SET-E

1. Imagine you are sitting on a bench at a small town railway station. While a train stops at the platform with people trying to get out of the train. There is a soft drink stall to your right and the train indicator in your frame of view. Draw the scene in pencil as you would see with at least 5 peoples in your sketch doing different activities. **(50)**
2. Create and draw in given space a pattern using basic geometrical shapes (e.g. Square, Hexagon, Circle, Triangle, etc.) For a border around entrance door to a Old Haveli (Mansion). The pattern you will draw is to be repeated in linear arrangement to form the border. Colour the pattern using any 3 colours of your choice. (Please draw only the pattern and not the entire door) **(25)**
3. Make a 3D Composition with the 6 glucose biscuit and a ball in the space provide. Also show the effect of light and shadow on it. **(25)**
