads CUSAT's international outreach and academic admission activities. It was carved out in 1996 with the specific purpose of promoting the cause of academic linkage with overseas institutions and ensuring total quality management in admissions to its academic programmes. It plays a pivotal role in fostering international tie-ups and collaborative ventures by promoting faculty / student exchanges and joint research ventures with a view to placing CUSAT on a high pedestal in the international arena of academic excellence. The Unit has also made its debut into new and varied areas of academic administration/management such as conduct of training programmes/competitive examinations etc.

CUSAT

## **CHAPTER 4**

### **ACADEMIC PROGRAMMES OF THE UNIVERSITY**

Academic programmes of CUSAT are open to all Indian / foreign nationals irrespective of caste, creed, race or sex, subject to satisfying the prescribed eligibility criteria / admission test requirements.

#### **UNDER GRADUATE PROGRAMMES**

Admission to seats for the various Under Graduate Programmes offered at the School of Engineering, Kunjali Marakkar School of Marine Engineering, Cochin University College of Engineering Kuttanad (including 10% NRI seats) and Under Graduate Programmes offered in the Department of Instrumentation, Ship Technology, Polymer Science and Rubber Technology, International School of Photonics and School of Legal Studies will be based on the "Common Admission Test" (CAT) of CUSAT, open to all Indian nationals with test centres in all district headquarters in Kerala, and in selected centres outside Kerala.

#### POSTGRADUATE PROGRAMMES

Admission to seats for the various Post Graduate Programmes except M.Phil and M.Tech programmes of the University will be based on the 'Common Admission Test' (CAT) of CUSAT, open to all Indian nationals, with test centres in all district headquarters in Kerala.

#### LATERAL ENTRY PROGRAMMES

The University offers admission to the third semester of the following BTech Programmes through Lateral Entry Scheme.

CAMPUS
School of Engineering, Thrikkakara
Campus
&
Cochin University College of Engineering,
Kuttanad Campus
School of Engineering, Thrikkakara
Campus
Department of Polymer Science & Rubber
Technology Thrikkakara Campus
Department of Instrumentation,
Thrikkakara Campus

CUSAT

Candidates with any three year Diploma in Engineering / Technology awarded by the Board of Technical Education recognised by the Department of Technical Education, Government of Kerala, with not less than 60% marks, will be considered for admission to the B.Tech. programme through Lateral Entry Scheme.

The maximum age prescribed is 25 years as on 1st July of the current academic year.

Admissions will be based on the rank in the admission test, conducted for the purpose. Admitted candidates will have to undergo remedial courses as decided by the University. Test Centre for Lateral Entry to B.Tech Programmes (LET) will be only at Ernakulam / Kochi.

#### Note:

For all Under Graduate Programmes (except Marine Engineering) the minimum eligibility for SEBC candidates to be considered under reservation quota (belonging to Kerala State) for admission to B. Tech is 45% for Mathematics and 45% for Mathematics, Physics and Chemistry put together in the qualifying examination. Of the total seats for B.Tech. (Selffinancing) 50% are free seats, 40% payment and 10% are NRI payment seats. The free seats are reserved only for Keralite students. For B.Tech in Naval Architecture and Ship Building, Instrumentation, Polymer Science Engineering, 10% of the seats are earmarked for students on All India basis (All India quota) and the remaining seats for the Keralites. Candidates under SEBC category, whose family income is more than Rs. 6,00,000/- (Rupees Six Lakhs only)) are not eligible for free/payment seats under the respective community quota. Seats reserved under sports quota will come under payment seats of B.Tech programmes. 50% concession in tuition fees will be granted to Physically Challenged candidates admitted against the seats reserved for Physically Challenged and have been approved by the medical board constituted for the purpose by the University and whose annual family income does not exceed Rs. 1.50 lakh.

## "SC/ST candidates are eligible for admission, if they have pass marks in the qualifying examination except for B.Tech Marine Engineering".

<u>For all regular PG programmes</u> including subsidized PG programmes like, M.C.A, M.B.A (International Business) and 5 year Integrated M.Sc in Photonics 10% of seats are set apart for students on All India basis and the remaining for Keralites.

For P.G. programmes under self financing sector 50% of the seats are given for Keralites, 10% for NRIs and the remaining 40% open to all.

CUSAT

## A candidate will be considered as a 'Keralite' for the limited purpose of eligibility for admission, if

- a. He/She or his/her father/mother was born in Kerala OR
- b. He/She has been a resident of Kerala for a period of 5 years within a period of 12 years **OR**
- c. He/She has undergone his/her school studies from standards VIII to XII in educational institutions(s) in Kerala. OR
- d. Children of All India Service (AIS) officers (Non Keralites) allotted to Kerala circle are deemed to be "Keralites' (GO (Rt.) No. 822/08/H.Edn dated 29/05/2008). But they will not be eligible for Communal/Special Reservations.

Candidates claiming the Keralite status should invariably produce at the time of interview / admission, any one of the following certificates in original.

• The certificate of Birth / Residence of the candidate or his/her father or mother from the Village Officer / Tahsildar or from a competent authority of local body,

or

• The 'Certificate showing school studies in Kerala from Standards VIII to XII' from the Head of School where the candidate completed his / her study in Standard XII,

or

• Relevant page of the SSLC of the candidate's father/ mother showing the place of birth in Kerala with corroborative evidence showing the relationship between the candidate and the parent,

#### or

• Relevant page of the passport of the candidate or either of parents issued by the Government of India showing place of birth in Kerala with corroborative evidence showing the relationship between the parent and candidate,

or

• Birth certificate of candidate or his / her, father / mother showing the place of birth in Kerala with corroborative evidence showing the relationship between the candidate and father / mother of whose birth certificate is being produced

• For claiming Keralite-AIS (All India Service), certificate from competent authority should be attached.

CUSAT

Programme Name	Eligibility Criteria for Admission	Duration	Nature of Programme	Professional/ Non- Professional	Intake
B.Tech. Marine Engineering (Residential Programme)	Pass in the Plus Two Examination of the State of Kerala or any other examinations accepted as equivalent thereto with Mathematics, Physics, Chemistry and English as separate subjects with a PCM average of not less than 60% marks and minimum 50% for Mathematics alone. Should have passed English at 10th or 12th Standards with 50% marks. (applicable to SC/ST candidates also) Vocational/Diploma students are not eligible to apply. Maximum age limit prescribed is 25 years as on 1st September of the year of admission. Eligibility for admission is based on the directions from the DG shipping.	8 Sem.	Full-time (Self- financing) & fully residential	Professional	80
M.Tech Marine	a) Shall have passed B.Tech /B.E/B.S degree in Marine	4 Sem	Full-time (Self-	Professional	18

B.Tech programme in Marine Engineering is conducted with the approval of Directorate General of Shipping, Government of India, as well as AICTE. This consists of 8 semesters with one semester specifically for Afloat training which is carried out in 'Ship in

Campus'. Graduates from this course are given with the document of CDC and INDoS number by the D.G.Shipping, after which they can sail on board Merchant Ships as Junior Engineer officer. Placement service is rendered by the department for getting employment in Indian and foreign shipping Companies.

Physical & eye fitness certificate from a medical officer approved by the DG Shipping should be produced at the time of admission. (The list of medical officers and agency are available in website www.dgshipping.com.). In this B.Tech programme the students are governed by separate rules regarding uniforms, hostel facilities, curricular and extra curricular activities, training, discipline, attendance requirement besides a special fee

#### SELF-FINANCING, 'COST-SHARING' AND 'REGULAR' PROGRAMMES

Academic Programmes of the University are classified as 'Self-financing', 'Cost-sharing' and 'Regular' programmes. The nature of the programme is clearly indicated under the section on 'Eligibility Criteria'.

#### **'Self-financing' Programmes**

Specified academic programmes of the University are "Self-financing" programmes, which have a different fee-structure.

B.Tech programme in Marine Engineering offered at the Kunjali Marakkar School of Marine Engineering, Thrikkakara campus, B.Tech Engineering programmes offered at the School of Engineering, Trikkakara campus, and at Cochin University College of Engineering Kuttanad, Pulincunnoo campus pertain to the category of self-financing programmes. 50% of the seats of these programmes are treated as 'Free Seats' carrying lower rate of fees. The remaining 40% of seats are 'Payment Seats' carrying higher rate of fees and 10% reserved as NRI payment seats (see schedule of fees). Communal reservation rules are applicable to these programmes; however, eligibility under communal reservation quota is restricted to applicants who satisfy the requirements regarding annual family income (see section on 'Annual Family Income Limit').

#### **'Cost – sharing' Programmes**

Specified academic programmes of the University are "Cost – sharing" Programmes, which envisage a sharing of the cost of infrastructure-building between the student and the institution.

#### **'Regular' Programmes**

All UG or PG Programmes not specifically indicated as 'Self-financing' or 'Cost-sharing' are 'Regular' Programmes.

# **CHAPTER 6 ADMISSION PROCEDURE**

All academic admissions are based on the merit of the applicants as determined through an admission test conducted for the purpose, subject to satisfying other prescribed eligibility criteria. (See section on "Eligibility Criteria"). Foreign nationals are exempted from the above requirement of writing the admission test (See section on "International" Students"). The admission tests are of two types viz, Common Admission Test (CAT) or Department Admission Test (DAT). Depending upon the combination of programmes an applicant chooses, he / she may have to appear for the CAT (and / or Group Discussion/ Interview) and the DAT. Candidates are advised to read carefully the rules in this regard and appear for such examinations that would make them eligible for the programmes they prefer to get admitted to. No representations for redressal of grievances caused by acts of omission or non -observance of rules by the candidates in this regard will be entertained by the University.

#### WHO CAN APPLY FOR CAT/DAT 2014

Students who have passed the qualifying examination (prescribed under 'Eligibility Criteria') shall be eligible to apply for the CAT. All UGC specified Degrees, Diplomas etc. awarded by the UGC approved statutory Universities are recognized by the University for admission to courses. However, distance education courses of IGNOU will only be considered. However, students who have passed the examinations /papers except those prescribed for the final year / semester of the qualifying degree / diploma / certificate may be considered for admission, if they have appeared or are appearing for all the examinations in the courses of the final year / semester of the qualifying degree / diploma / certificate. (This provision is not applicable to the students appearing for compartmental / improvement examinations.) Such candidates have to produce, the original mark lists of all relevant and previous, (including the penultimate) examinations, the Transfer Certificate and a Certificate from the Head of the Institution last attended that they have completed the programme of study and have appeared or are appearing for all the examinations in the courses of the final year / semester of the qualifying degree / diploma / certificate and that their results are awaited, at the time of Group Discussion / Interview / Counselling, whichever is held earlier, failing which they will not be permitted to attend the same as the case may be. If such students admitted to a programme of studyin the University fail to attain the prescribed eligibility for admission before the date of registration for the regular first semester examination of the programme to which they were granted admission, they shall not be permitted to continue the programme and shall be summarily removed from the rolls of the University. These concessions shall not be applicable to students who have failed in their qualifying examination or who have failed to acquire the required percentage of marks and

CUSAT

subsequently have appeared for supplementary / improvement examination(s). However, for admissions to all B.Tech., 5 year Integrated M.Sc. in Photonics, and 5 year B.B.A. LL.B (Hons.)/B.Com.LL.B.(Hons.)programmes, the mark list obtained in the qualifying examination has to be produced invariably at the time of admission. Those who fail to produce mark list shall not be considered for admission.

Admission to the B.Tech programmes of the University for those, who pass the Plus Two or equivalent qualifying examination in subsequent chances in the same year, shall be governed by the current rules prescribed in the matter by the Government of Kerala.

## THE COMMON ADMISSION TEST (CAT)

## Structure of CAT

**Marks and Scoring:** The CAT score will be calculated as per the formula, S = 3R - 1W, where S is the CAT score, R is the number of right answers and W is the number of wrong answers.

For each right answer 3 marks will be awarded and for each wrong answer one mark will be deducted. In case of a tie, the existing University norms will be followed.

Subject of Tests	Test Code
Test for B.Tech and M.Sc Photonics	101
LET (Lateral Entry to B.Tech. Programmes)	102
Aptitude Test for 5 Year B.B.A LL.B. (Hons.)/B.Com LL.B. (Hons.)	201

93

Aptitude Test for 3 year LL.B (Regular) (Evening)	619
Aptitude Test for MIP., Ph.D and LL.M., Ph.D	620

#### **Group Discussion and Interview**

Applicants for M.B.A (Full-time) / M.B.A (Part-time), M.B.A (International Business), M.B.A. (Travel & Tourism) will be short-listed on the basis of their C-MAT score (AICTE) / MAT Score (AIMA) / CAT(IIM) and will be required to attend Group Discussion and Interview.

Applicants for M. Sc Industrial Fisheries will be short-listed on the basis of their CAT score and will be required to attend interview.

#### **CAT Rank Lists**

**M.B.A (F.T) / (P.T), M.B.A (I.B) & M.B.A. (T.T.) :** Rank lists for M.B.A (Full-time) / (Part-time), M.B.A (I.B.) M.B.A. (T.T.) are prepared on the combined basis of the C-MAT score (AICTE) / MAT Score (AIMA) /CAT(IIM) and performance at Group Discussion and Interview as indicated below. The normalization of the C-MAT / MAT Score/CAT(IIM) will be decided by the University.

	7
C-MAT / MAT /CAT(IIM)	/70%
Group Discussion	15%
Interview	15%
Total	100
~	

**M.Sc. Industrial Fisheries:**\_Rank list for M.Sc Industrial Fisheries is prepared on the combined basis of the CAT score and performance in the Interview as indicated below:

CAT/Score	85%
Interview	15%
Total	100

For all other programmes the marks secured at the Common Admission Test in the subject that qualifies the candidate for admission to the programme alone will be considered for preparing the Rank list. However, in the case of programmes where multi-disciplinary Tests are conducted, rank lists are drawn up on the basis of the Percentile Index

determined by the formula,  $\frac{n-p}{n} \times 100$  where n is the number of candidates appearing for the Test in a particular subject and p is the position according to the CAT score. The Percentile Indices are then integrated to obtain the relative position of the candidate in the rank list for that particular programme.

Candidates, appearing for Test 101, Test for First Degree programmes in Engineering and Technology, should have scored a minimum of ten marks for each subject (PCM) of the paper (101) to be eligible to figure in the respective rank list. This requirement of

CUSAT

minimum marks, however, will not be applicable for candidates coming under SC/ST communities.

#### **Test for First Degree programmes in Engg. & Technology** (Test 101)

The test comprises of 250 objective type multiple choice questions based on Plus Two syllabus. Of this, 125 questions will be from Mathematics and 125 questions will be from Physics and Chemistry with physics to chemistry ratio maintained at 3:2. The duration of the test will be three hours. The admission to following courses is based on the score in this test.

- ➢ 5-year Integrated M.Sc. in Photonics
- B. Tech. course in Civil Engineering, Computer Science & Engineering, Electronics & Communication Engineering, Electrical & Electronics Engineering, Information Technology, Marine Engineering, Mechanical Engineering, Safety & Fire Engineering.
- ▶ B. Tech. course in Instrumentation Technology
- B. Tech. Naval Architecture & Ship Building
- B. Tech. Polymer Science & Engineering

## Test for Lateral Entry to III Semester B.Tech Programme (LET) (Test 102):

The Lateral Entry Test for admission to III Semester of the B. Tech course comprises 200 objective type questions designed to test the proficiency in English (20 questions), Mathematics (50 questions), Engineering Mechanics (40 questions), Engineering Graphics (40 questions) and General Engineering (50 questions). The test shall be of 3 hours duration and the maximum marks will be 600.

## Aptitude Test for B.B.A., LL.B. (Hons.) / B. Com., LL.B. (Hons.) (Test 201)

The Test for B.B.A., LL.B.(Hons.) / B.Com.,LL.B (Hons.) comprises 150 objective type questions designed to test the proficiency in General English (50 questions) Ability in Reasoning and Logical Thinking (50 questions) proficiency in General Knowledge and Current affairs (25 questions) and in Law Related Matters (25 questions). The maximum marks will be 450. The candidate will have option to select either of the five year courses on the basis of their ranks.

Applicants for B.B.A. LL.B. (Hons.) //B.Com.,LL.B (Hons.) irrespective of whether or not they are applicants for any other programme, have to necessarily take the Test 201.

## Test for LL.M. (Test 610)

The Test for LL.M. comprises of two parts: Part I – Proficiency in English, Analytical & other abilities and General Knowledge

Part II - Proficiency in the related subjects.

### Test for M.A. Hindi (Test 301):

The Test for M.A. Hindi comprises 150 objective type questions at a level answerable by candidates with Hindi as a second language at degree level.

Applicants for M.A. Hindi, irrespective of whether or not they are applicants for any other programme, have to necessarily take the Test 301.

### Test for Management Programme MBA (Full Time) / (Part Time), MBA (International Business) & M.B.A. (Travel & Tourism)

For MBA courses of the University, the admission to the 2014 batch will be based on C-MAT (AICTE)/ MAT (AIMA)/CAT(IIM) score and performance at Group Discussion and Interview conducted by the University. <u>However, they must also submit their applications online to the University within the stipulated time.</u>

## Aptitude Test for MCA (Test 501)

The aptitude Test for MCA comprises 150 objective type questions designed to test the aptitude and capability of an applicant for pursuing the M.C.A programme. About 50% of the questions will be from Mathematics covering areas of Engineering Mathematics / B.Sc. subsidiary level Mathematics while the remaining questions will be to test the ability of the candidate in logical reasoning based on pictures, geometrical figures, patterns of words, Number Sequence, Set Theory, Logic decoding etc. Applicants for MCA, irrespective of whether or not they are applicants for any other programme, have to necessarily take the Test 501.

#### Tests for PG Programmes (Tests 601-604, 606-615, 617-618)

The Test for PG Programmes (Tests 601–604, 606-615, 617-618) comprises 150 objective type questions designed to assess the proficiency of the applicant at the Graduate level in the test subject chosen by the candidate. Applicants for PG programmes (other than M.A. Hindi) may choose and specify any one of the 16 subjects (listed with Code Numbers 601–604, 606-615, 617-618) relevant to the programme for which the admission is sought. A table is given at the last page of the prospectus for quick reference of the

CUSAT

selection of Test Subjects. This subject could be either the main subject of the qualifying degree examination of the applicant or the subject nearest to the main subject, provided it meets the eligibility criteria prescribed for the programmes chosen. See chapter on "How to Choose test subjects for PG Programmes-Quick reference table"

### Test for M.A. Applied Economics (Test 616)

The Test for M.A. Applied Economics (Test 616) comprises 150 objective type questions designed to test the proficiency of the applicant at the Graduate level in Economics. (50 % of the questions will be from Economics, 15% from Simple Mathematics, 15% from Statistics and 20% General awareness.)

#### Test in Engineering Science (Test 607)

The Test in Engineering Science is for testing the aptitude of an applicant for admission to the interdisciplinary programme M.Sc. Environmental Technology (Stream 1).

### Test in Life Science (Test 611)

Tests the subject knowledge as well as aptitude of an applicant for admission to the interdisciplinary programmes of M.Sc. Biotechnology M.Sc. Environmental Technology (Stream II) M.Sc. Marine Biology and M.Sc. Biopolymer Sciences. Questions will therefore be from areas in Life Science / Medical Science / Agricultural Science, which a graduate in any of the above branches of study, should be able to answer.

## Aptitude Test for 3 year LL.B course (Test 619)

The Test for 3 year LL.B. Course (Test 619) comprises 150 objective type questions designed to test the proficiency in English (25) Comprehension ability (25) General Knowledge/Current affairs (25) Legal aptitude (50) and Logical Reasoning (25). The maximum marks will be 450. Applicants for the above irrespective of whether or not they are applicants for any other programmes, have to necessarily take the Test 619.

## Aptitude Test for Five year Integrated Dual Degree Programmes of MIP Ph.D Degree & LL.M (IPR) Ph.D Degree (Test 620)

The Aptitude Test for MIP Ph.D & LL.M., Ph.D. comprises 150 objective type questions designed to test the proficiency in English (40 marks), General Knowledge (15 marks), General aptitude in Intellectual Property Law (20 marks), Analytical and Reasoning Ability (40 marks) and Aptitude to do Research (35 marks). Applicants for MIP Ph.D

CUSAT

Academic Prospectus 2014

Degree & LL.M (IPR) Ph.D Degree, irrespective of whether or not they are applicants for any other programme, have to necessarily take the Test 620.

# THE DEPARTMENT ADMISSION TEST (DAT)

Applicants for all Certificate / Diploma programmes, MA Translation (German/Russian) and M Tech/M. Phil./Ph D programmes will be required to appear for the Department Admission Test conducted by the respective Department / School of CUSAT on dates to be announced later which will be intimated individually to the applicants.

# Procedures specific to M. Tech., M.Phil and Ph. D programmes

## **M. Tech. Programmes**

Rank lists for M. Tech. programmes are prepared on the basis of the valid GATE Score. When the GATE Scores of two or more candidates are equal, the marks scored at the qualifying examination are reckoned as the tie-breaker. Seats set apart for candidates from different disciplines in interdisciplinary M. Tech. programmes will be allotted on the basis of their GATE Scores in the respective disciplines.

Candidates without GATE Score will be considered only if sufficient numbers of applicants with valid GATE Score are not available. Candidates without valid GATE score and sponsored candidates will have to appear for a Department Admission Test (DAT) conducted in the Department/ School concerned.

## **Exceptions:**

- MTech Marine Engineering: The admission will be based on the Rank list prepared by giving due weightage to qualifying degree marks (50%), Admission Test conducted by the Department (40%), and number of years experience after obtaining the degree (weightage is at the rate of 1% per year of experience subject to a maximum of 10%). In the case of Marine Engineers possessing M.E.O Class II Certificate of competency 5% weightage and for those possessing M.E.O. Class I Certificate 10% weightage.
- M.Tech in Marine Bio-Technology: GATE score is not considered. Selection of candidates is done by Jawaharlal Nehru University (JNU) on behalf of Department of Bio-Technology, Government of India through a National Test along with all such examinations conducted by the JNU. For details visit JNU website: www.jnu.ac.in. For details on (NCAAH) please visit www.ncaah.org

CUSAT

### M.Phil. Programmes

M.Phil Programmes are offered by the following Schools/Departments of *CUSAT*. Candidates intending to apply for M.Phil courses are requested to contact the respective Departments/ Schools directly.

Sl. No	Departments/Schools	Phone	M.Phil
1	Applied Chemistry	0484-2575804	Chemistry
2	Chemical Oceanography	0484-2382131	Marine Chemistry
3	Industrial Fisheries	0484-2354711	Fisheries Science

5	Management Studies	0484-2575310	Commerce
6	Physics	0484-2577404	Physics
7	Applied Economics	0484-2576030	Applied
8	Marine Biology, Micro	0484-2368120	Life Science
÷	Biology & Biochemistry		
9	Hindi	0484-2575954	Hindi

Candidates seeking admission to the Master of Philosophy degree course should have passed a Master's degree examination in the concerned subject of any of the Universities approved by the University Grants Commission (UGC) or an examination accepted by the Academic Council as equivalent thereto and have obtained a minimum of 55% aggregate marks (or equivalent grade) in the examination. For M.Phil in Life Sciences the minimum eligibility is 60% in the qualifying examination. Candidates who have passed the Master's degree examination in the Distance / Continuing Education mode are eligible for admission only if their degree is awarded by Indira Gandhi National Open University (IGNOU).

A relaxation of 5% of marks shall be given to the SC/ST candidates. Teachers of a University Department or Colleges recognized by or affiliated to a statutory or "Deemed" University having not less than three years of teaching experience will also be eligible for admission to the course. 50% of the seats of the course shall be reserved for University or College teachers. Priority shall be given to those coming

CUSAT

Academic Prospectus 2014

99

under the Faculty Improvement Programme (FIP) of the UGC or Quality Improvement Programme (QIP) of AICTE.

### **Ph. D Programmes**

Candidates for Ph. D. programmes are advised to ascertain the areas of research and the availability of vacancies under their proposed Supervising Guides in the University Departments / Schools or Recognized Institutions before obtaining the application Forms.

A candidate who wishes to pursue a programme of study and research leading to the Degree of Doctor of Philosophy of the University will be required to seek registration to the programme as a full-time / part-time research student in a University Department / Recognized Institution under an appropriate Faculty. In the case of a Recognized Institution, part- time registration would be granted only for permanent employees of that institution. Candidates, who are working in research projects relevant to the research topic that has been taken up by a Department or by a Recognized Institution and funded by internal or external agencies, will be deemed to be full-time students if they are admitted to the Ph.D. programme. Candidates who are applying for registration, as part-time students shall be considered for registration only where the Research Committee is convinced that effective supervision can be ensured.

#### Eligibility for Admission to the Ph.D Programme

- i. Candidates seeking registration to the Ph.D programme shall hold a Master's Degree from a recognized University with 55% marks in the qualifying examination, or a CGPA of 6.0 in the 10 point scale or an equivalent grade in similar scales. A candidate belonging to SC/ST community is eligible for concession upto 10% marks for admission provided that he/she has a pass in the qualifying examination.
- ii. Candidates seeking registration shall have to appear the Department Admission Test and ranked as per the norms laid down in the regulation.
- iii. Candidates who possess national/state research fellowship with valid scores, with committed financial assistance at the time of seeking admission, in any of the national/state level eligibility tests conducted by the agencies or by industries so recognized by the University for the purpose, are exempted from provision (ii) above.
- iv. Teachers of Universities/Aided Colleges in Kerala/Teachers who are working in Quasi Government/Government Institutions recognized by CUSAT and scientists in National Level Research Laboratories, who have put in five years of continuous service, and foreign nationals who have been sponsored under a scholarship

CUSAT

scheme by the Government of India for undergoing Ph.D. programme in India, are exempted from provision (ii) above.

#### **Admission Procedure**

Candidates seeking admission to the Ph.D programme

- 1. Should qualify The Departmental Admission Test (DAT) which shall have two
- parts,
  - a. Written Test
  - **b.** Interview
- 2. Should have scored at least 50% marks in the written examination to be eligible to be ranked for admission. For <u>Ph.D Programmes</u> Candidates belonging to SC/ST communities are entitled to a concession of 5% marks in the written examination of the DAT.

The weightage for written test and interview for ranking will be as follows.

Marks obtained in the Master's Degree	30%
Marks obtained in the written test	50%
Marks obtained in the interview	20%
Total	100

#### **Interview for Admission**

All candidates seeking admission to the Ph.D Programme who have passed the admission test with a minimum of 50% score(45 % in the case of SC/ST) will be called for an interview with the Research Committee or with a Sub Committee appointed by it. The Committee shall also scrutinize the academic records of the candidate, the research proposal made by him/her in the application, the long term plan of the academic work to be undertaken by the candidate and recommend remedial courses to be taken by the candidate to complete the requirements of the course work. For the new Ph,D regulations please visit website (cusat.ac.in)

## POST DOCTORAL FELLOWSHIP PROGRAMMES

CUSAT offers 7 Post Doctoral Fellowships, one each in the Faculties of Science, Social Science, Law, Environmental Studies, Marine Sciences, Technology and Humanities. The Fellowship value is Rs.12,500/- per month and a contingency grant of Rs.20,000/- per annum. The minimum eligibility for the award of the P.D.F. shall be Doctorate Degree in any of the faculty with at least two research publications in approved journals. To apply for PDF, the candidate shall identify a Mentor who shall be a permanent Faculty of the University, holding a Doctoral Degree and shall be recognized Research Guide of the University and prepare a Research Project Proposal in consultation with the Mentor in the specific format provided by the University and submit the same to the Head/Director of the Department/School after authentication by the Mentor.

CUSAT

#### TERMS AND CONDITIONS FOR THE AWARD OF THE UNIVERSITY POST-DOCTROAL RESEARH FELLOWSHIP

- 1. Post Doctoral Fellowship (P.D.F.) shall be of the value of Rs 12,500/- per month with a Contingency Grant of Rs.20,000/- per annum and shall be tenable at any Department/School of study and Research of the University.
- 2. The minimum, qualification for the award of the P.D.F. shall be a Doctorate Degree in any faculty of this University with atleast two research publications in approved journals.
- 3. The P.D.F. shall be awarded for one year in the first instance and may be renewed on the basis of the report of research work done by the concerned scholar and the recommendations of the Guide and the Head of the Department.
- 4. The P.D.F. shall submit a quarterly progress report to the University through the Head of the Department.
- 5. a) Four copies of consolidated report of the research work done by the candidate during the tenure of the fellowship shall be submitted atleast one month ahead of the end of tenure of the fellowship together with reprints of papers published, if any.
  - b) The selection of the candidate for the P.D.F. shall be done by the Scholarship Committee constituted by the University.
  - c) Each fellow shall be a full time research scholar and shall not accept any other remunerative work without the written permission of the University.
- 6. The application for the award of the fellowship shall be forwarded through the Head of the Department where the candidate proposes to carry out his research work. A list of publications and reprints of publications should be submitted along with the application.
- 7. The selected candidate shall execute a bond to the effect that he/she will complete his/her research project.
- 8. A P.D.F. may discontinue his/her P.D.F. after obtaining sanction thereof from the University.
- 9. A Fellow may be required to undertake five hours of teaching/research work per week, if so required by the Head of the Department.
- 10. The P.D.F. is eligible for thirty days of leave during one (same as for J.R.F.) on the recommendations of the Head of the Department.
- 11. The Syndicate may terminate the fellowship at any time on sufficient reasons as it deems fit.

CUSAT

#### SUBMISSION OF APPLICATION

The application form and the other details can be downloaded from the website. The application fee can be paid by Demand Draft for Rs.100/- (Rs.50/- for SC/ST candidates) drawn in favour of "The Registrar, Cochin University of Science & Technology", payable at Ernakulam, from any Nationalized bank. The completed application form with all necessary enclosures including the application fee (Demand Draft) and the lists of publications and reprints of publications should reach the respective departments on or before 25.02.2014

CUSAT

## **CHAPTER 7**

### INTERNATIONAL STUDENTS (FOREIGN NATIONALS/PIO'S)

International students are exempted from the requirement of admission tests for the academic programmes of the University. They can apply either on self-financing or through the Indian Council for Cultural relations (ICCR) attached to the Ministry of External Affairs, Government of India.

The ICCR offers a number of scholarships to enable International students to pursue higher studies in Universities and other recognized institutions of higher learning in India. Details regarding the various ICCR Scholarships can be had from:

The Director (Scholarship) Indian Council for Cultural Relations Azad Bhavan, Indraprastha Estate, New Delhi – 110002

Tel: 91-011-23379309/23379310 Fax:91-011-23378639/23378647/ 23370732/2337873 E-mail:<u>dir.aj@iccrindia.net/ dir.ajoffice@iccrindia.net</u> Website: http://www.iccrindia.net The Regional Director Indian Council for Cultural Relations Rohini, TC 16/131, Easwaravilasom Road, Thiruvananthapuram – 695014. Tel: 0471-2326712/2320825 Fax: 0471-2332479

E-mail: <u>iccrtvm08@gmail.com</u> Website: http://www.iccrindia.net

The International students are required to submit their application online, for the academic programmes of the University, on payment of US\$100 by way of Demand Draft/Pay order/ any other instrument (which does not involve any collection charges on the part of the University) in favor of *Registrar, CUSAT*.

Applicants who have successfully registered online with CUSAT may forward an advance copy of the confirmation page along with the payment and the following documents to the *Director, IRAA, Cochin University of Science and Technology, Kochi – 682022, Kerala, India.* 

The original confirmation page along with copies of certificates mentioned below shall be routed either through the Embassy of India in their respective country or through their respective Embassy in India.

Curriculum Vitae

CUSAT

- Copies of Mark lists/transcripts of all examinations undergone.
- Two copies of recent passport size photographs
- Character Certificate from the Head of Institution last studied.
- Reference letters from two persons who have intimate knowledge of their academic capabilities.
- Copy of Passport

Students from Nepal do not require a student visa for studying in India. Hence, they should forward a copy of the Nepal Citizenship card to the Embassy of India in Kathmandu for verification and for onward transmission to CUSAT.

#### The following points may strictly be noted:

- An <u>Equivalence Certificate</u> issued from the Association of Indian Universities (AIU), New Delhi is to be produced at the time of taking admission in CUSAT. More information about applying for the same could be had from <u>http://www.aiuweb.org/</u> "Evaluation" "Equivalence of Degrees" and also to Download Evaluation (request) form.
- International Students are exempted from the Common Admission Test (CAT).
- For Eligibility Criteria etc., please read the online prospectus.
- The academic year of CUSAT commences in July.
- Please read the Instructions carefully before proceeding with the Online Registration.
- For further queries, please contact the Unit for International Relations & Academic Admissions (IRAA).

### CHAPTER 10

### RESERVATIONS

#### 1. COMMUNAL RESERVATION

Rules for communal reservation framed by the Government of Kerala and implemented by the University from time to time will be applicable to the various academic programmes. Only candidates from 'Socially and Educationally Backward Communities' (SEBC) eligible for Kerala State communal reservation will be considered for seats earmarked for such communities, provided, the eligibility for such reservation shall be subject to satisfactory verification of relevant Community as well as Annual Family Income certificates issued by competent revenue authorities as prescribed by the rules of the University in force.

### Percentage-wise Reservation Details Non-Professional Programmes

	Tion Trotessional Trogrammes						
	SC/ST	20%

CUSAT

	1%	
	Kudumbi	1%
Tota	36%	

"KSC/KST candidates are eligible for admission, if they have minimum pass marks in the qualifying examination except for Marine Engineering". They can opt for payment category also and are not required to make any payments (except their common fee payable) once they get admission under this category. They will have to produce original Community Certificate in the prescribed format issued by the competent revenue authorities at the time of Group Discussion and / or Interview / Counseling / Admission, whichever is held earlier as the case may be.

Community Certificate and Annual family Income Certificate are to be issued by the Village Officer concerned for 'SEBC' candidates belonging to the state of Kerala and by the Tahsildar concerned for KSC/KST candidates belonging to State of Kerala for claiming admission under respective "Reservation" category.

# Candidates belonging to states other than Kerala are not eligible for communal reservation.

### **2 SPECIAL RESERVATIONS**

CUSAT

Besides communal reservation, specified numbers of seats are set apart under "Special Reservation" as detailed below. All applicants under this quota have to appear for the Common Admission Test/ Department Admission Test, as the case may be, unless otherwise specified.

Physically Challenged : Physically challenged persons with minimum of 40% disability as certified by the Medical Board stipulated under relevant rules of Government of Kerala in the matter, are eligible for reservation. The certificate produced should be either in Malayalam or in English. 3% seats are reserved for physically challenged candidates for all B.Tech courses, except B.Tech Marine Engineering, Mechanical Engineering, Naval Architecture & Ship Building, Instrumentation, Polymer Science & Engineering and Safety & Fire Engineering. One seat each for all other academic programmes except M.Sc (Industrial Fisheries) is reserved for physically challenged candidates are supernumerary in nature. A certificate of disability in original from the District Medical Board certifying the percentage of disability issued not earlier than 12 months prior to the date of counselling / GD / interview / admission, whichever is earlier, has to be produced by the candidate. The percentage of disability shall not be an index for gaining eligibility / admission. Admission shall be based on merit of the candidates. A medical board

2.

- 3. constituted by the University will examine individual cases prior to admission. The decision of the board will be final.
- 4. **Blind**:Reservation for Blind candidates is applicable only for MA (Hindi) and LLM programmes. The certification requirement is same as applicable to the Physically Challenged (detailed above)

### 5. Experienced Candidates

CUSAT

- a. **M.B.A.** (**Part-time**): 50% seats of the M.B.A. (Part-time) programme are reserved for candidates having 3 years of supervisory / executive experience after taking the degree. In the absence of sufficient number of eligible candidates from the aforesaid category, the vacant seats will be treated as open to all candidates.
- b. M.Phil programmes: 50% seats of the M.Phil. programmes are reserved for University / College teachers having not less than three years of teaching experience. Such candidates coming under FIP of the UGC or QIP of AICTE will be given preference.
- 6. **Sponsored Candidates :** Specified number of seats as detailed below are reserved for "Sponsored Candidates" with a maximum age limit of 45 years as on 1st September of the year of admission (except for M.Sc. Electronic Science for which the maximum age limit is 30 years and for all M.Tech programmes, the maximum age limit is 40 years as on 1st August of the year of admission).
  - a. M.C.A.: Two seats of the M.C.A. programme are reserved for candidates with a minimum of three years' experience in the relevant field sponsored by industry / teaching / research organizations of the Central / State Governments. Candidates for sponsored quota must have a minimum experience of three years in the relevant field and must be sponsored by University or Industry / Teaching / Research organizations of Centre / State Government /or by Private Engineering Colleges approved by AICTE. Maximum age of sponsored candidates is fixed as 40 years as on 1st August of the year of admission. Also, a special fee equivalent to the contingent grant received for GATE qualified candidates will be levied on the sponsored candidates.
  - b. **M.Sc. (Electronic Science**): Five seats of the M.Sc. (Electronic Science) programme are reserved for candidates from industry / teaching / research organizations of Central / State Governments. Sponsored candidates must have a minimum experience of three years in the field of Electronics or

Academic Prospectus 2014

- c. related subjects and should not have completed 30 years of age as on 1<sup>st</sup> August of the year of the admission. A sponsorship certificate must be produced by the candidate. One out of the five seats is reserved exclusively for candidates sponsored by Defence Research and Development Organization (DRDO) and they are exempted from Common Admission Test (CAT), if they are otherwise qualified for admission to the programme.
- d. **M.Sc.** (Environmental Technology): Two seats of the M.Sc. (Environmental Technology) programme are reserved for candidates with five years experience and sponsored by industrial and research organizations. If sponsored candidate is not available in the rank list, only three sure candidates need be called for counseling.
- e. M.Sc. (Industrial Fisheries): Three seats are reserved for candidates who are sponsored by Kerala Fisheries Department. Candidates whose parent's occupation is fishing are eligible for this sponsorship and such candidates should mention this in the Special Reservation field of the online application as "Registered Fishermen Community". After submitting online applications the candidates should apply to the Director, Department of Fisheries, Vikas Bhavan, Thiruvananthapuram along with a certificate from the local office of Fisheries Department stating that the parent's occupation is fishing. The Director of Fisheries shall send a sponsorship certificate to the Director, School of Industrial Fisheries, CUSAT, Kochi-16. Two seats are reserved for the staff of the Fisheries Department. Those who want to be considered against these two reserved seats shall apply online mentioning their eligibility for reservation and afterwards forward an official letter from the Director, Department of Fisheries, Vikas Bhavan, Thiruvananthapuram to the Director, School of Industrial Fisheries, CUSAT, Kochi-16. Only on receipt of sponsorship letter or official letter the candidate shall be considered against the respective reservation seats. Hence the candidates should personally make sure that the sponsorship letter or official letter reaches the Director, School of Industrial Fisheries, CUSAT, Kochi-16 before the preparation of Rank List.
- f. **M.Sc.** (**Oceanography**): Two seats of the M.Sc. Oceanography programme are reserved for Candidates from open Sponsored category.
- g. M.Tech. (Polymer Technology): Two seats of the M.Tech. (Polymer Technology) programme are reserved for candidates sponsored by University/ Industry/Teaching or Research Organizations of Central/State Government or by Private Engineering Colleges approved by AICTE. The candidate should have a minimum experience of three years in the relevant field.

CUSAT

- h. M.Tech. (Atmospheric Science): Two seats of the M.Tech. (Atmospheric Science) programme are reserved for candidates sponsored by user departments such as Indian Meteorological Department, Indian Institute of Tropical Meteorology, National Institute of Oceanography, Department of Ocean Development, National Physical Laboratories and Departments of Universities.
- i. **M.Tech. (Computer Aided Structural Analysis & Design**): Four seats of the M.Tech. (Computer Aided Structural Analysis and Design) programme are reserved for Naval Architects and three seats for candidates sponsored by shipbuilding / offshore industries / organizations. Admission to unfilled seats, if any, will be decided in the following order of preference: (i) Sponsored; (ii) Naval Architects; and (iii) Civil / Mechanical B.Tech. degree holders.
- j. M.Tech. (Computer & Information Science / Software Engineering): Five seats each of the M.Tech. (Computer & Information Science) and M.Tech. (Software Engineering) programmes are reserved respectively for candidates sponsored by the Director of Technical Education and Research organizations of the Central / State Governments or Computer Industry. The sponsored candidates must have been in employment with their sponsor for at least three years, working in an area related to computers at the time of submitting the application. Applicants under the sponsored category are not required to have a GATE Score. But they have to appear for the Department Admission Test (DAT).One of the five seats in M.Tech. Software Engineering is reserved exclusively for a candidate sponsored by the DRDO and this candidate is exempted from DAT, provided he/she is otherwise qualified for admission.
- k. M.Tech. (Electronics): Five seats of M.Tech. (Electronics) are reserved for candidates sponsored by industry / teaching / research organizations of Central / State Governments. The sponsored candidates must have a minimum experience of 3 years in the relevant field. Maximum age is fixed as 40 years as on 1<sup>st</sup> of August of the year of admission. One of the five seats is reserved exclusively for a candidate sponsored by the DRDO and this candidate is exempted from DAT, provided he/she is otherwise qualified for admission.
- M.Tech. (Engineering Statistics): Two seats of M. Tech. (Engineering Statistics) are reserved for candidates sponsored by R&D institutions of the Central / State Governments or Industrial establishments in the public / private sector or recognized Universities in India or the Department of Technical Education of the State.
- m. **M.Tech. (Industrial Catalysis)**: Five seats of M. Tech. (Industrial Catalysis) are reserved for candidates sponsored by Industries.

Academic Prospectus 2014 120

- n. M.Tech. (Ocean Technology): Two seats of M.Tech. (Ocean Technology) are reserved for candidates sponsored by R & D institutions of the Central / State Governments, industrial establishments in the Private / Public Sectors, recognized Universities in India or the Department of Technical Education of the State Government.
- M.Tech. (Opto Electronics and Laser Technology): Two seats of the M.Tech. (Opto-Electronics and Laser Technology) programme are reserved for candidates sponsored by industry or teaching / research organizations of Central / State Governments.
- p. M.Tech. (Marine Bio-Technology): Entrance examination will be conducted by Jawaharlal Nehru University (JNU) under the combined entrance examination. For more information visit JNU Website: <u>www.jnu.ac.in</u> or the concerned department website <u>www.ncaah.org</u>
- 7. Army Quota for M.B.A. (Full-time): One seat of M.B.A. (Full-time) programme is reserved for Army officers recommended by the Army Head Quarters.
- 8. Sports Quota: Reservation under Sports Quota is available for the following programmes :
  - a. "Payment Category" of the B.Tech. Programmes offered by the SOE, CUCEK and the Kunjali Marakkar School of Marine Engineering.
  - b. B.Tech. Naval Architecture & Ship Building and Instrumentation Technology (Supernumerary Seats)
  - c. P.G. programmes where the sanctioned intake is 30 or more
  - d. M.C.A"Cost-sharing" programmes at Thrikkakkara and Pulincunnoo campus

The candidate should forward a copy of the confirmation page of online registration along with attested photocopies of sports merit certificates (highest achievements in each event) to the Secretary, Kerala Sports Council, Thiruvananthapuram - 695001. The Sports Council will allot marks to the candidates according to their proficiency in sports. The maximum mark for proficiency is 500. The minimum achievement required for consideration: Representing the Educational District / Sports School / Sports Hostels in the Kerala State Schools Championship and winning third place. The Sports Council shall forward the list along with the copy of the confirmation page of the students applied to CUSAT. The candidates should make sure that the list reaches the University before the deadline.(30th April 2014). The marks awarded to the candidates for proficiency/in sports by the Kerala Sports Council will be added to the marks obtained by the respective candidates in the concerned Common Admission Test (provided they are ranked in the Common Admission Test). In the case of Management Programmes C-MAT(AICTE)/MAT(AIMA)/CAT(IIM) score (after normalization) will be added to the marks awarded by the Kerala Sports Council. The merit list for each/course would be prepared on the basis of inter-se

CUSAT

Academic Prospectus 2014

merit of the candidate computed as above.\_At the time of preparation of the rank list under sports quota, if there is any tie in the total marks, it will be resolved by the same principle of resolution of tie for the preparation of CAT Rank list. The seats under sports quota will be filled up according to the rank from inter-se Merit List prepared for Sports. The sports quota rank list will not be considered for filling up other categories of seats such as general merit. Candidates who claim reservation under Sports Quota should produce, at the time of counselling, a certificate of eligibility for selection under this quota issued by the Kerala Sports Council, as per the guidelines published by them. The achievements in two financial years (1st April to 31st March) previous to the year of selection shall alone be considered. However, in the case of competitions which are not organized annually the immediately previous competitions shall be deemed as held in the previous two financial years for the purpose of this selection.

- 9. Anglo-Indian/Jew: In accordance with the relevant rules of the Government of Kerala, a combined quota of one seat as supernumerary in payment category is available for candidates belonging to Jewish and Anglo-Indian communities for admission to B.Tech Engineering Programmes. The seat will be rotated between Jew and Anglo-Indian communities in alternate years. In 2014 the seat is reserved for Anglo-Indian Community in Electrical & Electronics Engineering, Cochin University College of Engineering, Kuttanad.
- 10. Children of CUSAT Staff: For the children of permanent employees of *CUSAT* one seat each is reserved as supernumerary in B.B.A.,LL.B (Hons.) and in the payment category of each branch of B.Tech Engineering programmes in *SOE* and *CUCEK*. SC/ST candidates who secure admission in this category are not eligible for any fee concession / refund as this is a privileged category seat.
- 11. Children of Ex-Servicemen: The reservation under this category is only for children of Ex-servicemen for one PG programme other than M.Tech./M.Phil./PG Diploma /Certificate programmes every year and this seat will be distributed among the teaching Departments in the alphabetical order of the name of the Department. In the academic year 2014, this seat is reserved for admission to M.Sc. Marine Biology offered at Department of Marine Biology, Microbiology & Biochemistry, CUSAT.
- 12. Naval Candidates: Twelve seats for B. Tech (Naval Architecture and Ship Building) are reserved for Naval Candidates sponsored by Indian Navy.

13. Foreign Students: Seats reserved for foreign students are indicated below:

### The following special fees will also be collected at the time of admission.

From B.Tech / P.G. Students	Rs.	B.Tech. Marine Engineering	Rs.
Matriculation fees	160/-	Admission fee (Free Seat)	10500/-
Medical Inspection fee**	55/-	Admission fee (Payment Seat)	15750/-
Quasi University Fee	160/-	Uniform (at the time of admission)	13125/-
Recognition Fee*	160/-	Mess Caution Deposit -do-	5250/-
Sports fee	265/-	Orientation fee -do-	5250/-
Students Aid Fund	105/-	Uniform (per year)	3990/-
University Union Fee	105/-	Hostel activities (per semester)	12600/-
		Books (per year)	5250/-
		Laundry (per semester)	1575/-
		Medical Inspection fee	210/-

\* (For students who have passed their qualifying examination from outside Kerala) \*\* (Only for full-time students)

- P.T.A fee of Rs.1575/-(for courses of duration above 3 years) Rs.1000/-(for courses of 3 year duration and below) and co-curricular fee of Rs.100/-(only for B.Tech self-financing courses) have to be paid by the candidate at the time of admission.
- Fees for subsequent semesters/ examination fees / fees for issue of certificates, mark lists etc; are to be paid separately as and when notified by the Departments/Schools concerned.
- FEE FOR FOREIGN NATIONAL: See chapter 7 on INTERNATIONAL CANDIDATES
- SC/ ST candidates belonging to the state of Kerala need pay the caution deposit, PTA fee and Co-curricular fee only at the time of admission in payment and free seats.
- SC/ ST candidates from outside Kerala state are to pay all fees including caution deposits at the time of admission and also during subsequent semesters. Respective Heads of the Departments / Schools will however extend necessary assistance to get the fee remitted by these students reimbursed by the respective State Governments.

 KPCR fee concessions are available only for programmes recognized specifically for the purpose by the Government of Kerala. Candidates, belonging to the State of Kerala and eligible for such concessions, as per rules, are required to pay the full fees at the time of admission and for subsequent semesters / years; however, the fees collected will be refunded to the candidates to the extent reimbursed by the Government, as and when necessary grants are received.

**Important:** The fee structure is subject to rationalization / revision and rates of fee prevalent at the time of counseling / admission will be applicable.

Candidates admitted directly to the third semester of B.Tech Engineering programme through lateral entry are to pay the fees applicable for admission against <u>payment seats</u> under B.Tech Engineering programmes.

The application fee applicable for various categories are: Rs.1000/- for General category candidates and Rs.500/- for SC/ST category. Rs.6000/- for candidates who apply under NRI quota.

Candidates who have opted test centre at Dubai should remit an additional amount of Rs.10,000/-by Demand Draft in favour of "Registrar, CUSAT" payable at Cochin and send the same to "The Director, IRAA Unit, CUSAT, Kochi with a copy of the application print out before the last date prescribed.

For Diploma & Certificate Programmes - Rs. 100/- for general category and Rs.50/for SC / ST category.

CUSAT

### **CHAPTER 12** FEE REFUND RULES

Refund of fees if any will be governed by the following rules and regulations prescribed by the University.

When a student cancels his admission <u>before the commencement of classes</u>, another student from the waiting list will be given admission and the student who cancelled admission will be refunded the entire fee remitted after deducting a processing fee of not more than Rs.1000/-

When a student cancels his admission <u>after the commencement of classes</u> full amount of tuition fee remitted by him will be refunded to him, irrespective of the fact that he attends or does not attend the classes, **if the subsequent vacancy is filled by another candidate**.

If the student cancels admission on or after the closing date of admission for the current academic year, he/she is not eligible for any refund.

Refund without interest will be made only in the next financial year.

The aforesaid rules are subject to amendments from time to time.

CUSAT

### CHAPTER 13 FEE CONCESSIONS

#### FEE CONCESSION FOR OEC

Candidates belonging to Other Eligible Communities (OEC) will be eligible for educational concessions applicable to SC / ST candidates, subject to satisfactory verification (at the time of Group Discussions and/or Interview/Counselling / Admission, whichever is held earlier) of certificates issued by competent Revenue authorities <u>clearly indicating that the candidate is a member of OEC</u>.

#### FEE CONCESSION UNDER KPCR

Fee concession under KPCR cannot be claimed as a matter of right and will be available only for programmes recognized specifically by the Government of Kerala for the purpose. Candidates will acquire eligibility for fee concession under KPCR only if the annual family income of their parent(s) / guardian conforms to the limits prescribed by the Government of Kerala from time to time.

Candidates, belonging to the State of Kerala and eligible for such concessions, as per rules, are required to pay the full fees at the time of admission and for subsequent semesters / years; however, the fees collected will be refunded to the candidates to the extent reimbursed by the Government, as and when necessary grants are received.

#### ANNUAL FAMILY INCOME LIMIT

Applicants seeking admission under communal reservation quota earmarked for SEBC candidates and/or fee concession under KPCR will acquire eligibility to be considered under the quota/ for fee concession only if the annual family income of their parent / guardian conforms to the limits as prescribed by the University.

For Non- Professional and Professional programmes except for SC/ST, the prescribed maximum limit for gaining eligibility for SEBC candidates under reservation quota is Rs. 6,00,000/-

\*Limits prescribed as per University Rules at the time of admission will be applicable.

CUSAT

### CHAPTER 14 HOSTEL FACILITIES

Hostel accommodation for around 600 male and 700 female students is available for Undergraduate/ Postgraduate / Research students.

### **Main Campus**

Sanathana, Siberia, Sarovar and Post metric hostel for boys	Men's Hostels
Aiswarya, Athulya, Anaswara and Post metric hostel for girls	Ladies' Hostels
OBC Post Metric Hostel for Girls	Ladies' Hostel

#### Lakeside Campus

Cochin University Marine Science Campus Hostel

Application forms for admission to University Hostels are available online at the University website http://hostels.cusat.ac.in/. Printout of the completely filled in application form is to be submitted to the respective Department office. Head of Department will forward all the applications together to the hostel office after verification and giving priority number based on the distance of home town from the University.

Admission to hostels is not the right of any student. The Syndicate reserves the right to open or close any or all of the hostels, or parts thereof or deny admission to or expel any student, or shift a student from one hostel to another - all without assigning any reason.

Admission to the Hostel is open to full-time regular students admitted to a programme of study of not less than two semesters. Priority is given to SC/ST, physically challenged, foreign and to those students whose normal place of residence is more than 15 kms away from the campus. Separate accommodation is arranged for students under international collaboration.

Full-time research students and fellows working in sponsored research schemes in the University shall only be considered if seats are available. No Ph.D student will be allowed to stay in hostels for a total of more than 3 years in his/her academic career in the University. Full-time students under the 'Faculty Improvement Programme'

CUSAT

Academic Prospectus 2014

drawing regular salary from their parent institutions are not eligible for hostel accommodation.

Accommodation in the hostels is limited to the duration of the programmes to which a student is admitted and he/she is required to vacate the hostel within seven days of his/her taking the last written/practical/viva-voce examination of the programme. No one is eligible for accommodation in the hostel for taking supplementary examinations.

A student admitted to an M.Phil programme will not be allowed accommodation beyond a period of 12 months from the date of admission to the hostel. During vacation the hostels will remain closed. All students shall remove their personal belongings and vacate the hostels during vacation. Payment of dues to hostels shall be made in the department/schools concerned. Detailed rules/fees etc. relating to admission to hostels will be supplied to students at the time of their admission to the hostel.

CUSAT

### CHAPTER 15 CAMPUS DISCIPLINE

The University provides the best education possible to enable the students to get the most from all aspects of life at the University. In this context, however, it is important that the students realize the symbiotic nature of this relationship and accept the responsibility inherent in this joint venture.

Ragging, use of drugs, drug trafficking, eve-teasing, physical assault / violence of any sort, etc. are criminal offences and are strictly forbidden. Persons found indulging in such activities will be subjected to strict disciplinary action including expulsion from the University, besides other measures under the law of the land. "The Cochin University Students (Conduct and Disciplinary) Code-2005" will be applicable to all students of the University and all its recognized institutions as per order No. Ac.A1/Disciplinary Actions/2004 Dated 18-07-05.

The students who indulge in ragging will be strictly dealt with. If any incident of ragging comes to the notice of the authorities, the student concerned (accused of indulged in ragging) will be given liberty to explain and if his /her explanation is not found satisfactory, he/she will be expelled from the institution.

The Syndicate of the University at its 480th meeting held on 18.12.2004 decided to evolve a code of conduct for the students studying in the University and to implement the Judgment of the Hon'ble High Court in R.P.No.435/2003.

### Responsibilities of the students.

It shall be the responsibility of the students:

- i. To read, become familiar with and adhere to this Code and any amendment brought to this Code.
- ii. To foster and maintain a vibrant academic, intellectual, cultural and social atmosphere which is consistent with the objectives of the University.
- iii. To report any violation of this Code to the functionaries under this Code.
- iv. To access all educational opportunities and benefits available at the University and make good use of them to prosper academically and develop scientific temper.
- v. To respect the laws of the country, human rights and to conduct in a responsible and dignified manner at all times.
- vi. To respect the cultural and societal values nurtured and followed by people in the State.

CUSAT

#### **Disciplinary Actions**

Any student/students exhibiting prohibited behaviour mentioned in Section (6) of the Code shall depending upon the gravity of the misconduct or depending on its recurrence be subjected to disciplinary actions, as per the Code.

#### Undertaking by the students

The students joining any academic programme of the University will have to give an undertaking to the effect that he/she will fully comply with the provisions envisaged in this Code in letter and spirit.

A Committee constituted in accordance with UGC guidelines on prevention of sexual harassment to women at the work place maintains vigil to prevent / combat the perpetration of any such attempts.

### CHAPTER 16

### PARENT TEACHER ASSOCIATION

Aims and Objectives

- To foster and promote cordial relationship among the parents, teachers and students of the college/school/department.
- To help guide and participate in various developmental activities of the college/school/departments.
- To render all possible assistance for smooth working of the college/department/school and for maintaining good discipline in the campus.
- To institute scholarships/awards for deserving students of the college/school/departments.
- To provide and ensure essential amenities to the students of the college/school/department.

CUSAT Academic Prospectus 2014 138

### **CHAPTER 17** HOW TO REACH *CUSAT*

Kochi (erstwhile Cochin) is well connected by air, rail, road and sea.

### By Air

The Cochin International Airport located at Nedumbassery is about 20 km and a mere 20 minutes drive from the Main Campus of *CUSAT*.

### By Rail

The Railway Station at Alwaye (Aluva) is 10 kms north of the Main Campus and has the convenience of an adjacent Bus Station, from where very frequent City Buses bound for Ernakulam and beyond will take you in 15 minutes to CUSAT bus-stop at Kalamassery. Auto-rickshaws are available at the South Kalamassery bus stop for transport to the Main Campus, 1 km away.

Alternatively, one may alight at Ernakulam Town (North) or Ernakulam Junction (South) Railway Stations, both of which are on the southern side of the Main Campus. However, note that all trains will not stop at both the stations. Buses bound for Alwaye are available from nearby bus stops for travel to South Kalamassery (13 kms).

The Lakeside Campus is only 2 km from the Ernakulam Junction (South) Railway Station.

### By Road

All long distance KSRTC and inter-state buses plying along National Highway 47 to Ernakulam from north have a 'Request Bus Stop' at CUSAT bus-stop. . If travelling by City Buses, the Bus stop nearest to the Main Campus is South Kalamassery.

If travelling from the South, you may alight at Vytilla Mobility Hub and then take a City Bus bound to Alwaye to step down at South Kalamassery.

#### By Sea

The Cochin Port is situated on Willington Island, which faces the City(Lakeside) Campus and is just across the adjoining back waters.

### **CHAPTER 18**

### TEST CENTRES

For First Degree Programmes (B. Tech and 5 year Integrated M.Sc. in Photonics) : the CAT will be conducted on All India basis with test centres in Dubai\*, New Delhi, Kolkata, Mumbai, Chennai, Hyderabad, Bangalore, Jamshedpur, Allahabad, Lucknow, Ranchi, Varanasi, Kota and all the District Head Quarters of Kerala.

For PG Programmes, 5 year BBA.,LL.B(Hons) / B.Com.,LL.B.(Hons.), MIP.,Ph.D and LL.M.,Ph.D: The CAT will be conducted at all the district head quarters of Kerala.

For Lateral Entry Test and 3 Year LL.B (regular)(evening): The CAT will be conducted only at the Ernakulam Centre.

<u>\*The Candidates opting Dubai Centre will have to write test in Kochi centre if sufficient</u> <u>number of candidates have not been opted for Dubai Centre.</u>

The DATs are conducted in the University campus by the individual Departments/Schools/Centres of the University. The dates of these tests will be announced separately.

The University reserves the right to cancel all or to shift or merge any of the notified test centres for administrative reasons.

## CHAPTER 19 COUNSELLING/ADMISSION

### **COUNSELLING 2014**

The counseling and admission to various academic programmes is held as follows:-

- All Post-Graduate programmes: The Schedule for counselling will be published in the website. No individual call letter / communication will be sent by post.
- First Degree Programmes: The schedule for counselling will be published in the website. No individual call letter / communication will be sent by post.
- The schedule for Group Discussion and / or Interview related to programmes such as Management Courses, M.Sc. Industrial Fisheries, B.B.A.LL.B (Hons.)/ B.Com.,LL.B.(Hons.), L.L.M. etc. will be published in the website. No individual call letter / communication will be sent by post.

For PhD, M.Phil., M.Tech., M.A. (Translation German/Russian), Diploma / Certificate programmes please contact departments concerned for details
