TCS Campus Recruitment - Eligibility Criteria

- Minimum aggregate (**aggregate of all subjects in all semesters**) marks of 60% or above in the **first attempt** in each of your Class Xth, Class XIIth, Diploma (if applicable), Graduation and Post-Graduation examination which includes successful completion of your final year/semester without any pending arrears/back logs during the entire course duration. Please note that all subjects mentioned on the mark sheets should be taken into consideration while calculating the aggregate marks. For example, best of 5/6 subjects for calculating the aggregate is not acceptable as per the TCSL Eligibility Criteria. All subjects mentioned on the marksheet (including languages, optional subjects etc) should be taken into consideration for calculating obtained/total marks/CGPA. In cases where a candidate has completed both, XIIth and Equivalent Diploma, the cut off percentage of 60% and above is applicable to both the courses.

- **First attempt** implies that you should clear the final year/semester examination (Xth, XIIh, Diploma, Graduation and Post-Graduation as applicable) with minimum aggregate (aggregate of all subjects in all semesters) marks of 60% and above within the normal duration of the course itself. For example, if you have secured 58.9 % (aggregate of all subjects) in your Standard XIIth examination in the first attempt and you have taken an improvement exam in the next attempt securing 62 %, you do not fulfil the TCSL eligibility criteria as marks/CGPA obtained during the normal duration of the course only will be considered.

- Completion of all courses Class Xth onwards within the stipulated time as specified by your University/Institute and as per the TCSL Selection Guidelines without any extended education. For example, if you have a backlog in the final semester of BE, it is considered as extended education as the stipulated time to complete BE is 4 years.

- Maximum upto 1 pending backlog/arrear in the highest qualification will be permitted only at the time of appearing for the TCS Selection process. If selected, no pending backlogs will be permitted at the time of joining TCS. All pending backlogs should be completed within the normal course duration.

- It is mandatory to declare the gaps/arrears/backlogs, if any, during your academic and/or work experience. Break in education should not be due to extended education. Any break in education/work experience should not exceed 24 months and is permissible only for valid reasons. Relevant document proof, as applicable, will be checked for gaps in education.

- Only Full time courses will be considered (Part Time/Correspondence courses will not be considered).

- Candidates with work experience of more than 3 years are not eligible to participate in the TCS Selection process.

- You should be minimum 18 years of age to be eligible to apply for the TCSL Selection process.

- Candidates who have applied to TCSL and have not been successful in clearing the TCSL selection process are not eligible to re-apply to TCSL within six months from the date on which they had attended such selection test and/or interview. You are not eligible to appear for the TCSL selection process within six months of the previous unsuccessful attempt.
