Central Time Table
Autumn Semester (2018– 2019)

July 13, 2018

The Central Timetable for the Autumn Semester (2018-2019) contains the following items:

No.	Item	Page No.
1	Note on Time Table	1-3
2	First year Curriculum	4
3	Slot Distribution and Room Allocation for first year	5-6
4	Section wise time table for 16 sections of first year	7-22
5	Common Subjects/Breadth/HSS/Management Slot Indication (2 nd year and above)	23-27
6	Slot & Room Allocation for common subjects (2 nd year and above)	28-34
7	Room allocation Matrix from Monday to Friday	35-44

Slots for Breadth /HSS/Management subjects have been indicated. Academic Units must ensure atleast two out of the three designated three Breadth slots are available for students. All rooms (except NC 121,NC 122) indicated in the Central Time Table are equipped with Audio Visual Facility. Faculty members requiring Audio -Visual facility should inform Audio-Visual Cell separately.

Important Note on Time Table

1. Theory Slot names are suffixed with a numeral that indicates the number of lecture and tutorial hours.
2. The slotting pattern is depicted in Figure 1 and the Time Table Slot Matrix is shown in Table-1. **The Morning Lab slots for First Year are advanced by one hour to provide buffer time for post lunch session.**
3. **In view of the 2 Week induction program for the incoming First Year Students, extra classes that will be held from 30 July 2018 – 24 August 2018 ,for all theory subjects are indicated by the suffix (Sp) in the Time Table.**
4. The class timings comprise 9 periods starting from 8:00 in the morning to 5:55 in the evening. Though the Time Table officially extends upto 5:55 PM attempts must be made to finish the day's class by 4:55 PM in order to provide opportunity to the students to take part in sports, games and outdoor activities.
5. Academic Units must comply with the slotting pattern in scheduling the Subjects. Cross Slotting must be avoided to ensure
 - a) No clash in the scheduling of end semester exams
 - b) Optimal utilisation of the class room resources.
6. If cross slotting has to be done due to compelling reasons, then it can be done only with one hour of 'S' slot along with a regular 3 hour slot.
7. Two distinct slots have been earmarked for HSS and Management subjects, the respective departments must distribute the subjects equally between the slots.
